Period of reporting:

	Month	Year
Start date	April (4)	2019 (20)
End date	April (4)	2020 (21)

B1. TOBACCO CONSUMPTION

Prevalence of tobacco use

Smoking prevalence in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)

Current smokers

	Prevalence (%) (please include all smoking tobacco products in preva- lence data)	Average number of the most-con- sumed smoking tobacco product used per day
TOTAL (males and females)	9.3	3

Daily smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)	Average number of the most-consumed smoking tobacco product used per day
MALE		3
FEMALE		3
TOTAL (males and females)	8.1	3

Occasional smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)
TOTAL (males and females)	10.2

Former smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)
TOTAL (males and females)	9.3

Never smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)

Please indicate the smoking tobacco products included in calculating prevalence for question B11:

Global youth tobacco survey
2007(GYTS)

Please indicate the age range to which the data used to answer question B11 refer:

	From	To
Age range	15	64

Please indicate the year of the data used to answer question B11:

2007

Please indicate the source of the data used to answer question B11:

Estudo de Caso de Investimento no Controlo de Tabaco em Cabo Verde

Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report.

Current smoker	que fumaram ao longo dos últimos doze meses
Daily smoker	que fumam varias vezes ao dia
Occasional smoker	alguma vez por semana
Former smoker	Fumantes que pararam ha mais de um ano
Never smoker	Alguem que nunca experimentou nenhum tipo de produto de tabaco ou tenha consumido nao mais do que tres cigarros ao longo da vida.~

Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.

Faltam dados para

corroborar mas a percepção e de haver um aumento dos novos produtos de tabaco por exemplo Shisha e narquile. Em relação ao consumo do cigarro ainda nao há dados recentes.

Smoking prevalence in the adult population (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

	Range - start age	Range - end age	Prevalence (%) (please include all smoking tobacco products in prevalence data)
MALES - current smokers ¹	15	24	1
MALES - current smokers ¹	25	34	3
MALES - current smokers ¹	35	44	1
MALES - current smokers ¹	45	54	1
MALES - current smokers ¹	55	64	1
MALES - current smokers ¹	15	64	5

Please indicate the smoking tobacco products included in calculating prevalence for question B12:

Cigarettes, pipes, produits
du tabac sans fumée

Please indicate the year of the data used to answer question B12:

2013

Please indicate the source of the data used to answer question B12:

I° Enquête nationale sur la prévalence de la consommation de substances psychoactives dans la population générale

Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

Il semble y avoir une
augmentation de la consommation de tabac chez les jeunes qui utilisent des
narguilés, mais il ny a encore pas des etudes à lappui à ce sujet.

Prevalence of smokeless tobacco use in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18–64 years; see B132)

Males

	Prevalence (%) (please include all smokeless tobacco products in prevalence data)
Current users	3.5

Females

	Prevalence (%) (please include all smokeless tobacco products in prevalence data)
Current users	5.8

TOTAL (males and females)

	Prevalence (%) (please include all smokeless tobacco products in prevalence data)
Current users	9.3

Please indicate the smokeless tobacco products included in calculating prevalence for question B13:

Cancan, tabaco de mascar,
e siré

Please indicate the age range to which the data used to answer question B13 refer:

	From	To
Age range	15	64

Please indicate the year of the data used to answer question B13:

2013

Please indicate the source of the data used to answer question B13:

Atlas tobacco Cabo Verde

Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below.

Current user
Daily user
Occasional user
Former user
Never user

Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

	Range - start age	Range - end age	Prevalence (%) (please include all smoking to- bacco products in prevalence data)
MALES - current smokers ²	15	64	
FEMALES - current smokers ²	15	64	
TOTAL (males and females) - current smokers ²	15	64	4

Please indicate the smokeless tobacco products included in the answer to question B14:

Cancan,
tabaco de mascar, e siré

Please indicate the year of the data used to answer question B14:

2013

Please indicate the source of the data used to answer question B14:

Atlas tobacco Cabo Verde

Please provide a brief explanation of the trend in current use of smokeless tobacco by adult age groups in the past two years or since submission of your last report.

Pas

de donnés.

Tobacco use by ethnic group(s)

B2-B9. HEALTH, SOCIAL AND ECONOMIC INDICATORS

Exposure to tobacco smoke

Do you have any data on exposure to tobacco smoke in your population?

No ✘

Please indicate the year of the data used to answer question B21:

Please indicate the source of the data used to answer question B21:

Please attach the relevant documentation.

Tobacco-related mortality

Do you have information on tobacco-related mortality in your population?

Yes ✓

What is the estimated total number of deaths attributable to tobacco use in your population?

104

If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.

cardiopathie ischémique-41 infections

respiratoires-16 cancer trachéal pulmonaire-13 cancer de l'œsophage - 9 COPD-8

AVC hémorragique-8 cancer de l'estomac - 4 tuberculose-4 diabète sucré-1

Please indicate the year of the data used to answer question B32 and 33:

2017

Please indicate the source of the data used to answer questions B32 and B33:

Etude de cas d'investissement pour le contrôle du tabac

Please submit a copy of the study you refer to:

Tobacco-related costs

Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?

Yes ✓

Please provide details (e.g. direct (health care-related) and indirect costs and, if possible, the method used to estimate these costs).

1,62 milliard ECV onus de tabagisme au Cap-Vert. mortalité attribuable au tabagisme - 433,5 millions ECV Dépenses totales de santé - 122,4 millions ECV coût du présentisme 520,5 millions ECV coût des pauses fumeurs - 368,7 millions ECV l'absentéisme a coûté 173,2 millions d'ECV

Please indicate the year of the data used to answer question B42:

2017

Please indicate the source of the data used to answer question B42:

Etude de cas d'Investissement pour le control du tabac

Please submit a copy of the study you refer to:

Supply of tobacco and tobacco products

(with reference to Articles 6.2(b), 20.4(c), and 15.5)

Licit supply of tobacco products

Product	Unit (e.g. pieces, tonnes)	Domestic production	Retail sales	Exports	Imports
---------	----------------------------	---------------------	--------------	---------	---------

Please provide information on the volumes of duty-free sales (e.g. product, unit, quantity), if available.

Please indicate the year of the data used to answer question B51 and 52:

Please indicate the source of the data used to answer questions B51 and B52:

Please attach the relevant documentation.

Seizures of illicit tobacco products

(with reference to Article 15.5)

Seizures of illicit tobacco

Year	Product	Unit (e.g. pieces, tonnes)	Quantity seized
------	---------	----------------------------	-----------------

Do you have any information on the percentage of illicit tobacco products on the national tobacco market?

Please provide any further information on illicit tobacco products.

Please indicate the source of the data used to answer questions in section B6:

Please attach the relevant documentation.

Tobacco-growing

Is there any tobacco-growing in your jurisdiction?

No

Please indicate the year of the data used to answer questions in section B7:

Please indicate the source of the data used to answer questions in section B7:

Please attach the relevant documentation.

Taxation of tobacco products

(with reference to Articles 6.2(a) and 6.3)

What proportion of the retail price of the most popular price category of tobacco product consists of taxes (e.g. sum of excise, sales and import duties (if applicable) and value added tax/goods and services tax (VAT/GST))?

How are the excise taxes levied (what types of taxes are levied)?

Specific tax only	No
Ad valorem tax only	No
Combination of specific and ad valorem taxes	Yes
More complex structure (please explain below)	

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties)

Product	Type of tax	Rate or amount	Base of tax⁵
----------------	--------------------	-----------------------	--------------------------------

Please briefly describe the trends in taxation for tobacco products in the past two years or since submission of your last report in your jurisdiction.

Cape Verde increased taxes on tobacco products from 30% to 50% and a specific rate of 20 CVE (ICE) on all packets manufactured or imported in force since January 2019. Smokeless tobacco products and new tobacco products are not yet covered by the law. The new legislation in process will regulate the new tobacco products.

Do you earmark any percentage of your taxation income for funding any national plan or strategy on tobacco control in your jurisdiction?

Yes ✓

Please provide details in the space below.

15% d'impôts doivent être déplacés pour des programmes pour la lutte anti tabac.

Please indicate the year of the data used to answer questions B81 to B86:

2019

Please indicate the source of the data used to answer questions B81 to B86:

la nouvelle législation sur le tabac en tramitação

Please attach the relevant documentation.

Price of tobacco products

(with reference to Articles 6.2(a))

Domestic

Please provide the retail prices of the three most widely sold brands of domestic tobacco products at the most widely used point of sale in your capital city.

	Name of the most widely sold brands	Number of units or amount per package	Retail price	Currency
Smoking tobacco products	SG gigante	20	250	ECV
Smoking tobacco products	Porto Grande	20	150	ECV
Smoking tobacco products	Falcoes	20	120	ECV

Imported

Please provide the retail prices of the three most widely sold brands of imported tobacco products at the most widely used point of sale in your capital city.

	Name of the most widely sold brands	Number of units or amount per package	Retail price	Currency
Smoking tobacco products	Marlboro	20	300	ECV
Smoking tobacco products	LM	20	200	ECV

Please indicate the year of the data used to answer question B91:

2018

Please indicate the source of the data used to answer question B91:

Please briefly describe the trend in the prices of tobacco products in the past two years or since submission of your last report in your jurisdiction.

Please attach the relevant documentation.

C1. GENERAL OBLIGATIONS

With reference to Article 5

Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

Yes ✓

Have you established or reinforced and financed:

a focal point for tobacco control?	Yes
a tobacco control unit?	Yes
a national coordinating mechanism for tobacco control?	Yes

Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

Le tabac est une domaine intégré dans la Comité de Coordination de l'Alcool et d'autres Drogues (responsable de la mise en œuvre des politiques et des stratégies concernant l'alcool e les drogues) Le Point Focal relève de cette Comité

Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (*General obligations*) in the past two years or since submission of your last report.

Nous navons pas encore présentés aucun rapport. Point focal pour le control du tabac au sein du Ministère de la santé Nous avons déjà un plan national stratégique multisectoriel homologué, sur lequel on a déjà commencé à travailler. Commission National multisectoriel mise en place e a fonctionner. Revision de la loi du tabac. On attend une nouvelle loi qui est déjà approuvée dans le conseil de ministre et doit être prête souvain.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

Yes ✓

ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

No ✗

If you answered “Yes” to any of the questions under C121 or C122, please provide details in the space below (specifically, please refer, if relevant, to whether your government or any of its departments 1) have raised awareness on tobacco industry tactics and the need to prevent interference by the tobacco industry with decision making; 2) have avoided entering into any partnerships or voluntary agreements with the tobacco industry; 3) have established any measures to limit interaction of public officials with the tobacco industry, including in the form of a code of conduct; 4) have not granted any incentives, privileges, benefits or preferential tax exemptions to the tobacco industry to establish or run their business; etc.).

Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

Ce rapport est le premier du

Cap-Vert Le décret-loi n ° 46/2007 du 10 Décembre 2007, publié au Journal Officiel n °. 45 - Série I 10 Décembre, ADOPTE LE CODE DE LA PUBLICITÉ, que interdit toute forme de publicité, de promotion et de parrainage du tabac; Le décret-loi n ° 4/2010: 3 Juin BO n °. 21 - Série I 3 Juin 2010 - a approuvé le code des douanes et définit les crimes de contrebande et de limpôt.

Have you utilized the “Guidelines for implementation of Article 5.3 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

Packaging and labelling of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?

Yes ✓

requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

No ✗

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?

Yes ✓

ensuring that the health warnings are approved by the competent national authority?

No ✗

ensuring that the health warnings are rotated?

No ✗

ensuring that the health warnings are clear, visible and legible?

Yes ✓

Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?

No ✗

ensuring that the health warnings occupy no less than 30% of the principal display areas?

No ✗

ensuring that the health warnings occupy 50% or more of the principal display areas?

No ✗

ensuring that health warnings are in the form of, or include, pictures or pictograms?

No ✗

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant:

constituents of tobacco products?	No
emissions of tobacco products?	Yes

requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

Yes ✓

Please provide a brief description of the progress made in implementing Article 11 (*Packaging and labelling of tobacco products*) in the past two years or since submission of your last report.

Regarding this item, there were no significant advances, only what the new law will bring.

Have you utilized the “Guidelines for implementation of Article 11 of the WHO FCTC” when developing or implementing policies in this area?

No ✗

If you have any other relevant information pertaining to or not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Education, communication, training and public awareness

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

educational and public awareness programmes? (*Please refer to programmes implemented since submission of your two-year report.*)

Yes ✓

To whom are these programmes targeted?

- adults or the general public
- children and young people
- men
- women
- pregnant women
- ethnic groups
- other (please specify)
- Other

Do you reflect the following key differences among targeted population groups in educational and public awareness programmes?

- age
 - gender
 - educational background
 - cultural background
 - socioeconomic status
 - other (please specify)
 - Other
-

Do these educational and public awareness programmes cover:

- health risks of tobacco consumption?
 - health risks of exposure to tobacco smoke?
 - benefits of the cessation of tobacco use and tobacco-free lifestyles?
 - adverse economic consequences of tobacco production?
 - adverse economic consequences of tobacco consumption?
 - adverse environmental consequences of tobacco production?
 - adverse environmental consequences of tobacco consumption?
-

awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control:

- public agencies?
 - nongovernmental organizations not affiliated with the tobacco industry?
 - private organizations?
 - other (please specify)?
 - religieux Other
-

Are the elaboration, management and implementation of communication, education, training and public awareness programmes guided by research and do they undergo pre-testing, monitoring and evaluation?

No ✘

Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to:

- health workers?
- community workers?
- social workers?
- media professionals?
- educators?
- decision-makers?
- administrators?
- other (please specify)
- Other

Please provide a brief description of the progress made in implementing Article 12 (*Education, communication, training and public awareness*) in the past two years or since submission of your last report.

La participation des différents secteurs au cours des deux dernières années

Have you utilized the “Guidelines for implementation of Article 12 of the WHO FCTC” when developing and implementing policies in this area?

Yes ✓

If you answered “Yes” to question C269 please provide details in the space below or refer to section E of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token=5zp723zcarp554n&lang=en> (<https://extranet.who.int/dataform/655321?token=5zp723zcarp554n&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Demand reduction measures concerning tobacco dependence and cessation

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

developing and disseminating appropriate, comprehensive and integrated guidelines based on scientific evidence and best practices?

Yes ✓

programmes to promote cessation of tobacco use, including:

- media campaigns emphasizing the importance of quitting?
programmes specially designed for underage girls and young women?
programmes specially designed for women?
programmes specially designed for pregnant women?
telephone quitlines?
 - local events, such as activities related to World No Tobacco Day or National No Smoking Day, if appropriate?
other (please specify)?
Other
-

design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as:

- educational institutions?
- health-care facilities?
- workplaces?
- sporting environments?
- other (please specify)?
- Other

inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for:

- tobacco control?
- health?
- education?

inclusion of programmes on the diagnosis and treatment of tobacco dependence in your health-care system?

No ✘

training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools:

- medical?
- dental?
- nursing?
- pharmacy?
- Other

facilitating accessibility and/or affordability of pharmaceutical products for the treatment of tobacco dependence?

No ✘

Please provide a brief description of the progress made in implementing Article 14 (*Demand reduction measures concerning tobacco dependence and cessation*) in the past two years or since submission of your last report.

Formation et
sensibilisation de l'abandon de l'utilisation

Have you utilized the "Guidelines for implementation of Article 14 of the WHO FCTC" when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

C3. MEASURES RELATING TO THE REDUCTION OF THE SUPPLY OF TOBACCO

With reference to Articles 15–17

Illicit trade in tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining the origin of the product?

Yes ✓

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining whether the product is legally sold on the domestic market?

Yes ✓

requiring that unit packets and packages of tobacco products for retail and wholesale use that are sold on the domestic market carry the statement: “Sales only allowed in ...” or carry any other effective marking indicating the final destination of the product?

Yes ✓

developing a practical tracking and tracing regime that would further secure the distribution system and assist in the investigation of illicit trade?

No ✗

requiring that marking is presented in legible form and/or appears in the principal language or languages of the country?

Yes ✓

requiring the monitoring and collection of data on cross-border trade in tobacco products, including illicit trade?

No ✗

facilitating the exchange of this information among customs, tax and other authorities, as appropriate, and in accordance with national law and applicable bilateral and multilateral agreements?

Yes ✓

enacting or strengthening legislation, with appropriate penalties and remedies, against illicit trade in tobacco products, including counterfeit and contraband cigarettes?

Yes ✓

requiring that confiscated manufacturing equipment, counterfeit and contraband cigarettes and other tobacco products derived from illicit trade are destroyed, using environment-friendly methods where possible, or disposed of in accordance with national law?

Yes ✓

adopting and implementing measures to monitor, document and control the storage and distribution of tobacco products held or moving under suspension of taxes or duties?

No ✗

enabling the confiscation of proceeds derived from illicit trade in tobacco products?

Yes ✓

promoting cooperation between national agencies and relevant regional and international intergovernmental organizations in investigations, prosecutions and proceedings, with a view to eliminating illicit trade in tobacco products, with special emphasis on cooperation at regional and subregional levels?

No ✗

licensing or other actions to control or regulate production and distribution in order to prevent illicit trade?

Yes ✓

Please provide a brief description of the progress made in implementing Article 15 (*Illicit trade in tobacco products*) in the past two years or since submission of your last report.

Cabo Verde fait

partie des pays qui ont ratifié le protocole pour éliminer le commerce illicite.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Sales to and by minors

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

prohibiting the sales of tobacco products to minors?

Yes ✓

Please specify the legal age:

18

requiring that all sellers of tobacco products place a clear and prominent indicator inside their point of sale about the prohibition of tobacco sales to minors?

Yes ✓

requiring that, in case of doubt, each seller of tobacco products requests that the purchaser provides appropriate evidence of having reached full legal age?

Yes ✓

banning the sale of tobacco products in any manner by which they are directly accessible, such as open store shelves?

No ✗

prohibiting the manufacture and sale of sweets, snacks, toys or any other objects in the form of tobacco products which appeal to minors?

No ✗

prohibiting the sale of tobacco products from vending machines?

No ✗

Do you ensure that tobacco vending machines are not accessible to minors and/or do not promote the sale of tobacco products to minors?

Yes ✓

prohibiting and/or promoting the prohibition of the distribution of free tobacco products:

to the public?

to minors?

prohibiting the sale of cigarettes individually or in small packets?

Yes ✓

providing for penalties against sellers and distributors in order to ensure compliance?

Yes ✓

prohibiting the sales of tobacco products by minors?

Yes ✓

Please provide a brief description of the progress made in implementing Article 16 (*Sales to and by minors*) in the past two years or since submission of your last report.

The new legislation will prohibit any sale or purchase, by and for children under eighteen. Sales of electronic products and devices for smoking through automatic vending machines will be prohibited.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Provision of support for economically viable alternative activities

Have you adopted and implemented, where appropriate, measures or programmes on any of the following:

promoting economically viable and sustainable alternatives for:

tobacco growers?	No
tobacco workers?	Not applicable
tobacco individual sellers?	Not applicable

Please provide a brief description of the progress made in implementing Article 17 (*Provision of support for economically viable alternative activities*) in the past two years or since submission of your last report.

