Period of reporting:

	Month	Year
Start date	January (1)	2020 (21)
End date	March (3)	2020 (21)

B1. TOBACCO CONSUMPTION

Prevalence of tobacco use

Smoking prevalence in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)

Current smokers

Prevalence (%) (please include all smoking tobacco products in prevalence data)	Average number of the most-consumed smoking tobacco product used per day

Daily smokers

Prevalence (%) (please include all smoking tobacco products in prevalence data)	Average number of the most-consumed smoking tobacco product used per day

Occasional smokers

Prevalence (%)

(please include all smoking tobacco products in prevalence data)

Former smokers

Prevalence (%)

(please include all smoking tobacco products in prevalence data)

Never smokers

Prevalence (%)

(please include all smoking tobacco products in prevalence data)

Please indicate the smoking tobacco products included in calculating prevalence for question B11:

Please indicate the age range to which the data used to answer question B11 refer:

From To

Please indicate the year of the data used to answer question B11:

Please indicate the source of the data used to answer question B11:

Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report.

Current smoker

Daily smoker

Occasional smoker

Former smoker

Never smoker

Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.

Smoking prevalence in the adult population (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

Range - start age	Range - end age	Prevalence (%) (please include all smoking tobacco products in prevalence data)
----------------------	--------------------	---------------------------------------------------------------------------------------

Please indicate the smoking tobacco products included in calculating prevalence for question B12:

Please indicate the year of the data used to answer question B12:

Please indicate the source of the data used to answer question B12:

Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

Prevalence of smokeless tobacco use in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18–64 years; see B132)

Males

Prevalence (%) (please include all smokeless tobacco products in prevalence data)

Females

Prevalence (%)

(please include all smokeless tobacco products in prevalence data)

TOTAL (males and females)

Prevalence (%)

(please include all smokeless tobacco products in prevalence data)

Please indicate the smokeless tobacco products included in calculating prevalence for question B13:

Please indicate the age range to which the data used to answer question B13 refer:

From To

Please indicate the year of the data used to answer question B13:

Please indicate the source of the data used to answer question B13:

Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below.

Current user
Daily user
Occasional user
Former user
Never user

Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

Range - start age	Range - end age	Prevalence (%) (please include all smoking tobacco products in prevalence data)
-------------------	-----------------	------------------------------------------------------------------------------------

Please indicate the smokeless tobacco products included in the answer to question B14:

Please indicate the year of the data used to answer question B14:

Please indicate the source of the data used to answer question B14:

Please provide a brief explanation of the trend in current use of smokeless tobacco by adult age groups in the past two years or since submission of your last report.

Tobacco use by ethnic group(s)

(please include all smoking or smokeless tobacco products in prevalence data)

Ethnic group(s)	MALES - Prevalence (%)	FEMALES - Prevalence (%)	TOTAL (males and females) - Prevalence (%)
-----------------	------------------------	--------------------------	--------------------------------------------

Please indicate the tobacco products included in the answer to question B15:

Please indicate the age range to which the data used to answer question B15 refer:

From To

Please indicate the year of the data used to answer question B15:

Please indicate the source of the data used to answer question B15:

Tobacco use by young persons

(please include all smoking or smokeless tobacco products in prevalence data)

Age range	SMOKING TOBACCO - Prevalence (%)	SMOKELESS TOBACCO - Prevalence (%)	WATER PIPE - Prevalence (%)
-----------	-------------------------------------	---------------------------------------	--------------------------------

Please indicate the tobacco products included in calculating prevalence for question B16:

Please indicate the year of the data used to answer question B16:

Please indicate the source of the data used to answer question B16:

Please provide the definition of "current smoking/tobacco use" used to answer question B16 in the space below.

Please provide a brief explanation of the trend in tobacco use by young persons in the past two years or since submission of your last report.

Please attach the relevant documentation.

Use of novel and emerging tobacco and nicotine products

Age range	Heated tobacco products (HTPs) - Prevalence (%)	Electronic Nicotine Delivery Systems (ENDS) - Prevalence (%)	Electronic Non-Nicotine Delivery Systems (ENNDS) - Prevalence (%)	Other products - Prevalence (%)
-----------	-------------------------------------------------	--------------------------------------------------------------	-------------------------------------------------------------------	---------------------------------

B2-B9. HEALTH, SOCIAL AND ECONOMIC INDICATORS

Exposure to tobacco smoke

Do you have any data on exposure to tobacco smoke in your population?

Yes ✓

Please provide details in the space below (e.g. exposure by gender, at home, in the workplace, on public transport).

