Yes

C113. Is any aspect of tobacco control that is referred to in the Convention included in any national strategy, plan or programme?

N/A

C114[C114a]. Have you established or reinforced and financed: [a focal point for tobacco control?]

No

C114[C114b]. Have you established or reinforced and financed: [a tobacco control unit?]
No
C114[C114c]. Have you established or reinforced and financed: [a national coordinating mechanism for tobacco control?]
No
C115. Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).
C116. Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (General obligations) in the past two years or since submission of your last report.
The repeal of current tobacco legislation is at advance stage and National Tobacco Control Technical Working Group has been established. However the manpower is a challenge. Focal Point has not capacitated well in order to cope with growing or emerging challenges of tobacco use.
C117. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.
There is need to fully capacitate the Focal Point.

Educational materials targeting different age groups have been produced and disseminated. Workshops and media are used to educate the public about tobacco control.
C124. Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.
Complete ban of tobacco advertising has been achieved but there are some challenges the country experiences from the tobacco industry and their stakeholders (retailers). They print promotional messages on merchandise such as jackets, T shirts and shirts. Such goods were seized and destroyed in 2011. Currently there are emerging use of other forms of tobacco use such as E-cigarette and TI provide Street Vendors with Trolleys displaying prices but we are fighting that.
C125. Have you utilized the "Guidelines for implementation of Article 5.3 of the WHO FCTC" when developing or implementing policies in this area?
Yes

C227a. Banning tobacco smoking in indoor workplaces

Smoking is prohibited in public places including bars, pubs, restaurants, recreational places including clubs.

C227b. Banning tobacco smoking in public transport

Total ban of smoking in public transport and it is 100% achieved.

C227c. Banning tobacco smoking in indoor public places

Smoking in indoor public places is prohibited. In cases of restaurants, there should be permanent wall partitioning to separate smokers from non smokers.

C228. Please provide a brief description of the progress made in implementing Article 8 (Protection from exposure to tobacco smoke) in the past two years or since submission of your last report.

Implementation of article 8 has challenges of resources especially manpower to reach the furthest parts of the country. However, discussions are on going with local authorities to appoint focal persons at district level to address this gap.

C242[2]. requiring public disclosure of information about the: [emissions of tobacco products?]
Yes
C243. Please provide a brief description of the progress made in implementing Article 10 (Regulation of tobacco product disclosures) in the past two years or since submission of your last report.
International standards are used to regulate the contents and emissions since most of the products are imported. The local produced products are exported and they have to comply with the standards of where they are being exported. The only challenge we have is of products that get into our country illegally. Some of them do not have enough information for the consumer. That being the case we have ensured that our upcoming law takes care of this.
C244. Have you utilized the "Guidelines for implementation of Articles 9 and 10 of the WHO FCTC" when developing or implementing policies in this area?
