Period of reporting:

	Month	Year
Start date		2011 (12)
End date	January (1)	2020 (21)

B1. TOBACCO CONSUMPTION

Prevalence of tobacco use

Smoking prevalence in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)

Current smokers

	Prevalence (%) (please include all smoking tobacco products in preva- lence data)	Average number of the most-con- sumed smoking tobacco product used per day
MALE	23.80	
FEMALE	2.00	
TOTAL (males and females)	12.90	9

Daily smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)	Average number of the most-consumed smoking tobacco product used per day
MALE	20.60	9.00
FEMALE	1.20	8.40
TOTAL (males and females)	10.90	9.00

Occasional smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)
MALE	3.20
FEMALE	0.20
TOTAL (males and females)	2.00

Former smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)
MALE	12.80
FEMALE	1.80
TOTAL (males and females)	7.30

Never smokers

Prevalence (%)
(please include all smoking tobacco products in prevalence data)

MALE	76.20
FEMALE	98.00
TOTAL (males and females)	87.10

Please indicate the smoking tobacco products included in calculating prevalence for question B11:

Il s agit de la cigarette industrielle importée

Please indicate the age range to which the data used to answer question B11 refer:

	From	To
Age range	25	64

Please indicate the year of the data used to answer question B11:

2011

Please indicate the source of the data used to answer question B11:

Source : Enquête selon l'approche Step Wise de IOMS ANNEE: 2011

Please provide the definitions of "current smoker", "daily smoker", "occasional smoker", "former smoker" and "never smoker" used in this report.

Current smoker	la définition utilisée selon l'approche Step Wise de IOMS
Daily smoker	
Occasional smoker	
Former smoker	
Never smoker	

Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.

Etant la première enquête Step Wise, il est difficile de disposer des tendances

Smoking prevalence in the adult population (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

	Range - start age	Range - end age	Prevalence (%) (please include all smoking to- bacco products in prevalence data)
MALES - current smokers ¹	25	34	26
MALES - current smokers ¹	35	44	25
MALES - current smokers ¹	45	54	23
MALES - current smokers ¹	55	64	16
MALES - current smokers ¹	25	64	24
FEMALES - current smokers ¹	25	34	1
FEMALES - current smokers ¹	35	44	2
FEMALES - current smokers ¹	45	54	3
FEMALES - current smokers ¹	55	64	2

TOTAL (males and females) - current smokers ¹	55	64	9

TOTAL (males and females) - current smokers ¹	25	64	13
--	----	----	----

Please indicate the smoking tobacco products included in calculating prevalence for question B12:

Il s agit de la cigarette industrielle importée

Please indicate the year of the data used to answer question B12:

2011

Please indicate the source of the data used to answer question B12:

Source : Enquête selon l'approche Step Wise de IOMS ANNEE: 2011

Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

Etant la première enquête

Step Wise, il est difficile de disposer des tendances

Prevalence of smokeless tobacco use in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18–64 years; see B132)

Males

Prevalence (%)
(please include all smokeless tobacco products in prevalence data)

Current users	19.50
Daily users	17.50
Occasional users	2.30
Former users	4.90
Never users	80.60

Females

Prevalence (%)
(please include all smokeless tobacco products in prevalence data)

Current users	17.40
Daily users	15.60
Occasional users	1.80
Former users	3.10
Never users	82.60

TOTAL (males and females)

Prevalence (%)
(please include all smokeless tobacco products in prevalence data)

Current users	18.40
Daily users	16.40
Occasional users	2.10
Former users	4.00
Never users	81.60

Please indicate the smokeless tobacco products included in calculating prevalence for question B13:

tabac à priser, tabac à mâcher, feuilles de bétel

Please indicate the age range to which the data used to answer question B13 refer:

	From	To
Age range	24	64

Please indicate the year of the data used to answer question B13:

2011

Please indicate the source of the data used to answer question B13:

Enquête Step Wise Année : 2011

Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below.

Current user	Source : Enquête selon l'approche Step Wise de IOMS ANNEE: 2011
Daily user	
Occasional user	
Former user	
Never user	

Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.