La prévalence de l'exposition du tabac à fumée à domicile était de 36,3% chez les hommes et femmes âgés de 25 à 64 ans. Elle était de 47,1 % chez les hommes et de 27,2 chez les femmes. Au lieu du travail, elle était de 22,6% chez les hommes et femmes âgés de 25 à 64 ans dont 31,5% chez les hommes et 14,9% chez les femmes.

Please indicate the year of the data used to answer question B21:

2013

Taxation of tobacco products

(with reference to Articles 6.2(a) and 6.3)

What proportion of the retail price of the most popular price category of tobacco product consists of taxes (e.g. sum of excise, sales and import duties (if applicable) and value added tax/goods and services tax (VAT/GST))?

63

How are the excise taxes levied (what types of taxes are levied)?

Specific tax only

Ad valorem tax only Yes

Combination of specific and ad valorem taxes

More complex structure (please explain below)

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties)

Product	Type of tax	Rate or amount	Base of tax⁵
----------------	--------------------	-----------------------	--------------------------------

Please briefly describe the trends in taxation for tobacco products in the past two years or since submission of your last report in your jurisdiction.

Do you earmark any percentage of your taxation income for funding any national plan or strategy on tobacco control in your jurisdiction?

No

Please indicate the year of the data used to answer questions B81 to B86:

2019

Please indicate the source of the data used to answer questions B81 to B86:

Please attach the relevant documentation.

Price of tobacco products

(with reference to Articles 6.2(a))

Domestic

Please provide the retail prices of the three most widely sold brands of domestic tobacco products at the most widely used point of sale in your capital city.

	Name of the most widely sold brands	Number of units or amount per package	Retail price	Currency
Smoking tobacco products	Hamilton	20	750	CFA
Smoking tobacco products	Excellence	20	650	CFA
Smoking tobacco products	Davidof	20	750	CFA

Imported

Please provide the retail prices of the three most widely sold brands of imported tobacco products at the most widely used point of sale in your capital city.

	Name of the most widely sold brands	Number of units or amount per package	Retail price	Currency
Smoking tobacco products	Craven	20	750	CFA
Smoking tobacco products	Oris	20	600	CFA
Smoking tobacco products	Rothman long size	20	600	CFA

Please indicate the year of the data used to answer question B91:

2019

Please indicate the source of the data used to answer question B91:

Arrêté portant fixation de prix de vente des produits de tabac

Please briefly describe the trend in the prices of tobacco products in the past two years or since submission of your last report in your jurisdiction.

Les prix des produits ont subis des hausses de prix consécutifs à l'augmentation de la taxe. Des augmentations de prix sont annoncées pour 2020 avec le changement de la taxe de 45 à 50%.

Please attach the relevant documentation.

C1. GENERAL OBLIGATIONS

With reference to Article 5

Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

Yes ✓

Have you established or reinforced and financed:

a focal point for tobacco control?	Yes
a tobacco control unit?	Yes
a national coordinating mechanism for tobacco control?	Yes

Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

Existence d'un comité national de lutte contre le tabac multi-sectoriel composé d'une dizaine de départements ministériels, d'associations et d'organisations de la société civile, des leaders religieux, des sociétés savantes. Le point focal national est le Directeur de la promotion et de l'éducation pour la santé, structure en charge de la lutte antitabac au sein du Ministère de la santé

Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (*General obligations*) in the past two years or since submission of your last report.

Pour

l'article 5.1, le Burkina Faso a mis en œuvre son premier plan stratégique de lutte antitabac 2009-2013. Ce plan a été évalué et un nouveau plan stratégique couvrant la période 2015-2019 a été élaboré. Par faute de financement, la période a été revue pour couvrir 2016-2020. Pour l'article 5.2, le Point focal ne dispose pas de moyens conséquents pour coordonner la lutte antitabac. Il n'existe de ligne budgétaire. La Direction en charge de la lutte antitabac assure le secrétariat technique du Comité national de lutte antitabac

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

Yes ✓

ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

Yes ✓

If you answered "Yes" to any of the questions under C121 or C122, please provide details in the space below (specifically, please refer, if relevant, to whether your government or any of its departments 1) have raised awareness on tobacco industry tactics and the need to prevent interference by the tobacco industry with decision making; 2) have avoided entering into any partnerships or voluntary agreements with the tobacco industry; 3) have established any measures to limit interaction of public officials with the tobacco industry, including in the form of a code of conduct; 4) have not granted any incentives, privileges, benefits or preferential tax exemptions to the tobacco industry to establish or run their business; etc.).

