End date	March (3)	2019 (20)

B1. TOBACCO CONSUMPTION

Prevalence of tobacco use

Smoking prevalence in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)

Current smokers

	Prevalence (%) (please include all smoking tobacco products in preva- lence data)	Average number of the most-con- sumed smoking tobacco product used per day
MALE	32.9	
FEMALE	2.4	
TOTAL (males and females)	16.9	

Daily smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)	Average number of the most-consumed smoking tobacco product used per day
MALE	32.1	15.7
FEMALE	2.4	11.9
TOTAL (males and females)	16.5	15.4

Occasional smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)
MALE	0.8
FEMALE	0
TOTAL (males and females)	0.4

Former smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)
MALE	1.6
FEMALE	0.1
TOTAL (males and females)	0.8

Never smokers

Prevalence (%)
(please include all smoking tobacco products in prevalence data)

MALE	65.5
FEMALE	97.4
TOTAL (males and females)	82.3

Please indicate the smoking tobacco products included in calculating prevalence for question B11:

cigarette products.

Please indicate the age range to which the data used to answer question B11 refer:

	From	To
Age range	15	99

Please indicate the year of the data used to answer question B11:

2014

Please indicate the source of the data used to answer question B11:

Report on National Adult Tobacco Survey of Cambodia 2014, NATIONAL INSTITUTE OF STATISTICS, MINISTRY OF PLANNING, Cambodia

Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report.

Current smoker	Number of current daily and less than daily tobacco smokers divided by total number of respondents.
Daily smoker	Number of current daily tobacco smokers divided by total number of respondents.
Occasional smoker	N/A
Former smoker	Number of ever tobacco smokers who currently do not smoke tobacco divided by total number of ever tobacco smokers.
Never smoker	N/A

Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.

Overall, tobacco smoking prevalence use has declined from year 2011 to 2014. Tobacco smoking (16.9% in year 2014 vs 19.5% in year 2011).

Smoking prevalence in the adult population (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

	Range - start age	Range - end age	Prevalence (%) (please include all smoking tobacco products in prevalence data)
MALES - current smokers ¹	15	17	
MALES - current smokers ¹	18	24	10
MALES - current smokers ¹	25	44	32
MALES - current smokers ¹	45	64	49
MALES - current smokers ¹	65	99	48
FEMALES - current smokers ¹	15	17	
FEMALES - current smokers ¹	18	24	0
FEMALES - current smokers ¹	25	44	2
FEMALES - current smokers ¹	45	64	4
FEMALES - current smokers ¹	65	99	4

Please indicate the smoking tobacco products included in calculating prevalence for question B12:

Smoking manufactured cigarette, hand-rolled and others.

Please indicate the year of the data used to answer question B12:

2014

Please indicate the source of the data used to answer question B12:

Report on National Adult Tobacco Survey of Cambodia 2014, NATIONAL INSTITUTE OF STATISTICS, MINISTRY OF PLANNING, Cambodia

Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

The prevalence of current

tobacco smoking has been decreased in all age groups from year 2011 to 2014.

Prevalence of smokeless tobacco use in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18–64 years; see B132)

Males

	Prevalence (%) (please include all smokeless tobacco products in prevalence data)
Current users	0.8
Daily users	0.7
Never users	99.2

Females

	Prevalence (%) (please include all smokeless tobacco products in prevalence data)
Current users	8.6
Daily users	8.4
Never users	91.3

TOTAL (males and females)

Prevalence (%)
(please include all smokeless tobacco products in prevalence data)

Current users	4.9
Daily users	4.8
Never users	95.1

Please indicate the smokeless tobacco products included in calculating prevalence for question B13:

Chewing tobacco product

Please indicate the age range to which the data used to answer question B13 refer:

	From	To
Age range	15	99

Please indicate the year of the data used to answer question B13:

2014

Please indicate the source of the data used to answer question B13:

Report on National Adult Tobacco Survey of Cambodia 2014, NATIONAL INSTITUTE OF STATISTICS, MINISTRY OF PLANNING, Cambodia

Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below.

Current user	Number of current daily and less than daily smokeless tobacco users divided by total number of respondents.
Daily user	Number of current daily smokeless tobacco users divided by total number of respondents.
Occasional user	N/A
Former user	Number of ever daily smokeless tobacco users who currently do not use smokeless tobacco divided by total number of respondents.
Never user	N/A

Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.

The prevalence of smokeless tobacco use has been decreased in all age groups from year 2011 to 2014.