Etant la première enquête Step Wise, il est difficile de disposer des tendances

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups)

B2-B9. HEALTH, SOCIAL AND ECONOMIC INDICATORS

Exposure to tobacco smoke

Do you have any data on exposure to tobacco smoke in your population?

Yes ✓

Please provide details in the space below (e.g. exposure by gender, at home, in the workplace, on public transport).

44 % des participants sont exposés à la fumée dans la maison pendant au moins un jour au cours des 7 derniers jours précédants lenquête

Please indicate the year of the data used to answer question B21:

2011

Please indicate the source of the data used to answer question B21:

Enquête Step Wise Année: 2011

Please attach the relevant documentation.

Tobacco-related mortality

Do you have information on tobacco-related mortality in your population?

No ✗

If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.

Please indicate the year of the data used to answer question B32 and 33:

Please indicate the source of the data used to answer questions B32 and B33:

Please submit a copy of the study you refer to:

Tobacco-related costs

Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?

No

Please submit a copy of the study you refer to:

Supply of tobacco and tobacco products

(with reference to Articles 6.2(b), 20.4(c), and 15.5)

Licit supply of tobacco products

Product	Unit (e.g. pieces, tonnes)	Domestic production	Retail sales	Exports	Imports
----------------	-----------------------------------	----------------------------	---------------------	----------------	----------------

Please provide information on the volumes of duty-free sales (e.g. product, unit, quantity), if available.

Please indicate the year of the data used to answer question B51 and 52:

Please indicate the source of the data used to answer questions B51 and B52:

Please attach the relevant documentation.

Seizures of illicit tobacco products

(with reference to Article 15.5)

Seizures of illicit tobacco

Year	Product	Unit (e.g. pieces, tonnes)	Quantity seized
------	---------	----------------------------	-----------------

Do you have any information on the percentage of illicit tobacco products on the national tobacco market?

No

Please provide any further information on illicit tobacco products.

Please indicate the source of the data used to answer questions in section B6:

Please attach the relevant documentation.

Tobacco-growing

Is there any tobacco-growing in your jurisdiction?

No

Please indicate the year of the data used to answer questions in section B7:

Please indicate the source of the data used to answer questions in section B7:

Please attach the relevant documentation.

Taxation of tobacco products

(with reference to Articles 6.2(a) and 6.3)

What proportion of the retail price of the most popular price category of tobacco product consists of taxes (e.g. sum of excise, sales and import duties (if applicable) and value added tax/goods and services tax (VAT/GST))?

How are the excise taxes levied (what types of taxes are levied)?

- Specific tax only
- Ad valorem tax only Yes
- Combination of specific and ad valorem taxes Yes
- More complex structure (please explain below)

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties)

Product	Type of tax	Rate or amount	Base of tax ⁵
---------	-------------	----------------	--------------------------

Please briefly describe the trends in taxation for tobacco products in the past two years or since submission of your last report in your jurisdiction.

Do you earmark any percentage of your taxation income for funding any national plan or strategy on tobacco control in your jurisdiction?

No

Please indicate the year of the data used to answer questions B81 to B86:

Please indicate the source of the data used to answer questions B81 to B86:

Please attach the relevant documentation.

Price of tobacco products

(with reference to Articles 6.2(a))

Domestic

Please provide the retail prices of the three most widely sold brands of domestic tobacco products at the most widely used point of sale in your capital city.

Name of the most widely sold brands	Number of units or amount per package	Retail price	Currency
-------------------------------------	---------------------------------------	--------------	----------

Imported

Please provide the retail prices of the three most widely sold brands of imported tobacco products at the most widely used point of sale in your capital city.

	Name of the most widely sold brands	Number of units or amount per pack-age	Retail price	Currency
Smoking tobacco products	BENSON	20	1500 FCA	3 EURO
Smoking tobacco products	MALBORO	20	1250 FCA	2,50 EURO
Smoking tobacco products	PALMAL	20	500	1 EURO

Please indicate the year of the data used to answer question B91:

2011

Please indicate the source of the data used to answer question B91:

Enquête Step Wise Année: 2011

Please briefly describe the trend in the prices of tobacco products in the past two years or since submission of your last report in your jurisdiction.

Les prix des produits de tabac montent une fois les taxes douanieres augmentés.

Please attach the relevant documentation.