Il est noté dans la loi N°40-2010 portant lutte contre le tabac au Burkina Faso, mention a été fait de ne pas accordé de privilèges à l'industrie de tabac

Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

- Les comités mis en place

dans les ministères sur des dossiers tabac ne comportent pas de représentants de l'industrie - Le ministère de la santé a posé plaintes contre l'industrie pour non respect de la réglementation (concernant les messages graphiques)

Have you utilized the "Guidelines for implementation of Article 5.3 of the WHO FCTC" when developing or implementing policies in this area?

Yes ✓

Please provide details in the space below or refer to section I of the additional questionnaire. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/dataform/655321?token=asscpz74c5jnhyr&lang=en> (<https://extranet.who.int/dataform/655321?token=asscpz74c5jnhyr&lang=en>)

C2. MEASURES RELATING TO THE REDUCTION OF DEMAND FOR TOBACCO

With reference to Articles 6–14

Price and tax measures to reduce the demand for tobacco

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

tax policies and, where appropriate, price policies on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption?

Yes ✓

prohibiting or restricting, as appropriate, sales to international travellers of tax- and duty-free tobacco products?

No ✗

prohibiting or restricting, as appropriate, imports by international travellers of tax- and duty-free tobacco products?

No ✗

Please provide a brief description of the progress made in implementing Article 6 (*Price and tax measures to reduce the demand for tobacco*) in the past two years or since submission of your last report.

Le Burkina Faso vient de relever le taux de taxation des produits du tabac dans sa loi de Finances, gestion 2020. Le taux unique applicable est de 50 %. Ainsi, le pays sest confirmé à la Directive 2017 de IUEMOA qui commande que à tous les pays de relever les taxes à au moins 50%.

Have you utilized the “Guidelines for implementation of Article 6 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

If you answered “Yes” to question C215 please provide details in the space below or refer to section H of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/data-form/655321?token=asscpz74c5jnhyr&lang=en> (<https://extranet.who.int/data-form/655321?token=asscpz74c5jnhyr&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Protection from exposure to tobacco smoke

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?

Yes ✓

What is the type/nature of the measure providing for the ban?

national law	Yes
subnational law(s)	Yes
administrative and executive orders	Yes
voluntary agreements	No
other measures (please specify in C223 below)	Yes

Please provide a brief explanation of the type/nature and content of the measures providing for the ban.

la loi 040-2010 Portant lutte contre le tabac, le décret 2011 portant interdiction de fumer dans les lieux publics clos et les transports en commun.
Il est prévu des amendes à cet effet pour le fumeur

Do any of these measures provide for a mechanism/ infrastructure for enforcement?

Yes ✓

Please provide details of this system.

Des contrôles doivent être menés et tout contrevenant est passible de sanctions. Des contrôles sont menés par la police nationale dans les grands centres urbains.

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Indoor workplaces:

government buildings	Complete
health-care facilities	Complete
educational facilities ⁶	Complete
universities	Complete
private workplaces	Complete
other (please specify below)	Complete

Please provide a brief explanation of any "other" policies in the space below

Les restaurants, les bars, les hôtels, les gares et aéroports, etc.

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Public transport:

airplanes	Complete
trains	Complete
ferries	Complete
ground public transport (buses, trolleybuses, trams)	Complete
motor vehicles used as places of work (taxis, ambulances, delivery vehicles)	Complete
private vehicles	None
other (please specify below)	

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Indoor public places:

cultural facilities	Complete
shopping malls	Complete
pubs and bars	Complete
nightclubs	Complete
restaurants	Complete
other (please specify below)	

Please provide a brief summary of complete and partial measures, with specific details of the partial measures that have been implemented:

Banning tobacco smoking in indoor workplaces

Le

Burkina Faso a prévu dans son plan stratégique 2016-2020, des actions en rapport avec l'application de la loi antitabac et ses décrets d'application. Il est prévu des mesures dissuasives à l'encontre des éventuels contrevenants au décret sur l'interdiction de fumer dans les lieux publics.

Des contrôles sont menés par la police nationale dans les centres urbains et des sanctions sont infligées aux contrevenants.

Banning tobacco smoking in public transport

Les

affiches sont visibles dans les gares et les propriétaires sont tenues de communiquer avec les usagers. Des rencontres d'information ont eu lieu dans les régions pour sensibiliser les responsables de ces lieux publics.

Banning tobacco smoking in indoor public places

Les affiches ont été distribuées et affichées dans les lieux pour informer les usagers.

Please provide a brief description of the progress made in implementing Article 8 (*Protection from exposure to tobacco smoke*) in the past two years or since submission of your last report.

-

Organisation de rencontres dinformation des responsables des lieux publics.