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

	Range - start age	Range - end age	Prevalence (%) (please include all smoking to- bacco products in prevalence data)
MALES - current smokers ²	15	17	
MALES - current smokers ²	18	24	
MALES - current smokers ²	25	44	
MALES - current smokers ²	45	64	2

TOTAL (males and females) - current smokers ²	18	24	0
TOTAL (males and females) - current smokers ²	25	44	2
TOTAL (males and females) - current smokers ²	45	64	9

TOTAL (males and females) - current smokers ²	65	99	20
----------------------------------------------------------	----	----	----

Please indicate the smokeless tobacco products included in the answer to question B14:
Chewing tobacco product

Please indicate the year of the data used to answer question B14:
2014

Please indicate the source of the data used to answer question B14:
Report on National Adult Tobacco Survey of Cambodia 2014, NATIONAL INSTITUTE OF STATISTICS, MINISTRY OF PLANNING, Cambodia

Please provide a brief explanation of the trend in current use of smokeless tobacco by adult age groups in the past two years or since submission of your last report.
The prevalence of current use of smokeless tobacco have been decreased in all age groups.

Tobacco use by ethnic group(s)

(please include all smoking or smokeless tobacco products in prevalence data)

Ethnic group(s)	MALES - Prevalence (%)	FEMALES - Prevalence (%)	TOTAL (males and females) - Prevalence (%)
-----------------	------------------------	--------------------------	--------------------------------------------

Please indicate the tobacco products included in the answer to question B15:

Please indicate the age range to which the data used to answer question B15 refer:

From To

Please indicate the year of the data used to answer question B15:

Please indicate the source of the data used to answer question B15:

Tobacco use by young persons

(please include all smoking or smokeless tobacco products in prevalence data)

	Age range	SMOKING TO-BACCO - Prevalence (%)	SMOKELESS TO-BACCO - Prevalence (%)	WATER PIPE - Prevalence (%)
BOYS - Current users ⁴	13-15	1.8	1.3	4
GIRLS - Current users ⁴	13-15	1.2	0.8	3.7
TOTAL (boys and girls) - Current users ⁴	13-15	1.5	1.0	3.8

Please indicate the tobacco products included in calculating prevalence for question B16:
Smoking cigarette, electronic nicotine delivery system shisha smoking and chewing tobacco products.

Please indicate the year of the data used to answer question B16:
2016

Please indicate the source of the data used to answer question B16:
Cambodia 2016 Global Youth Tobacco Survey

Please provide the definition of "current smoking/tobacco use" used to answer question B16 in the space below.

Smoke/use any tobacco products during last 30 days.

Please provide a brief explanation of the trend in tobacco use by young persons in the past two years or since submission of your last report.

The trend in tobacco use among young person aged 13 to 15 years decreased from 5.1% in year 2003 to 2.4% in year 2016.

Please attach the relevant documentation.

Use of novel and emerging tobacco and nicotine products

Age range	Heated tobacco products (HTPs) - Prevalence (%)	Electronic Nicotine Delivery Systems (ENDS) - Prevalence (%)	Electronic Non-Nicotine Delivery Systems (ENNDS) - Prevalence (%)	Other products - Prevalence (%)
-----------	-------------------------------------------------	--------------------------------------------------------------	-------------------------------------------------------------------	---------------------------------

B2-B9. HEALTH, SOCIAL AND ECONOMIC INDICATORS

Exposure to tobacco smoke

Do you have any data on exposure to tobacco smoke in your population?

Yes ✓

Please provide details in the space below (e.g. exposure by gender, at home, in the workplace, on public transport).

Exposure by gender at home: Male: 69.5%, Female: 62.1%, Total: 65.6%

Exposure by gender at enclosed workplaces: Male: 50.8%, Female: 44.9%, Total:

48% Exposure by gender at public places: 1. Government building: Male: 53.2%,

Female: 43.9%, Total: 49.4% 2. Health facilities: Male: 23.2%, Female: 20.3%,

Total: 21.6% 3. Restaurants: Male: 78.3%, Female: 73%, Total: 75.8% 4.

Public Transport: Male: 35.7%, Female: 31.5%, Total: 33.6%

Please indicate the year of the data used to answer question B21:

2016

Please indicate the source of the data used to answer question B21:

National Adult Tobacco Survey of Cambodia 2014

Please attach the relevant documentation.

Tobacco-related mortality

Do you have information on tobacco-related mortality in your population?

No ✘

If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.

Please indicate the year of the data used to answer question B32 and 33:

Please indicate the source of the data used to answer questions B32 and B33:

d

Please submit a copy of the study you refer to:

Tobacco-related costs

Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?

Yes ✔

Please provide details (e.g. direct (health care-related) and indirect costs and, if possible, the method used to estimate these costs).

Cambodian tobacco users spent an estimated USD 201,534,701 on tobacco annually in 2014. The costs attributable to health damage due to smoking reached USD 162.7 million in 2013.