C1. GENERAL OBLIGATIONS

With reference to Article 5

Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

No

Have you partially developed and implemented tobacco control strategies by including tobacco control in national health, public health or health promotion strategies, plans and programmes?

Yes ✓

Have you established or reinforced and financed:

a focal point for tobacco control?	Yes
a tobacco control unit?	Yes
a national coordinating mechanism for tobacco control?	Yes

Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

Comité national et Régionaux de Lutte contre le Tabac, Ministère de la Santé

Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (*General obligations*) in the past two years or since submission of your last report.

Prise de conscience progressive de la population et des autorités sur le danger du tabac et surtaxation du produit pour le rendre de plus en plus inaccessible

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

Yes ✓

ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

Yes ✓

If you answered “Yes” to any of the questions under C121 or C122, please provide details in the space below (specifically, please refer, if relevant, to whether your government or any of its departments 1) have raised awareness on tobacco industry tactics and the need to prevent interference by the tobacco industry with decision making; 2) have avoided entering into any partnerships or voluntary agreements with the tobacco industry; 3) have established any measures to limit interaction of public officials with the tobacco industry, including in the form of a code of conduct; 4) have not granted any incentives, privileges, benefits or preferential tax exemptions to the tobacco industry to establish or run their business; etc.).

Après la convention, la pays sest doté dune loi nationale en application à la convention cadre

Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

On remarque un taux considérable dabandon du tabac depuis la diffusion des résultats de lenquête Step Wise

Have you utilized the “Guidelines for implementation of Article 5.3 of the WHO FCTC” when developing or implementing policies in this area?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

C2. MEASURES RELATING TO THE REDUCTION OF DEMAND FOR TOBACCO

With reference to Articles 6–14

Price and tax measures to reduce the demand for tobacco

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

tax policies and, where appropriate, price policies on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption?

Yes ✓

prohibiting or restricting, as appropriate, sales to international travellers of tax- and duty-free tobacco products?

No ✘

prohibiting or restricting, as appropriate, imports by international travellers of tax- and duty-free tobacco products?

No ✘

Please provide a brief description of the progress made in implementing Article 6 (*Price and tax measures to reduce the demand for tobacco*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Article 6 of the WHO FCTC” when developing or implementing policies in this area?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Protection from exposure to tobacco smoke

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?

Yes ✓

What is the type/nature of the measure providing for the ban?

national law	Yes
subnational law(s)	Yes
administrative and executive orders	Yes
voluntary agreements	No
other measures (please specify in C223 below)	No

Please provide a brief explanation of the type/nature and content of the measures providing for the ban.

Do any of these measures provide for a mechanism/ infrastructure for enforcement?

No ✕

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Indoor workplaces:

government buildings	Complete
health-care facilities	Complete
educational facilities ⁶	Complete
universities	Complete
private workplaces	Complete
other (please specify below)	Complete

Please provide a brief explanation of any "other" policies in the space below

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Public transport:

airplanes	Complete
trains	
ferries	
ground public transport (buses, trolleybuses, trams)	Complete
motor vehicles used as places of work (taxis, ambulances, delivery vehicles)	Complete
private vehicles	Complete
other (please specify below)	Complete

Please provide a brief explanation of any "other" policies in the space below

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Indoor public places:

cultural facilities	Complete
shopping malls	Complete
pubs and bars	Complete
nightclubs	Complete
restaurants	Complete
other (please specify below)	

Please provide a brief summary of complete and partial measures, with specific details of the partial measures that have been implemented:

Banning tobacco smoking in indoor workplaces

Banning tobacco smoking in public transport

Banning tobacco smoking in indoor public places

Please provide a brief description of the progress made in implementing Article 8 (*Protection from exposure to tobacco smoke*) in the past two years or since submission of your last report.

Have you utilized the "Guidelines for implementation of Article 8 of the WHO FCTC" when developing or implementing policies in this area?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Regulation of the contents of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

testing and measuring the contents of tobacco products?

No ✘

testing and measuring the emissions of tobacco products?

No ✘

regulating the contents of tobacco products?

No ✘

regulating the emissions of tobacco products?