- sorties daffichage dans

les lieux publics, - Formation des officiers de

police. - - Sorties inopinée de

la police dans les lieux publics

Have you utilized the “Guidelines for implementation of Article 8 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

If you answered “Yes” to question C229 please provide details in the space below or refer to section B of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/dataform/655321?token=asscpz74c5jnhyr&lang=en> (<https://extranet.who.int/dataform/655321?token=asscpz74c5jnhyr&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Regulation of the contents of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

testing and measuring the contents of tobacco products?

Yes ✓

testing and measuring the emissions of tobacco products?

Yes ✓

regulating the contents of tobacco products?

No ✗

regulating the emissions of tobacco products?

No ✗

Please provide a brief description of the progress made in implementing Article 9 (*Regulation of the contents of tobacco products*) in the past two years or since submission of your last report.

- Le laboratoire national, laboratoire de référence de IOMS , fournit chaque semestre au président du comité national de lutte contre le tabac, de résultats danalyse sur des échantillons de cigarettes vendus - Les résultats de conformité du goudron et de la nicotine sont disponible (tabac importés ou production locale)

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

If you answered “Yes” to question C236 please provide details in the space below or refer to section C of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/dataform/655321?token=asscpz74c5jnhyr&lang=en> (<https://extranet.who.int/dataform/655321?token=asscpz74c5jnhyr&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g., whether your country 1) has incorporated product regulation in the national tobacco control legislation; 2) has access to either governmental or independent – not owned or controlled by the tobacco industry – laboratories for testing contents and/or emissions of tobacco products; 3) has regulated ingredients, such as flavours (e.g. menthol); 4) has regulated product characteristics, such as design features (e.g., cigarette ventilation); etc.).

Le Burkina Faso dispose dun Laboratoire de référence pour les tests des produits du tabac: . cest le Laboratoire national de santé publique, qui est en un laboratoire collaborateur de IOMS dans ce domaine.

Please attach the relevant documentation.

Regulation of tobacco product disclosures

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the:

contents of tobacco products?	Yes
emissions of tobacco products?	Yes

requiring public disclosure of information about the:

contents of tobacco products?	Yes
emissions of tobacco products?	Yes

Please provide a brief description of the progress made in implementing Article 10 (*Regulation of tobacco product disclosures*) in the past two years or since submission of your last report.

Le guide d'apposition des images graphiques a précisé les éléments à y figurer sur les parquets. Cela peut se voir sur les emballages des produits de tabacs

Have you utilized the "Guidelines for implementation of Articles 9 and 10 of the WHO FCTC" when developing or implementing policies in this area?

Yes ✓

If you answered "Yes" to question C244 please provide details in the space below or refer to section C of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token=asscpz74c5jnhyr&lang=en> (<https://extranet.who.int/dataform/655321?token=asscpz74c5jnhyr&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether your country has incorporated tobacco product disclosures in the national tobacco control legislation; has regulated the public disclosure of toxic constituents and emissions of tobacco products, aiming to raise public awareness and advance tobacco control policy; etc.).

Please attach the relevant documentation.

Packaging and labelling of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?

Yes ✓

requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

Yes ✓

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?

Yes ✓

ensuring that the health warnings are approved by the competent national authority?

Yes ✓

ensuring that the health warnings are rotated?

Yes ✓

ensuring that the health warnings are clear, visible and legible?

Yes ✓

Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?

Yes ✓

ensuring that the health warnings occupy no less than 30% of the principal display areas?

Yes ✓

ensuring that the health warnings occupy 50% or more of the principal display areas?

Yes ✓

ensuring that health warnings are in the form of, or include, pictures or pictograms?

Yes ✓

Does the Government own the copyright to these pictures and pictograms?

Yes ✓

Would you grant a non-exclusive and royalty-free licence for the use of health warnings developed in your jurisdiction with other Parties?

No ✘

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant:

constituents of tobacco products? Yes

emissions of tobacco products? Yes

requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

Yes ✓

Please provide a brief description of the progress made in implementing Article 11 (*Packaging and labelling of tobacco products*) in the past two years or since submission of your last report.

Le Burkina Faso sest doté dun arrêté conjoint 2015-366/MS/MICA du 7 avril 2015 portant fixation des modalités dapplication du décret relatif au conditionnement et à létiquetage des produits du tabac. Les firmes du tabac avait jusquau 7 avril 2016 pour mettre en œuvre la mesure. Ces textes ont subis des modifications courant 2019 et ont permis la mise en oeuvre du marquage sanitaire en juillet 2020. Un guide dapposition a été élaboré et a facilité le travail.

Have you utilized the “Guidelines for implementation of Article 11 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

If you answered “Yes” to question C2516 please provide details in the space below or refer to section D of the additional questionnaire available at this link.