Please indicate the year of the data used to answer question B42:

2014

Please indicate the source of the data used to answer question B42:

National Adult Tobacco Survey of Cambodia 2014 and Report on Health Costs Associated with Active Tobacco Use in 2013

Please submit a copy of the study you refer to:

Supply of tobacco and tobacco products

(with reference to Articles 6.2(b), 20.4(c), and 15.5)

Licit supply of tobacco products

	Product	Unit (e.g. pieces, tonnes)	Domestic production	Retail sales	Exports	Imports
	N/A	N/A	N/A	N/A	N/A	N/A
	Smoking tobacco products					

Please provide information on the volumes of duty-free sales (e.g. product, unit, quantity), if available.

N/A

Please indicate the year of the data used to answer question B51 and 52:

Please indicate the source of the data used to answer questions B51 and B52:

N/A

Please attach the relevant documentation.

Seizures of illicit tobacco products

(with reference to Article 15.5)

Seizures of illicit tobacco

	Year	Product	Unit (e.g. pieces, tonnes)	Quantity seized
	N/A	N/A	N/A	N/A
		Smoking tobacco products		

Do you have any information on the percentage of illicit tobacco products on the national tobacco market?

No ✘

Please provide any further information on illicit tobacco products.

N/A

Please indicate the source of the data used to answer questions in section B6:

N/A

Please attach the relevant documentation.

Tobacco-growing

Is there any tobacco-growing in your jurisdiction?

Yes ✓

Please provide information on the number of workers involved in tobacco-growing. If available, please provide this figure broken down by gender.

No information on
magnitude tobacco-growing.

Please provide, if available, the share of the value of tobacco leaf production in the national gross domestic product.

N/A

Please indicate the year of the data used to answer questions in section B7:

Please indicate the source of the data used to answer questions in section B7:

N/A

Please attach the relevant documentation.

Taxation of tobacco products

(with reference to Articles 6.2(a) and 6.3)

What proportion of the retail price of the most popular price category of tobacco product consists of taxes (e.g. sum of excise, sales and import duties (if applicable) and value added tax/goods and services tax (VAT/GST))?

31

How are the excise taxes levied (what types of taxes are levied)?

Specific tax only	No
Ad valorem tax only	Yes
Combination of specific and ad valorem taxes	No
More complex structure (please explain below)	

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties)

	Product	Type of tax	Rate or amount	Base of tax ⁵
	Smoking tobacco products	N/A	N/A	N/A

Please briefly describe the trends in taxation for tobacco products in the past two years or since submission of your last report in your jurisdiction.

Taxation of tobacco retail price has been increased from 22% - 28% in 2014 to 25% - 31.1% in 2016.

Do you earmark any percentage of your taxation income for funding any national plan or strategy on tobacco control in your jurisdiction?

No ✕

Please indicate the year of the data used to answer questions B81 to B86:

2016

Please indicate the source of the data used to answer questions B81 to B86:

General Department of Taxation of Ministry of Economy and Finances

Please attach the relevant documentation.

Price of tobacco products

(with reference to Articles 6.2(a))

Domestic

Please provide the retail prices of the three most widely sold brands of domestic tobacco products at the most widely used point of sale in your capital city.

	Name of the most widely sold brands	Number of units or amount per package	Retail price	Currency
Smoking tobacco products	N/A	N/A	N/A	N/A

Imported

Please provide the retail prices of the three most widely sold brands of imported tobacco products at the most widely used point of sale in your capital city.

	Name of the most widely sold brands	Number of units or amount per package	Retail price	Currency
Smoking tobacco products	N/A	N/A	N/A	N/A

Please indicate the year of the data used to answer question B91:

Please indicate the source of the data used to answer question B91:

N/A

Please briefly describe the trend in the prices of tobacco products in the past two years or since submission of your last report in your jurisdiction.

The prices of tobacco products have been increased.

Please attach the relevant documentation.

C1. GENERAL OBLIGATIONS

With reference to Article 5

Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

Yes ✓

Have you established or reinforced and financed:

a focal point for tobacco control?	Yes
a tobacco control unit?	Yes
a national coordinating mechanism for tobacco control?	Yes

Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (*General obligations*) in the past two years or since submission of your last report.

Implementation and enforcement of the law on Tobacco Control and its regulations at national and provincial levels.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

Yes ✓

ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

Yes ✓

If you answered “Yes” to any of the questions under C121 or C122, please provide details in the space below (specifically, please refer, if relevant, to whether your government or any of its departments 1) have raised awareness on tobacco industry tactics and the need to prevent interference by the tobacco industry with decision making; 2) have avoided entering into any partnerships or voluntary agreements with the tobacco industry; 3) have established any measures to limit interaction of public officials with the tobacco industry, including in the form of a code of conduct; 4) have not granted any incentives, privileges, benefits or preferential tax exemptions to the tobacco industry to establish or run their business; etc.).

Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

Provided training on FCTC

article 5.3 for 490 Tobacco Inspection Officers and disseminate FCTC article 5.3 through dissemination workshop on Tobacco Control law at provincial levels including local authorities.

Have you utilized the “Guidelines for implementation of Article 5.3 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

Please provide details in the space below or refer to section I of the additional questionnaire. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/dataform/655321?token=aP-B3iDIBTwASA3U&lang=en> (<https://extranet.who.int/dataform/655321?token=aP-B3iDIBTwASA3U&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

No comment	File type "pdf"
FCTC article 5.3 presentation and photos	File type "pdf"

C2. MEASURES RELATING TO THE REDUCTION OF DEMAND FOR TOBACCO

With reference to Articles 6–14

Price and tax measures to reduce the demand for tobacco

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

tax policies and, where appropriate, price policies on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption?

Yes ✓

prohibiting or restricting, as appropriate, sales to international travellers of tax- and duty-free tobacco products?

No ✗

prohibiting or restricting, as appropriate, imports by international travellers of tax- and duty-free tobacco products?

Yes ✓

Please provide a brief description of the progress made in implementing Article 6 (*Price and tax measures to reduce the demand for tobacco*) in the past two years or since submission of your last report.

Establishment of Tobacco Tax Stamp

Joint Working Group to inspect the new tax stamp duty on cigarettes on 25 July 2018. MEF conducted monitoring and observation on cigarette/tobacco that affixed the old and new tax stamp in six provinces and found many of Chinese branded cigarettes in the market in these six provinces do not affix tobacco tax stamp and GDT submitted the finding to senior management of GDT, MEF for further action. Up to date 85 Tax Officers from various provinces in Cambodia gained knowledge and skill on Guidelines for implementation of article 6 of the WHO FCTC.

Have you utilized the “Guidelines for implementation of Article 6 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

If you answered “Yes” to question C215 please provide details in the space below or refer to section H of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/data-form/655321?token=aPB3iDIBTwASA3U&lang=en> (<https://extranet.who.int/data-form/655321?token=aPB3iDIBTwASA3U&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Protection from exposure to tobacco smoke

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?

Yes ✓

What is the type/nature of the measure providing for the ban?

national law Yes

subnational law(s)

administrative and executive orders

voluntary agreements

other measures (please specify in C223 below)

Please provide a brief explanation of the type/nature and content of the measures providing for the ban.

Royal Government of

Cambodia Sub Decree on the Measures for banning the smoke of tobacco products or blowing the smoke of tobacco products at work places and public places

Do any of these measures provide for a mechanism/ infrastructure for enforcement?

Yes ✓

Please provide details of this system.

490

Tobacco Inspection Officers at the National and 25 provinces for enforcement of Tobacco Control law.

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Indoor workplaces:

government buildings	Complete
health-care facilities	Complete
educational facilities ⁶	Complete
universities	Complete
private workplaces	Complete
other (please specify below)	Complete

Please provide a brief explanation of any "other" policies in the space below

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Public transport:

airplanes	Complete
trains	Complete
ferries	Complete
ground public transport (buses, trolleybuses, trams)	Complete
motor vehicles used as places of work (taxis, ambulances, delivery vehicles)	Complete
private vehicles	None
other (please specify below)	Complete

Please provide a brief explanation of any "other" policies in the space below

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Indoor public places:

cultural facilities	Complete
shopping malls	Complete
pubs and bars	Complete
nightclubs	Complete
restaurants	Complete
other (please specify below)	Complete

Please provide a brief explanation of any "other" policies in the space below

Please provide a brief summary of complete and partial measures, with specific details of the partial measures that have been implemented:

Banning tobacco smoking in indoor workplaces

Yes,

Banning tobacco smoking in public transport

Yes,

Banning tobacco smoking in indoor public places

Yes,

Please provide a brief description of the progress made in implementing Article 8 (*Protection from exposure to tobacco smoke*) in the past two years or since submission of your last report.

Yes,

Have you utilized the "Guidelines for implementation of Article 8 of the WHO FCTC" when developing or implementing policies in this area?

Yes ✓

If you answered "Yes" to question C229 please provide details in the space below or refer to section B of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/dataform/655321?token=aPB3iDIBTwASA3U&lang=en> (<https://extranet.who.int/dataform/655321?token=aPB3iDIBTwASA3U&lang=en>)

Regulation of the contents of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

testing and measuring the contents of tobacco products?