No ✘

Please provide a brief description of the progress made in implementing Article 9 (*Regulation of the contents of tobacco products*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g., whether your country 1) has incorporated product regulation in the national tobacco control legislation; 2) has access to either governmental or independent – not owned or controlled by the tobacco industry – laboratories for testing contents and/or emissions of tobacco products; 3) has regulated ingredients, such as flavours (e.g. menthol); 4) has regulated product characteristics, such as design features (e.g., cigarette ventilation); etc.).

Please attach the relevant documentation.

Regulation of tobacco product disclosures

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the:

contents of tobacco products?	Yes
emissions of tobacco products?	Yes

requiring public disclosure of information about the:

contents of tobacco products?	Yes
emissions of tobacco products?	Yes

Please provide a brief description of the progress made in implementing Article 10 (*Regulation of tobacco product disclosures*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether your country has incorporated tobacco product disclosures in the national tobacco control legislation; has regulated the public disclosure of toxic constituents and emissions of tobacco products, aiming to raise public awareness and advance tobacco control policy; etc.).

Des disposition
sont prévues dans la loi nationale en vigueur

Please attach the relevant documentation.

Packaging and labelling of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?

Yes ✓

requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

Yes ✓

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?

Yes ✓

ensuring that the health warnings are approved by the competent national authority?

Yes ✓

ensuring that the health warnings are rotated?

Yes ✓

ensuring that the health warnings are clear, visible and legible?

Yes ✓

Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?

Yes ✓

ensuring that the health warnings occupy no less than 30% of the principal display areas?

Yes ✓

ensuring that the health warnings occupy 50% or more of the principal display areas?

Yes ✓

ensuring that health warnings are in the form of, or include, pictures or pictograms?

Yes ✓

Does the Government own the copyright to these pictures and pictograms?

Yes ✓

Would you grant a non-exclusive and royalty-free licence for the use of health warnings developed in your jurisdiction with other Parties?

Yes ✓

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant:

constituents of tobacco products? Yes

emissions of tobacco products? Yes

requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

Yes ✓

Please provide a brief description of the progress made in implementing Article 11 (*Packaging and labelling of tobacco products*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Article 11 of the WHO FCTC” when developing or implementing policies in this area?

If you have any other relevant information pertaining to or not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Education, communication, training and public awareness

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

educational and public awareness programmes? *(Please refer to programmes implemented since submission of your two-year report.)*

Yes ✓

To whom are these programmes targeted?

- adults or the general public
- children and young people
- men
- women
- pregnant women
- ethnic groups
- other (please specify)
- Other

Do you reflect the following key differences among targeted population groups in educational and public awareness programmes?

- age
- gender
- educational background
- cultural background
- socioeconomic status
- other (please specify)
- Other

Do these educational and public awareness programmes cover:

- health risks of tobacco consumption?
- health risks of exposure to tobacco smoke?
- benefits of the cessation of tobacco use and tobacco-free lifestyles?
- adverse economic consequences of tobacco production?
- adverse economic consequences of tobacco consumption?
- adverse environmental consequences of tobacco production?
- adverse environmental consequences of tobacco consumption?

awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control:

- public agencies?
 - nongovernmental organizations not affiliated with the tobacco industry?
 - private organizations?
 - other (please specify)?
 - Other
-

Are the elaboration, management and implementation of communication, education, training and public awareness programmes guided by research and do they undergo pre-testing, monitoring and evaluation?

Yes ✓

Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to:

- health workers?
- community workers?
- social workers?
- media professionals?
- educators?
- decision-makers?
- administrators?
- other (please specify)
- Other

Please provide a brief description of the progress made in implementing Article 12 (*Education, communication, training and public awareness*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Article 12 of the WHO FCTC” when developing and implementing policies in this area?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Tobacco advertising, promotion and sponsorship

Have you adopted and implemented, where appropriate, any legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes:

instituting a comprehensive ban on all tobacco advertising, promotion and sponsorship?

Yes ✓

Does your ban cover:

- display and visibility of tobacco products at points of sales?
the domestic Internet?
the global Internet?
- brand stretching and/or brand sharing?
- product placement as a means of advertising or promotion?
- the depiction of tobacco or tobacco use in entertainment media products?
- tobacco sponsorship of international events or activities and/or participants therein?
- contributions from tobacco companies to any other entity for “socially responsible causes” and/or any other activities implemented under the umbrella of “corporate social responsibility” by the tobacco industry?
- cross-border advertising, promotion and sponsorship originating from your territory?
- the same forms of cross-border advertising, promotion and sponsorship entering your territory for which domestic regulation apply?

cooperating with other Parties in the development of technologies and other means necessary to facilitate the elimination of cross-border advertising?