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

C4. OTHER MEASURES AND POLICIES

With reference to Articles 18–21

Protection of the environment and the health of persons

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

implementing measures in respect of tobacco cultivation within your territory, which take into consideration:

the protection of the environment?	Not applicable
the health of persons in relation to the environment?	Not applicable

implementing measures in respect of tobacco manufacturing within your territory, which take into consideration:

the protection of the environment?	Not applicable
the health of persons in relation to the environment?	Not applicable

Please provide a brief description of the progress made in implementing Article 18 (*Protection of the environment and the health of persons*) in the past two years or since submission of your last report.

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Liability

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

Does your tobacco control legislation contain measures regarding criminal liability for any violations of that tobacco control legislation?

Yes

Do you have separate criminal liability provisions in relation to tobacco control (outside of the tobacco control legislation)?

Yes

Do you have any civil liability measures that are specific to tobacco control?

Yes

Do you have any general civil liability provisions that could apply to tobacco control?

Yes

Do you have civil or criminal liability provisions that provide for compensation for adverse health effects and/or for reimbursement of medical, social or other relevant costs?

No

Has any person in your jurisdiction launched any criminal and/or civil liability action, including compensation where appropriate, against any tobacco company in relation to any adverse health effect caused by tobacco use?

No

Have you taken, as appropriate, any legislative, executive, administrative and/or other action against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use in your jurisdiction?

No

Please provide a brief description of any progress made, as appropriate, in implementing Article 19 (*Liability*) in the past two years or since submission of your last report.

There has been no significant progress

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Research, surveillance and exchange of information

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

developing and/or promoting research that addresses:

- determinants of tobacco consumption?
- consequences of tobacco consumption?
- social and economic indicators related to tobacco consumption?
- tobacco use among women, with special regard to pregnant women?
- the determinants and consequences of exposure to tobacco smoke?
- identification of effective programmes for the treatment of tobacco dependence?
- identification of alternative livelihoods?
- Other

training and support for all persons engaged in tobacco control activities, including research, implementation and evaluation?

Yes ✓

a national system for epidemiological surveillance of:

- patterns of tobacco consumption?
 - determinants of tobacco consumption?
 - consequences of tobacco consumption?
 - social, economic and health indicators related to tobacco consumption?
 - exposure to tobacco smoke?
 - 2007 Other
-

Please list all surveys, including the year of the survey, that you have undertaken in the past.

SPEPS

Does your country have any plans to repeat any of the above or to undertake a new tobacco survey within three to five years of your last survey? Please provide details in the space below.

Il est prévu un nouveau étude STEPS em 2018

regional and global exchange of publicly available national:

- scientific, technical, socioeconomic, commercial and legal information?
 - information on the practices of the tobacco industry?
 - information on the cultivation of tobacco?
-

an updated database of:

- laws and regulations on tobacco control?
 - information about the enforcement of laws on tobacco control?
 - pertinent jurisprudence?
-

Please provide a brief description of the progress made in implementing Article 20 (*Research, surveillance and exchange of information*) in the past two years or since submission of your last report.

Cape Verde is working on creating a surveillance and monitoring system for the tobacco epidemic on the platform of the national observatory.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether you included information on WHO FCTC implementation in your Voluntary National Review (VNR) on the Sustainable Development Goals (SDGs), related to target 3.a).

Please attach the relevant documentation.

D. INTERNATIONAL COOPERATION AND ASSISTANCE

Pursuant to Article 21.1(c) and in accordance with Article 26, have you either provided or received financial or technical assistance (be it through unilateral, bilateral, regional, sub-regional or other multilateral channels, including relevant regional and international intergovernmental or nongovernmental organizations and financial and development institutions) for the development and strengthening of multisectoral, comprehensive tobacco control programmes of developing country Parties and Parties with economies in transition in any of the following areas:

development, transfer and acquisition of technology, knowledge, skills, capacity and expertise related to tobacco control?

Assistance provided	No