No ✘

testing and measuring the emissions of tobacco products?

No ✘

regulating the contents of tobacco products?

No ✘

regulating the emissions of tobacco products?

No ✘

Please provide a brief description of the progress made in implementing Article 9 (*Regulation of the contents of tobacco products*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g., whether your country 1) has incorporated product regulation in the national tobacco control legislation; 2) has access to either governmental or independent – not owned or controlled by the tobacco industry – laboratories for testing contents and/or emissions of tobacco products; 3) has regulated ingredients, such as flavours (e.g. menthol); 4) has regulated product characteristics, such as design features (e.g., cigarette ventilation); etc.).

Please attach the relevant documentation.

Regulation of tobacco product disclosures

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the:

contents of tobacco products?	No
emissions of tobacco products?	No

requiring public disclosure of information about the:

contents of tobacco products?	No
emissions of tobacco products?	No

Please provide a brief description of the progress made in implementing Article 10 (*Regulation of tobacco product disclosures*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether your country has incorporated tobacco product disclosures in the national tobacco control legislation; has regulated the public disclosure of toxic constituents and emissions of tobacco products, aiming to raise public awareness and advance tobacco control policy; etc.).

Please attach the relevant documentation.

Packaging and labelling of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?

Yes ✔

requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

Yes ✔

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?

Yes ✔

ensuring that the health warnings are approved by the competent national authority?

Yes ✔

ensuring that the health warnings are rotated?

Yes ✔

ensuring that the health warnings are clear, visible and legible?

Yes ✔

Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?

Yes ✓

ensuring that the health warnings occupy no less than 30% of the principal display areas?

Yes ✓

ensuring that the health warnings occupy 50% or more of the principal display areas?

Yes ✓

ensuring that health warnings are in the form of, or include, pictures or pictograms?

Yes ✓

Does the Government own the copyright to these pictures and pictograms?

Yes ✓

Would you grant a non-exclusive and royalty-free licence for the use of health warnings developed in your jurisdiction with other Parties?

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant:

constituents of tobacco products?	Yes
emissions of tobacco products?	Yes

requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

Yes ✓

Please provide a brief description of the progress made in implementing Article 11 (*Packaging and labelling of tobacco products*) in the past two years or since submission of your last report.

Training of 490 Tobacco Inspection Officers to conduct monitoring and enforcement of Pictorial Health Warning Sub Decree. Workshops provided to local authorities.

Have you utilized the “Guidelines for implementation of Article 11 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

If you answered “Yes” to question C2516 please provide details in the space below or refer to section D of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/data-form/655321?token=aPB3iDIBTwASA3U&lang=en> (<https://extranet.who.int/data-form/655321?token=aPB3iDIBTwASA3U&lang=en>)

If you have any other relevant information pertaining to or not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Education, communication, training and public awareness

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

educational and public awareness programmes? (*Please refer to programmes implemented since submission of your two-year report.*)

Yes ✓

To whom are these programmes targeted?

- adults or the general public
- children and young people
- men
- women
- pregnant women
- ethnic groups
- other (please specify)
- Other

Do you reflect the following key differences among targeted population groups in educational and public awareness programmes?

- age
 - gender
 - educational background
 - cultural background
 - socioeconomic status
 - other (please specify)
 - Other
-

Do these educational and public awareness programmes cover:

- health risks of tobacco consumption?
- health risks of exposure to tobacco smoke?
- benefits of the cessation of tobacco use and tobacco-free lifestyles?
- adverse economic consequences of tobacco production?
- adverse economic consequences of tobacco consumption?
- adverse environmental consequences of tobacco production?
- adverse environmental consequences of tobacco consumption?

awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control:

- public agencies?
- nongovernmental organizations not affiliated with the tobacco industry?
- private organizations?
- other (please specify)?
- Other

Are the elaboration, management and implementation of communication, education, training and public awareness programmes guided by research and do they undergo pre-testing, monitoring and evaluation?

Yes ✓

Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to:

- health workers?
 - community workers?
 - social workers?
 - media professionals?
 - educators?
 - decision-makers?
 - administrators?
 - other (please specify)
 - Other
-

Please provide a brief description of the progress made in implementing Article 12 (*Education, communication, training and public awareness*) in the past two years or since submission of your last report.

Conducted six Training of Trainers (ToT) on Tobacco Cessation, Counseling including brief tobacco interventions with 150 health professionals gained knowledge and skills on seven steps to quit smoking and 5A & 5R in delivering brief tobacco interventions. The trained health professionals will then assist and provide brief tobacco cessation intervention to smokers at their work places and community to quit smoking and promote smoke-free health centers and health facilities in supporting for the implementation and enforcement of the Sub Decree on Smoke-Free Environment. cooperating with other Parties in the development of technologies and other means necessary to facilitate the elimination of cross-border advertising?