No ✘

imposing penalties for cross-border advertising equal to those applicable to domestic advertising, promotion and sponsorship originating from your territory in accordance with national law?

Yes ✔

Please provide a brief description of the progress made in implementing Article 13 (*Tobacco advertising, promotion and sponsorship*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Article 13 of the WHO FCTC” when developing and implementing policies in this area?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Demand reduction measures concerning tobacco dependence and cessation

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

developing and disseminating appropriate, comprehensive and integrated guidelines based on scientific evidence and best practices?

No ✘

programmes to promote cessation of tobacco use, including:

- media campaigns emphasizing the importance of quitting?
programmes specially designed for underage girls and young women?
programmes specially designed for women?
programmes specially designed for pregnant women?
telephone quitlines?
 - local events, such as activities related to World No Tobacco Day or National No Smoking Day, if appropriate?
other (please specify)?
Other
-

design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as:

- educational institutions?
 - health-care facilities?
 - workplaces?
 - sporting environments?
other (please specify)?
Other
-

inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for:

- tobacco control?
 - health?
 - education?
-

inclusion of programmes on the diagnosis and treatment of tobacco dependence in your health-care system?

Yes ✔

Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence?

- primary health care
- secondary and tertiary health care
- specialist health-care systems (please specify below)
- specialized centres for cessation counselling and treatment of tobacco dependence
- rehabilitation centres
- Other

Are the services provided in these settings covered by public funding or reimbursement schemes?

- | | |
|---|------|
| primary health care | None |
| secondary and tertiary health care | |
| specialist health-care systems (please specify below) | None |
| specialized centres for cessation counselling and treatment of tobacco dependence | None |
| rehabilitation centres | |
| other (please specify below) | |

Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services?

Health professionals including:

- physicians
- dentists
- family doctors
- practitioners of traditional medicine
- other medical professionals (please specify below)
- nurses
- midwives
- pharmacists
- Community workers
- Social workers
- other (please specify)
- Other

training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools:

- medical?
- dental?
- nursing?
- pharmacy?
- Other

facilitating accessibility and/or affordability of pharmaceutical products for the treatment of tobacco dependence?

No ✘

Please provide a brief description of the progress made in implementing Article 14 (*Demand reduction measures concerning tobacco dependence and cessation*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Article 14 of the WHO FCTC” when developing and implementing policies in this area?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

C3. MEASURES RELATING TO THE REDUCTION OF THE SUPPLY OF TOBACCO

With reference to Articles 15–17

Illicit trade in tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining the origin of the product?

Yes ✔

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining whether the product is legally sold on the domestic market?

Yes ✔

requiring that unit packets and packages of tobacco products for retail and wholesale use that are sold on the domestic market carry the statement: "Sales only allowed in ..." or carry any other effective marking indicating the final destination of the product?

Yes ✓

developing a practical tracking and tracing regime that would further secure the distribution system and assist in the investigation of illicit trade?

Yes ✓

requiring that marking is presented in legible form and/or appears in the principal language or languages of the country?

Yes ✓

requiring the monitoring and collection of data on cross-border trade in tobacco products, including illicit trade?

No ✗

facilitating the exchange of this information among customs, tax and other authorities, as appropriate, and in accordance with national law and applicable bilateral and multilateral agreements?

No ✗

enacting or strengthening legislation, with appropriate penalties and remedies, against illicit trade in tobacco products, including counterfeit and contraband cigarettes?

Yes ✓

requiring that confiscated manufacturing equipment, counterfeit and contraband cigarettes and other tobacco products derived from illicit trade are destroyed, using environment-friendly methods where possible, or disposed of in accordance with national law?

Yes ✓

adopting and implementing measures to monitor, document and control the storage and distribution of tobacco products held or moving under suspension of taxes or duties?

No ✗

enabling the confiscation of proceeds derived from illicit trade in tobacco products?

Yes ✓

promoting cooperation between national agencies and relevant regional and international intergovernmental organizations in investigations, prosecutions and proceedings, with a view to eliminating illicit trade in tobacco products, with special emphasis on cooperation at regional and subregional levels?

Yes ✓

licensing or other actions to control or regulate production and distribution in order to prevent illicit trade?

Yes ✓

Please provide a brief description of the progress made in implementing Article 15 (*Illicit trade in tobacco products*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Sales to and by minors

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

prohibiting the sales of tobacco products to minors?

Yes ✓

Please specify the legal age:

15

requiring that all sellers of tobacco products place a clear and prominent indicator inside their point of sale about the prohibition of tobacco sales to minors?

Yes ✓

requiring that, in case of doubt, each seller of tobacco products requests that the purchaser provides appropriate evidence of having reached full legal age?

Yes ✓

banning the sale of tobacco products in any manner by which they are directly accessible, such as open store shelves?

Yes ✓

prohibiting the manufacture and sale of sweets, snacks, toys or any other objects in the form of tobacco products which appeal to minors?

Yes ✓

prohibiting the sale of tobacco products from vending machines?

No ✗

Do you ensure that tobacco vending machines are not accessible to minors and/or do not promote the sale of tobacco products to minors?

Yes ✓

prohibiting and/or promoting the prohibition of the distribution of free tobacco products:

- to the public?
 - to minors?
-

prohibiting the sale of cigarettes individually or in small packets?

Yes ✓

providing for penalties against sellers and distributors in order to ensure compliance?

Yes ✓

prohibiting the sales of tobacco products by minors?

Yes ✓

Please provide a brief description of the progress made in implementing Article 16 (*Sales to and by minors*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Provision of support for economically viable alternative activities

Have you adopted and implemented, where appropriate, measures or programmes on any of the following:

promoting economically viable and sustainable alternatives for:

tobacco growers?	Not applicable
tobacco workers?	Not applicable
tobacco individual sellers?	Not applicable

Please provide a brief description of the progress made in implementing Article 17 (*Provision of support for economically viable alternative activities*) in the past two years or since submission of your last report.

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

C4. OTHER MEASURES AND POLICIES

With reference to Articles 18–21

Protection of the environment and the health of persons

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

implementing measures in respect of tobacco cultivation within your territory, which take into consideration:

the protection of the environment?	Not applicable
the health of persons in relation to the environment?	Not applicable

implementing measures in respect of tobacco manufacturing within your territory, which take into consideration:

the protection of the environment?	Yes
the health of persons in relation to the environment?	Yes

Please provide a brief description of the progress made in implementing Article 18 (*Protection of the environment and the health of persons*) in the past two years or since submission of your last report.

Maintenant il est strictement interdit

de fumer dans les hopitaux et les hôtels, il est creé des espaces spécifiques pour les fumeurs.

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

No

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Liability

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

Does your tobacco control legislation contain measures regarding criminal liability for any violations of that tobacco control legislation?

Yes

Do you have separate criminal liability provisions in relation to tobacco control (outside of the tobacco control legislation)?

Not applicable

Do you have any civil liability measures that are specific to tobacco control?

Not applicable

Do you have any general civil liability provisions that could apply to tobacco control?

Do you have civil or criminal liability provisions that provide for compensation for adverse health effects and/or for reimbursement of medical, social or other relevant costs?

Has any person in your jurisdiction launched any criminal and/or civil liability action, including compensation where appropriate, against any tobacco company in relation to any adverse health effect caused by tobacco use?

Yes

Have you taken, as appropriate, any legislative, executive, administrative and/or other action against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use in your jurisdiction?