Yes ✓

imposing penalties for cross-border advertising equal to those applicable to domestic advertising, promotion and sponsorship originating from your territory in accordance with national law?

Yes ✓

Please provide a brief description of the progress made in implementing Article 13 (*Tobacco advertising, promotion and sponsorship*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Article 13 of the WHO FCTC” when developing and implementing policies in this area?

Yes ✓

If you answered "Yes" to question C2715 please provide details in the space below or refer to section F of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token=aPB3iDIBTwASA3U&lang=en> (<https://extranet.who.int/dataform/655321?token=aPB3iDIBTwASA3U&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Demand reduction measures concerning tobacco dependence and cessation

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

developing and disseminating appropriate, comprehensive and integrated guidelines based on scientific evidence and best practices?

Yes ✓

programmes to promote cessation of tobacco use, including:

media campaigns emphasizing the importance of quitting?

programmes specially designed for underage girls and young women?

programmes specially designed for women?

programmes specially designed for pregnant women?

telephone quitlines?

local events, such as activities related to World No Tobacco Day or National No Smoking Day, if appropriate?
other (please specify)?

Other

design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as:

- educational institutions?
- health-care facilities?
- workplaces?
- sporting environments?
- other (please specify)?
- Other

inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for:

- tobacco control?
- health?
- education?

inclusion of programmes on the diagnosis and treatment of tobacco dependence in your health-care system?

Yes ✓

Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence?

- primary health care
- secondary and tertiary health care
- specialist health-care systems (please specify below)
- specialized centres for cessation counselling and treatment of tobacco dependence
- rehabilitation centres
- Other

Are the services provided in these settings covered by public funding or reimbursement schemes?

primary health care	Fully
secondary and tertiary health care	Partially
specialist health-care systems (please specify below)	Partially
specialized centres for cessation counselling and treatment of tobacco dependence	Partially
rehabilitation centres	Partially
other (please specify below)	

Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services?

Health professionals including:

- physicians
- dentists
- family doctors
- practitioners of traditional medicine
- other medical professionals (please specify below)
- nurses
- midwives
- pharmacists
- Community workers
- Social workers
- other (please specify)
- Other

training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools:

- medical?
- dental?
- nursing?
- pharmacy?
- Other

facilitating accessibility and/or affordability of pharmaceutical products for the treatment of tobacco dependence?

Yes ✓

Where and how can these products be legally purchased in your country?

Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction?

nicotine replacement therapy
bupropion
varenicline
other (please specify)
Other

Are the costs of these products covered by public funding or reimbursement?

nicotine replacement therapy	None
bupropion	None
varenicline	None
other (please specify below)	None

Please provide a brief description of the progress made in implementing Article 14 (*Demand reduction measures concerning tobacco dependence and cessation*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Article 14 of the WHO FCTC” when developing and implementing policies in this area?

Yes ✓

Please provide details in the space below or refer to section G of the additional questionnaire. Response to this question or to the additional questionnaire is **voluntary**.
<https://extranet.who.int/dataform/655321?token=aPB3iDIBTwASA3U&lang=en>
(<https://extranet.who.int/dataform/655321?token=aPB3iDIBTwASA3U&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

C3. MEASURES RELATING TO THE REDUCTION OF THE SUPPLY OF TOBACCO

With reference to Articles 15–17

Illicit trade in tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining the origin of the product?

No ✘

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining whether the product is legally sold on the domestic market?

No ✘

requiring that unit packets and packages of tobacco products for retail and wholesale use that are sold on the domestic market carry the statement: "Sales only allowed in ..." or carry any other effective marking indicating the final destination of the product?

No ✘

developing a practical tracking and tracing regime that would further secure the distribution system and assist in the investigation of illicit trade?

No ✘

requiring that marking is presented in legible form and/or appears in the principal language or languages of the country?

Yes ✔

requiring the monitoring and collection of data on cross-border trade in tobacco products, including illicit trade?

No ✘

facilitating the exchange of this information among customs, tax and other authorities, as appropriate, and in accordance with national law and applicable bilateral and multilateral agreements?

No ✘

enacting or strengthening legislation, with appropriate penalties and remedies, against illicit trade in tobacco products, including counterfeit and contraband cigarettes?

Yes ✔

requiring that confiscated manufacturing equipment, counterfeit and contraband cigarettes and other tobacco products derived from illicit trade are destroyed, using environment-friendly methods where possible, or disposed of in accordance with national law?