No

Please provide a brief description of any progress made, as appropriate, in implementing Article 19 (*Liability*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Research, surveillance and exchange of information

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

developing and/or promoting research that addresses:

- determinants of tobacco consumption?
 - consequences of tobacco consumption?
 - social and economic indicators related to tobacco consumption?
 - tobacco use among women, with special regard to pregnant women?
 - the determinants and consequences of exposure to tobacco smoke?
 - identification of effective programmes for the treatment of tobacco dependence?
 - identification of alternative livelihoods?
 - Other
-

training and support for all persons engaged in tobacco control activities, including re-search, implementation and evaluation?

a national system for epidemiological surveillance of:

- patterns of tobacco consumption?
 - determinants of tobacco consumption?
 - consequences of tobacco consumption?
 - social, economic and health indicators related to tobacco consumption?
 - exposure to tobacco smoke?
 - Other
-

regional and global exchange of publicly available national:

- scientific, technical, socioeconomic, commercial and legal information?
 - information on the practices of the tobacco industry?
 - information on the cultivation of tobacco?
-

an updated database of:

- laws and regulations on tobacco control?
 - information about the enforcement of laws on tobacco control?
 - pertinent jurisprudence?
-

Please provide a brief description of the progress made in implementing Article 20 (*Research, surveillance and exchange of information*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether you included information on WHO FCTC implementation in your Voluntary National Review (VNR) on the Sustainable Development Goals (SDGs), related to target 3.a).

Please attach the relevant documentation.

D. INTERNATIONAL COOPERATION AND ASSISTANCE

Pursuant to Article 21.1(c) and in accordance with Article 26, have you either provided or received financial or technical assistance (be it through unilateral, bilateral, regional, sub-regional or other multilateral channels, including relevant regional and international intergovernmental or nongovernmental organizations and financial and development institutions) for the development and strengthening of multisectoral, comprehensive tobacco control programmes of developing country Parties and Parties with economies in transition in any of the following areas:

development, transfer and acquisition of technology, knowledge, skills, capacity and expertise related to tobacco control?

Assistance provided	No
Assistance received	No

provision of technical, scientific, legal and other expertise to establish and strengthen national tobacco control strategies, plans and programmes?

Assistance provided	No
Assistance received	No

appropriate training or sensitization programmes for appropriate personnel in accordance with Article 12?

Assistance provided	No
Assistance received	No

provision of the necessary material, equipment and supplies, as well as logistic support, for tobacco control strategies, plans and programmes?

Assistance provided	No
Assistance received	No

identification of methods for tobacco control, including comprehensive treatment of nicotine addiction?

Assistance provided	No
Assistance received	No

promotion of research to increase the affordability of comprehensive treatment of nicotine addiction?

Assistance provided	No
Assistance received	No

Please provide information about any assistance provided or received in the space below, including any support received from nongovernmental organizations (please, specify).

If you have not received or provided assistance in any of the aforementioned areas, please identify any financial or technical assistance that may be under consideration, if appropriate.

Have you encouraged relevant regional and international intergovernmental organizations and financial and development institutions in which you are represented to provide financial assistance for developing country Parties and for Parties with economies in transition to assist them in meeting their obligations under the Convention?

E. PRIORITIES AND COMMENTS

What are the priorities for implementation of the WHO Framework Convention on Tobacco Control in your jurisdiction?

Elaboration des documents stratégiques Information, Education et communication sur les conséquences liés à l'usage du tabac Protection de l'environnement , milieu publique de la fumée des produits du tabac. Mise en place de politique de aide au sevrage

Have you identified any specific gaps between the resources available and the needs assessed for implementing the WHO Framework Convention on Tobacco Control?

No ✘

What, if any, are the constraints or barriers, other than lack of resources, you have encountered in implementing the Convention?

Non implication effective de l'Etat sur la mise en oeuvre des activités de lutte antitabac. Instabilité politique (changement de gouvernement rapidement qui entraîne la non continuité des activités de lutte antitabac)
Sources humaines et financières insuffisantes

Do you have any of the following products available on your national tobacco market?

- smokeless tobacco products
- water pipe tobacco
- Electronic Nicotine Delivery Systems (ENDS)
- Electronic Non-Nicotine Delivery Systems (ENNDS)
- heated tobacco products (HTPs)
- Other

Produits du tabac avec
fumée

Have you adopted and implemented any policy or regulation that is specific to the following tobacco products?

- smokeless tobacco products
- water pipe tobacco
- Electronic Nicotine Delivery Systems (ENDS)
- Electronic Non-Nicotine Delivery Systems (ENNDS)
- heated tobacco products (HTPs)
- Other

If you have any relevant information related to questions E5 and E6, please provide details in the space below.

Please provide any other relevant information not covered elsewhere that you consider important.