Yes ✔

adopting and implementing measures to monitor, document and control the storage and distribution of tobacco products held or moving under suspension of taxes or duties?

No ✘

enabling the confiscation of proceeds derived from illicit trade in tobacco products?

Yes ✔

promoting cooperation between national agencies and relevant regional and international intergovernmental organizations in investigations, prosecutions and proceedings, with a view to eliminating illicit trade in tobacco products, with special emphasis on cooperation at regional and subregional levels?

No ✘

licensing or other actions to control or regulate production and distribution in order to prevent illicit trade?

No ✘

Please provide a brief description of the progress made in implementing Article 15 (*Illicit trade in tobacco products*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Sales to and by minors

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

prohibiting the sales of tobacco products to minors?

Yes ✔

Please specify the legal age:

18

requiring that all sellers of tobacco products place a clear and prominent indicator inside their point of sale about the prohibition of tobacco sales to minors?

requiring that, in case of doubt, each seller of tobacco products requests that the purchaser provides appropriate evidence of having reached full legal age?

banning the sale of tobacco products in any manner by which they are directly accessible, such as open store shelves?

Yes ✔

prohibiting the manufacture and sale of sweets, snacks, toys or any other objects in the form of tobacco products which appeal to minors?

Yes ✓

prohibiting the sale of tobacco products from vending machines?

Yes ✓

prohibiting and/or promoting the prohibition of the distribution of free tobacco products:

to the public?
 to minors?

prohibiting the sale of cigarettes individually or in small packets?

Yes ✓

providing for penalties against sellers and distributors in order to ensure compliance?

Yes ✓

prohibiting the sales of tobacco products by minors?

Yes ✓

Please provide a brief description of the progress made in implementing Article 16 (*Sales to and by minors*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Provision of support for economically viable alternative activities

Have you adopted and implemented, where appropriate, measures or programmes on any of the following:

promoting economically viable and sustainable alternatives for:

tobacco growers?	No
tobacco workers?	No
tobacco individual sellers?	No

Please provide a brief description of the progress made in implementing Article 17 (*Provision of support for economically viable alternative activities*) in the past two years or since submission of your last report.

No,

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

C4. OTHER MEASURES AND POLICIES

With reference to Articles 18–21

Protection of the environment and the health of persons

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

implementing measures in respect of tobacco cultivation within your territory, which take into consideration:

the protection of the environment?	Yes
the health of persons in relation to the environment?	Yes

implementing measures in respect of tobacco manufacturing within your territory, which take into consideration:

the protection of the environment?	Yes
the health of persons in relation to the environment?	Yes

Please provide a brief description of the progress made in implementing Article 18 (*Protection of the environment and the health of persons*) in the past two years or since submission of your last report.

Smoke-free implementation at national and local authorizes .

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

No

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Liability

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

Does your tobacco control legislation contain measures regarding criminal liability for any violations of that tobacco control legislation?

Yes

Do you have separate criminal liability provisions in relation to tobacco control (outside of the tobacco control legislation)?

Yes

Do you have any civil liability measures that are specific to tobacco control?

Yes

Do you have any general civil liability provisions that could apply to tobacco control?

Yes

Do you have civil or criminal liability provisions that provide for compensation for adverse health effects and/or for reimbursement of medical, social or other relevant costs?

Yes

Has any person in your jurisdiction launched any criminal and/or civil liability action, including compensation where appropriate, against any tobacco company in relation to any adverse health effect caused by tobacco use?

Yes

Have you taken, as appropriate, any legislative, executive, administrative and/or other action against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use in your jurisdiction?

Yes

Please provide a brief description of any progress made, as appropriate, in implementing Article 19 (*Liability*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Research, surveillance and exchange of information

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

developing and/or promoting research that addresses:

- determinants of tobacco consumption?
 - consequences of tobacco consumption?
 - social and economic indicators related to tobacco consumption?
 - tobacco use among women, with special regard to pregnant women?
 - the determinants and consequences of exposure to tobacco smoke?
 - identification of effective programmes for the treatment of tobacco dependence?
 - identification of alternative livelihoods?
- Other
-

training and support for all persons engaged in tobacco control activities, including re-search, implementation and evaluation?

Yes ✓

a national system for epidemiological surveillance of:

- patterns of tobacco consumption?
- determinants of tobacco consumption?
- consequences of tobacco consumption?
- social, economic and health indicators related to tobacco consumption?
- exposure to tobacco smoke?
- Other

Please list all surveys, including the year of the survey, that you have undertaken in the past.

Does your country have any plans to repeat any of the above or to undertake a new tobacco survey within three to five years of your last survey? Please provide details in the space below.

regional and global exchange of publicly available national:

- scientific, technical, socioeconomic, commercial and legal information?
- information on the practices of the tobacco industry?
- information on the cultivation of tobacco?

an updated database of:

- laws and regulations on tobacco control?
- information about the enforcement of laws on tobacco control?
- pertinent jurisprudence?

Please provide a brief description of the progress made in implementing Article 20 (*Research, surveillance and exchange of information*) in the past two years or since submission of your last report.

Tobacco Control Law and its regulations compliance survey had been conducted and key findings had been presented to Policy Makers and relevant stakeholders.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether you included information on WHO FCTC implementation in your Voluntary National Review (VNR) on the Sustainable Development Goals (SDGs), related to target 3.a).

Please attach the relevant documentation.

D. INTERNATIONAL COOPERATION AND ASSISTANCE

Pursuant to Article 21.1(c) and in accordance with Article 26, have you either provided or received financial or technical assistance (be it through unilateral, bilateral, regional, sub-regional or other multilateral channels, including relevant regional and international intergovernmental or nongovernmental organizations and financial and development institutions) for the development and strengthening of multisectoral, comprehensive tobacco control programmes of developing country Parties and Parties with economies in transition in any of the following areas:

development, transfer and acquisition of technology, knowledge, skills, capacity and expertise related to tobacco control?

Assistance provided	Yes
Assistance received	Yes

provision of technical, scientific, legal and other expertise to establish and strengthen national tobacco control strategies, plans and programmes?

Assistance provided	Yes
Assistance received	Yes

appropriate training or sensitization programmes for appropriate personnel in accordance with Article 12?

Assistance provided	Yes
Assistance received	Yes

provision of the necessary material, equipment and supplies, as well as logistic support, for tobacco control strategies, plans and programmes?

Assistance provided	Yes
Assistance received	Yes

identification of methods for tobacco control, including comprehensive treatment of nicotine addiction?

Assistance provided	No
Assistance received	No

promotion of research to increase the affordability of comprehensive treatment of nicotine addiction?

Assistance provided	No
Assistance received	No

Please identify the Party or Parties from which assistance was received or to which assistance was provided.

Receiving

technical and budget support from WHO FCTC 2030 project, WHO for the development and implementation of the Law on Tobacco Control, Sub Decrees and Prakas including promoting of SFE, TAPS ban, Pictorial Health Warning, awareness raising and prompting cessation activities.

Please provide information about any assistance provided or received in the space below, including any support received from nongovernmental organizations (please, specify).

The UNION

If you have not received or provided assistance in any of the aforementioned areas, please identify any financial or technical assistance that may be under consideration, if appropriate.

Have you encouraged relevant regional and international intergovernmental organizations and financial and development institutions in which you are represented to provide financial assistance for developing country Parties and for Parties with economies in transition to assist them in meeting their obligations under the Convention?

No ✘

E. PRIORITIES AND COMMENTS

What are the priorities for implementation of the WHO Framework Convention on Tobacco Control in your jurisdiction?

-National Tobacco Control Strategy and Development Planning (FCTC Art 5.1) -National Multisectoral Coordination for FCTC Implementation (FCTC Art 5.2a) -Legislation and Policy Environment for FCTC implementation (FCTC Art 5.2b) -Protection from tobacco industry interference (FCTC Art 5.3) with strengthened public sector integrity and transparency -Raising tobacco taxes and innovative financing for development (FCTC Art 6) -Tobacco tax increased to reduce affordability and shift to mixed system (FCTC Art 6) -Support for implementation and enforcement of SFE & TAPS in accordance with FCTC article 8 & 11 and 13 Education, communication, training and public awareness (Art 12) and cessation (art 14) Research, surveillance (FCTC Art 20)

Have you identified any specific gaps between the resources available and the needs assessed for implementing the WHO Framework Convention on Tobacco Control?

No ✕

What, if any, are the constraints or barriers, other than lack of resources, you have encountered in implementing the Convention?

Do you have any of the following products available on your national tobacco market?

- smokeless tobacco products
- water pipe tobacco
- Electronic Nicotine Delivery Systems (ENDS)
- Electronic Non-Nicotine Delivery Systems (ENNDS)
- heated tobacco products (HTPs)
- Other

Have you adopted and implemented any policy or regulation that is specific to the following tobacco products?

- smokeless tobacco products
- water pipe tobacco
- Electronic Nicotine Delivery Systems (ENDS)
- Electronic Non-Nicotine Delivery Systems (ENNDS)
- heated tobacco products (HTPs)
- Other

If you have any relevant information related to questions E5 and E6, please provide details in the space below.

No,

Please provide any other relevant information not covered elsewhere that you consider important.

Your suggestions for further development and revision of the reporting instrument:
