## Period of reporting:

	Month	Year
Start date	January (1)	2019 (20)
End date	2011 (12)	2019 (20)

---

## B1. TOBACCO CONSUMPTION

### Prevalence of tobacco use

---

#### Smoking prevalence in the adult population (all)

*(Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)*

---

#### Current smokers

	Prevalence (%) (please include all smoking tobacco products in preva- lence data)	Average number of the most-con- sumed smoking tobacco product used per day
MALE	23.9	
FEMALE	0.8	
TOTAL (males and females)	12.3	

---

## Daily smokers

	<b>Prevalence (%)</b> (please include all smoking tobacco products in prevalence data)	<b>Average number of the most-consumed smoking tobacco product used per day</b>
MALE	17.2	
FEMALE	0.7	
TOTAL (males and females)	8.9	

## Occasional smokers

**Prevalence (%)**  
(please include all smoking tobacco products in prevalence data)

---

## Former smokers

**Prevalence (%)**  
(please include all smoking tobacco products in prevalence data)

---

## Never smokers

**Prevalence (%)**  
(please include all smoking tobacco products in prevalence data)

---

Please indicate the smoking tobacco products included in calculating prevalence for question B11:

Il sagit du tabac fumé

---

Please indicate the age range to which the data used to answer question B11 refer:

	<b>From</b>	<b>To</b>
Age range	15	49

---

Please indicate the year of the data used to answer question B11:

2017

Please indicate the source of the data used to answer question B11:

rapport de IOMS sur l'épidémie mondiale de tabagisme , 2019

Please provide the definitions of "current smoker", "daily smoker", "occasional smoker", "former smoker" and "never smoker" used in this report.

Current smoker	ceux qui fumaient au moment où l'enquête se déroulait
Daily smoker	ceux qui fument par circonstance, quotidiennement
Occasional smoker	
Former smoker	
Never smoker	

Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.

C est difficile de parler des tendances parce qu'une enquête nationale n'est jamais faite réellement en dehors des enquêtes parcellaires financées par IOMS.

## Smoking prevalence in the adult population (by age groups)

*(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)*

Range - start age	Range - end age	Prevalence (%) (please include all smoking tobacco products in prevalence data)
-------------------	-----------------	--

Please indicate the smoking tobacco products included in calculating prevalence for question B12:

Please indicate the year of the data used to answer question B12:

Please indicate the source of the data used to answer question B12:

Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

---

## Prevalence of smokeless tobacco use in the adult population (all)

*(Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18–64 years; see B132)*

---

### Males

**Prevalence (%)**  
**(please include all smokeless tobacco products in prevalence data)**

Current users	18.7
---------------	------

---

### Females

**Prevalence (%)**  
**(please include all smokeless tobacco products in prevalence data)**

Current users	2.7
---------------	-----

---

### TOTAL (males and females)

**Prevalence (%)**  
**(please include all smokeless tobacco products in prevalence data)**

Current users	15.4
---------------	------

Please indicate the smokeless tobacco products included in calculating prevalence for question B13:

les produits sans fumée ne  
sont pas signifiés dans le rapport

Please indicate the age range to which the data used to answer question B13 refer:

	<b>From</b>	<b>To</b>
Age range	15	49

Please indicate the year of the data used to answer question B13:

2017

Please indicate the source of the data used to answer question B13:

rapport de IOMS sur l'épidémie mondiale du tabagisme, 2019

Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below.

Current user  
Daily user  
Occasional user  
Former user  
Never user

Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.

l'absence d'une enquête nationale ne nous permet pas de donner avec exactitude la situation de la consommation des produits du tabac. Mais la réalité du terrain montre que la consommation des produits du tabac sans fumée est en augmentation.

## **Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups)**

*(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)*

<b>Range - start age</b>	<b>Range - end age</b>	<b>Prevalence (%)</b> <b>(please include all smoking tobacco products in prevalence data)</b>
--------------------------	------------------------	--

Please indicate the smokeless tobacco products included in the answer to question B14:

Please indicate the year of the data used to answer question B14:

Please indicate the source of the data used to answer question B14:

---

Please provide a brief explanation of the trend in current use of smokeless tobacco by adult age groups in the past two years or since submission of your last report.

---

## Tobacco use by ethnic group(s)

(please include all smoking or smokeless tobacco products in prevalence data)

<b>Ethnic group(s)</b>	<b>MALES - Prevalence (%)</b>	<b>FEMALES - Prevalence (%)</b>	<b>TOTAL (males and females) - Prevalence (%)</b>
------------------------	-------------------------------	---------------------------------	---

---

Please indicate the tobacco products included in the answer to question B15:

---

Please indicate the age range to which the data used to answer question B15 refer:

<b>From</b>	<b>To</b>
-------------	-----------

---

Please indicate the year of the data used to answer question B15:

---

Please indicate the source of the data used to answer question B15:

---

## Tobacco use by young persons

(please include all smoking or smokeless tobacco products in prevalence data)

	Age range	SMOKING TO-BACCO - Prevalence (%)	SMOKELESS TO-BACCO - Prevalence (%)	WATER PIPE - Prevalence (%)
BOYS - Current users <sup>4</sup>	13-15 ans	27.6	18.4	
BOYS - Current users <sup>4</sup>	13-15 ans	20.4	14.1	
TOTAL (boys and girls) - Current users <sup>4</sup>	13-15 ans	24.3	16.4	

Please indicate the tobacco products included in calculating prevalence for question B16:  
produits du tabac non définis  
dans le rapport

Please indicate the year of the data used to answer question B16:  
2018

Please indicate the source of the data used to answer question B16:  
Rapport de IOMS sur l'épidémie mondiale du tabagisme, 2019

Please provide the definition of "current smoking/tobacco use" used to answer question B16 in the space below.

actuel veut

dire ceux qui consommaient le tabac ou ses produits au moment de l'enquête

Please provide a brief explanation of the trend in tobacco use by young persons in the past two years or since submission of your last report.

Please attach the relevant documentation.

## Use of novel and emerging tobacco and nicotine products

Age range	Heated tobacco products (HTPs) - Prevalence (%)	Electronic Nicotine Delivery Systems (ENDS) - Prevalence (%)	Electronic Non-Nicotine Delivery Systems (ENNDS) - Prevalence (%)	Other products - Prevalence (%)
-----------	---	--	---	---------------------------------

## B2-B9. HEALTH, SOCIAL AND ECONOMIC INDICATORS

### Exposure to tobacco smoke

Do you have any data on exposure to tobacco smoke in your population?

Yes ✓

Please provide details in the space below (e.g. exposure by gender, at home, in the workplace, on public transport).

38% est exposé dans les lieux à usage public, 33% dans les transports en commun, 21% à la maison, 16% dans les bars et 15% au travail

Please indicate the year of the data used to answer question B21:

2009

Please indicate the source of the data used to answer question B21:

voir l'enquête GYTS

Please attach the relevant documentation.

### Tobacco-related mortality

Do you have information on tobacco-related mortality in your population?

No ✗

If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.

---

Please indicate the year of the data used to answer question B32 and 33:

---

Please indicate the source of the data used to answer questions B32 and B33:

---

Please submit a copy of the study you refer to:

---

## Tobacco-related costs

---

Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?

No

---

Please submit a copy of the study you refer to:

---

## Supply of tobacco and tobacco products

*(with reference to Articles 6.2(b), 20.4(c), and 15.5)*

---

## Licit supply of tobacco products

	<b>Product</b>	<b>Unit (e.g. pieces, tonnes)</b>	<b>Domestic production</b>	<b>Retail sales</b>	<b>Exports</b>	<b>Imports</b>
Smoking tobacco products	Cigares et cigarillos contenant du tabac	kg			461	2
Smoking tobacco products	Cigarettes contenant du tabac	kg			33511	14933
Smoking tobacco products	Autres cigares, cigarillos, et cigarettes en tabac ou en succédanés de tabac	kg				609
Smoking tobacco products	Tabacs a fumer (scaferlati)	kg				
Smoking tobacco products	Tabacs a fumer (scaferlati )	kg				
Smoking tobacco products	autres tabacs à fumer	kg			29	6492
Smokeless tobacco products	Autres tabacs et succ.dan.s; extraits et sauces de tabac	kg				
Other tobacco products	tabac pour pipe à eau					10035

Please provide information on the volumes of duty-free sales (e.g. product, unit, quantity), if available.

Nous avons la valeur des vents en francise qui s'élèvent à 6 843 839frs cfa

Please indicate the year of the data used to answer question B51 and 52:

2019

Please indicate the source of the data used to answer questions B51 and B52:  
Direction générale des douanes et des droits indirects au Ministère des finances

---

Please attach the relevant documentation.

---

## Seizures of illicit tobacco products

*(with reference to Article 15.5)*

---

Seizures of illicit tobacco

Year	Product	Unit (e.g. pieces, tonnes)	Quantity seized
------	---------	----------------------------	-----------------

---

Do you have any information on the percentage of illicit tobacco products on the national tobacco market?

No ✘

---

Please provide any further information on illicit tobacco products.

---

Please indicate the source of the data used to answer questions in section B6:

---

Please attach the relevant documentation.

---

## Tobacco-growing

---

Is there any tobacco-growing in your jurisdiction?

No ✘

---

Please indicate the year of the data used to answer questions in section B7:

---

Please indicate the source of the data used to answer questions in section B7:

---

Please attach the relevant documentation.

---

## Taxation of tobacco products

(with reference to Articles 6.2(a) and 6.3)

What proportion of the retail price of the most popular price category of tobacco product consists of taxes (e.g. sum of excise, sales and import duties (if applicable) and value added tax/goods and services tax (VAT/GST))?

25

How are the excise taxes levied (what types of taxes are levied)?

Specific tax only	No
Ad valorem tax only	No
Combination of specific and ad valorem taxes	Yes
More complex structure (please explain below)	No

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties)

	Product	Type of tax	Rate or amount	Base of tax <sup>5</sup>
Smoking tobacco products	cigarettes, cigars	specific excise	40 FCFA	20 cigarettes or 1 cigar
Smoking tobacco products	cigarettes, cigars	ad valorem excise	24%	CIF value
Smoking tobacco products	tabacs	DAC	15%	CIF
Smoking tobacco products	cigarettes, cigars	TVA	18.9%	CIF
Smoking tobacco products	cigarettes et cigar	DEC	30%	CIF

Please briefly describe the trends in taxation for tobacco products in the past two years or since submission of your last report in your jurisdiction.

En dehors de la taxe spécifique de 40frs, ensuite pour les biens ou produits fabriqués au Congo, le taux du droit d'accises est de 15% voir loi des finances page 52 et ensuite la douane dans ses procédures de déclarations prélève aussi 40frs comme taxe spécifique

Do you earmark any percentage of your taxation income for funding any national plan or strategy on tobacco control in your jurisdiction?

Yes ✓

Please provide details in the space below.

Article 24 of the Finance Act stipulates that a certain percentage of tobacco taxation must be allocated to conduct tobacco control campaigns, but this has never been implemented. The specific tax income is earmarked to fund the system of health insurance and sports, but again, this has not been implemented.

Please indicate the year of the data used to answer questions B81 to B86:

2015

Please indicate the source of the data used to answer questions B81 to B86:

les anciens rapport car la taxe spécifique date de 2015 et la douane vient aussi confirmée le prélèvement de cette taxe depuis 2018

Please attach the relevant documentation.

**Information on  
taxation and to-  
bacco prices**

The situation is the same  
as in 2014.

File type  
"pdf"

## Price of tobacco products

*(with reference to Articles 6.2(a))*

## Domestic

Please provide the retail prices of the three most widely sold brands of domestic tobacco products at the most widely used point of sale in your capital city.

	<b>Name of the most widely sold brands</b>	<b>Number of units or amount per package</b>	<b>Retail price</b>	<b>Currency</b>
Smoking tobacco products	Fine rouge	20 bâtons par paquet	750	XAF
Smoking tobacco products	fine menthol	20 bâtons par paquet	750	XAF
Smoking tobacco products	Mustang	20 bâtons par paquet	750	XAF

## Imported

Please provide the retail prices of the three most widely sold brands of imported tobacco products at the most widely used point of sale in your capital city.

	<b>Name of the most widely sold brands</b>	<b>Number of units or amount per package</b>	<b>Retail price</b>	<b>Currency</b>
Smoking tobacco products	orix	20	750	XAF

Please indicate the year of the data used to answer question B91:

2019

Please indicate the source of the data used to answer question B91:

Barème homologué des prix de vente des cigarettes produites par la Société industrielle et agricole du tabac ( SIAT)

Please briefly describe the trend in the prices of tobacco products in the past two years or since submission of your last report in your jurisdiction.

See document under B88. Le prix varie dun point à un autre. malgré l'existence de la note sur l'homologation des prix, la liberté de fixation des prix se fait constaté car le prix varie encore de 600 à 650 frs cfa. La question qui se pose où les gens salimentent-ils?. puis 1000 pour la cigarette Marlboro qui est importé et des prix variant pour les cigares.

Please attach the relevant documentation.

## C1. GENERAL OBLIGATIONS

*With reference to Article 5*

Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

Yes ✓

Have you established or reinforced and financed:

a focal point for tobacco control?	Yes
a tobacco control unit?	No
a national coordinating mechanism for tobacco control?	Yes

Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

Le point focal de lutte antitabac relève du ministère de la santé, de la population, de la promotion de la femme et de l'intégration de la femme au développement. Le dispositif de coordination qui existe nest pas fonctionnel et le décret est en cours.

Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (*General obligations*) in the past two years or since submission of your last report.

Pas de progrès réalisé dans ce domaine car le dispositif na pas de moyen de fonctionnement , il n y a pas une ligne budgétaire et le point focal nest pas renforcé ni doté des moyens pour la mise en œuvre de la CCLAT.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

## **Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry**

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

Yes ✓

---

ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

No ✗

---

If you answered "Yes" to any of the questions under C121 or C122, please provide details in the space below (specifically, please refer, if relevant, to whether your government or any of its departments 1) have raised awareness on tobacco industry tactics and the need to prevent interference by the tobacco industry with decision making; 2) have avoided entering into any partnerships or voluntary agreements with the tobacco industry; 3) have established any measures to limit interaction of public officials with the tobacco industry, including in the form of a code of conduct; 4) have not granted any incentives, privileges, benefits or preferential tax exemptions to the tobacco industry to establish or run their business; etc.).

Dans la réglementation de la lutte antitabac, cette protection nest pas définie mais le décret n°86/1015 du 3 novembre 1986 portant organisation de la distribution des marchandises en République populaire du Congo dans son article 25 et la loi n°6 du 18 janvier 2003 portant la charte des investissements en parle dans son article 16. Bien que cette réglementation concerne le ministère du commerce et des approvisionnement, le tabac est inclu aussi.

Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

Le ministère en charge de la santé refuse l'offre offerte par l'industrie du tabac représentée dans notre pays par l'usine locale SIAT dans l'élaboration des textes d'application de la loi relative à la lutte antitabac.

Have you utilized the "Guidelines for implementation of Article 5.3 of the WHO FCTC" when developing or implementing policies in this area?

Yes ✓

Please provide details in the space below or refer to section I of the additional questionnaire. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/dataform/655321?to-ken=9t2hz7cxhb53nmg&lang=en> (<https://extranet.who.int/dataform/655321?to-ken=9t2hz7cxhb53nmg&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

## C2. MEASURES RELATING TO THE REDUCTION OF DEMAND FOR TOBACCO

*With reference to Articles 6–14*

### **Price and tax measures to reduce the demand for tobacco**

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

tax policies and, where appropriate, price policies on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption?

Yes ✓

prohibiting or restricting, as appropriate, sales to international travellers of tax- and duty-free tobacco products?

Yes ✓

prohibiting or restricting, as appropriate, imports by international travellers of tax- and duty-free tobacco products?

Yes ✓

Please provide a brief description of the progress made in implementing Article 6 (*Price and tax measures to reduce the demand for tobacco*) in the past two years or since submission of your last report.

Bien que le taux de taxation est bas, le

Congo a élaboré une taxe spécifique pour le tabac donc cest une avancée à encourager.

Have you utilized the “Guidelines for implementation of Article 6 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

If you answered “Yes” to question C215 please provide details in the space below or refer to section H of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/data-form/655321?token=9t2hz7cxhb53nmg&lang=en> (<https://extranet.who.int/data-form/655321?token=9t2hz7cxhb53nmg&lang=en>)

oui , parce qu'en dehors de la taxe spécifique de 40frs sur le paquet de cigarettes vendu ou sur le bâton des cigares, depuis novembre 2018, la direction de la réglementation et du contentieux au niveau des douanes a ajouté la taxe spécifique de 40 frs également dans les procédures de déclaration des taxes ( voir la note de service 0239/MFB/DGDDI-DRC du 29 novembre 2018)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

La compagnie SIAT a révisé ses prix

(voir barème homologué des prix de vente des cigarettes produites par la société industrielle et agricole du tabac tropical=

Please attach the relevant documentation.

## Protection from exposure to tobacco smoke

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?

Yes ✓

---

What is the type/nature of the measure providing for the ban?

national law	Yes
subnational law(s)	No
administrative and executive orders	No
voluntary agreements	Yes
other measures (please specify in C223 below)	No

---

Please provide a brief explanation of the type/nature and content of the measures providing for the ban.

Nous avons la loi relative à la lutte antitabac de 2012, nous avons les autocollants qui sont placés dans les administrations, dans certains transports en commun et parfois dans les lieux publics à usage collectif.

---

Do any of these measures provide for a mechanism/ infrastructure for enforcement?

Yes ✓

---

Please provide details of this system.

Voir

l'article 2 de la loi relative à la lutte antitabac.

---

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

### Indoor workplaces:

government buildings	Complete
health-care facilities	Complete
educational facilities <sup>6</sup>	Complete
universities	Complete
private workplaces	None
other (please specify below)	None

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

### Public transport:

	airplanes	Complete
	trains	Complete
	ferries	Complete
	ground public transport (buses, trolleybuses, trams)	Partial
motor vehicles used as places of work (taxis, ambulances, delivery vehicles)		Complete
	private vehicles	None
	other (please specify below)	

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

### Indoor public places:

	cultural facilities	Complete
	shopping malls	Partial
	pubs and bars	Partial
	nightclubs	Partial
	restaurants	Partial
	other (please specify below)	None

### Please provide a brief summary of complete and partial measures, with specific details of the partial measures that have been implemented:

Banning tobacco smoking in indoor workplaces

La

loi existe, les textes d'application de la loi existent mais l'application de cette réglementation n'est pas effective.

Banning tobacco smoking in public transport

Dans

le transport en commun, cette interdiction bien qu'avec accord volontaire est presque complète.

Banning tobacco smoking in indoor public places

Dans les lieux publics intérieurs, l'interdiction est complète.

Please provide a brief description of the progress made in implementing Article 8 (*Protection from exposure to tobacco smoke*) in the past two years or since submission of your last report.

Nous constatons que cette interdiction est complète parce que beaucoup des gens la mette en pratique même si nous navons pas des textes dapplication. On a plus des espaces sans pour 100% sans tabac créés par accords volontaires.

---

Have you utilized the “Guidelines for implementation of Article 8 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

---

If you answered “Yes” to question C229 please provide details in the space below or refer to section B of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/data-form/655321?token=9t2hz7cxhb53nmg&lang=en> (<https://extranet.who.int/data-form/655321?token=9t2hz7cxhb53nmg&lang=en>)

il est strictement interdit de fumer dans les lieux à usage collectif au Congo. voir la loi et le décret dapplication de cette loi

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

## Regulation of the contents of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

testing and measuring the contents of tobacco products?

No ✘

---

testing and measuring the emissions of tobacco products?

No ✘

---

regulating the contents of tobacco products?

Yes ✔

---

regulating the emissions of tobacco products?

Yes ✔

---

Please provide a brief description of the progress made in implementing Article 9 (*Regulation of the contents of tobacco products*) in the past two years or since submission of your last report.

La loi de 2012 relative à la lutte antitabac le prévoit dans son article 10 et 11 mais jamais appliqué.

---

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

No ✘

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g., whether your country 1) has incorporated product regulation in the national tobacco control legislation; 2) has access to either governmental or independent – not owned or controlled by the tobacco industry – laboratories for testing contents and/or emissions of tobacco products; 3) has regulated ingredients, such as flavours (e.g. menthol); 4) has regulated product characteristics, such as design features (e.g., cigarette ventilation); etc.).

---

Please attach the relevant documentation.

---

## Regulation of tobacco product disclosures

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the:

contents of tobacco products?	Yes
emissions of tobacco products?	Yes

---

requiring public disclosure of information about the:

contents of tobacco products?	No
emissions of tobacco products?	No

---

Please provide a brief description of the progress made in implementing Article 10 (*Regulation of tobacco product disclosures*) in the past two years or since submission of your last report.

---

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

No ✘

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether your country has incorporated tobacco product disclosures in the national tobacco control legislation; has regulated the public disclosure of toxic constituents and emissions of tobacco products, aiming to raise public awareness and advance tobacco control policy; etc.).

Pas dinformations pertinentes car rien nest mis en application.

---

Please attach the relevant documentation.

---

## Packaging and labelling of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?

Yes ✔

---

requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

Yes ✓

---

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?

Yes ✓

---

ensuring that the health warnings are approved by the competent national authority?

Yes ✓

---

ensuring that the health warnings are rotated?

Yes ✓

---

ensuring that the health warnings are clear, visible and legible?

Yes ✓

---

Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?

Yes ✓

---

ensuring that the health warnings occupy no less than 30% of the principal display areas?

Yes ✓

---

ensuring that the health warnings occupy 50% or more of the principal display areas?

Yes ✓

---

ensuring that health warnings are in the form of, or include, pictures or pictograms?

Yes ✓

---

Does the Government own the copyright to these pictures and pictograms?

Yes ✓

---

Would you grant a non-exclusive and royalty-free licence for the use of health warnings developed in your jurisdiction with other Parties?

No ✗

---

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant:

- constituents of tobacco products? Yes  
emissions of tobacco products? Yes

requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

Yes ✓

Please provide a brief description of the progress made in implementing Article 11 (*Packaging and labelling of tobacco products*) in the past two years or since submission of your last report.

Les progrès accomplies ne sont pas énormes par manque de larrêté bien que nous avons eu les textes d application de la loi relative à la lutte antitabac. Néanmoins nous pouvons parler du bocage de la fabrication de la cigarette par notre usine SIAT qui déplore le manque des textes d application de la loi dans lesquels toutes les informations de l article 11 de la CCLAT sy trouvent.

Have you utilized the “Guidelines for implementation of Article 11 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

If you answered “Yes” to question C2516 please provide details in the space below or refer to section D of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token=9t2hz7cxhb53nmg&lang=en> (<https://extranet.who.int/dataform/655321?token=9t2hz7cxhb53nmg&lang=en>)

Les détails de la section

D sont inclus dans les textes dapplication de la loi . Larrêté est en cours de promulgation

If you have any other relevant information pertaining to or not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

## Education, communication, training and public awareness

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

educational and public awareness programmes? *(Please refer to programmes implemented since submission of your two-year report.)*

Yes ✓

---

To whom are these programmes targeted?

- adults or the general public
- children and young people
  - men
  - women
- pregnant women
  - ethnic groups
  - other (please specify)
  - Other

---

Do you reflect the following key differences among targeted population groups in educational and public awareness programmes?

- age
- gender
- educational background
  - cultural background
  - socioeconomic status
  - other (please specify)
  - Other

---

Do these educational and public awareness programmes cover:

- health risks of tobacco consumption?
  - health risks of exposure to tobacco smoke?
    - benefits of the cessation of tobacco use and tobacco-free lifestyles?
    - adverse economic consequences of tobacco production?
  - adverse economic consequences of tobacco consumption?
    - adverse environmental consequences of tobacco production?
  - adverse environmental consequences of tobacco consumption?
-

awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control:

- public agencies?
- nongovernmental organizations not affiliated with the tobacco industry?
- private organizations?
- other (please specify)?
- Other

---

Are the elaboration, management and implementation of communication, education, training and public awareness programmes guided by research and do they undergo pre-testing, monitoring and evaluation?

No ✘

---

Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to:

- health workers?
- community workers?
- social workers?
- media professionals?
- educators?
- decision-makers?
- administrators?
- other (please specify)
- Other

---

Please provide a brief description of the progress made in implementing Article 12 (*Education, communication, training and public awareness*) in the past two years or since submission of your last report.

Nous avons eu à sensibiliser les agents de la santé, dans les écoles, dans les églises et la population à travers un carnaval

---

Have you utilized the "Guidelines for implementation of Article 12 of the WHO FCTC" when developing and implementing policies in this area?

No ✘

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

## Tobacco advertising, promotion and sponsorship

Have you adopted and implemented, where appropriate, any legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes:

---

instituting a comprehensive ban on all tobacco advertising, promotion and sponsorship?

Yes ✓

---

Does your ban cover:

- display and visibility of tobacco products at points of sales?  
the domestic Internet?  
the global Internet?  
brand stretching and/or brand sharing?
- product placement as a means of advertising or promotion?
- the depiction of tobacco or tobacco use in entertainment media products?
- tobacco sponsorship of international events or activities and/or participants therein?
- contributions from tobacco companies to any other entity for "socially responsible causes" and/or any other activities implemented under the umbrella of "corporate social responsibility" by the tobacco industry?
- cross-border advertising, promotion and sponsorship originating from your territory?
- the same forms of cross-border advertising, promotion and sponsorship entering your territory for which domestic regulation apply?

---

cooperating with other Parties in the development of technologies and other means necessary to facilitate the elimination of cross-border advertising?

No ✗

---

imposing penalties for cross-border advertising equal to those applicable to domestic advertising, promotion and sponsorship originating from your territory in accordance with national law?

Yes ✓

---

Please provide a brief description of the progress made in implementing Article 13 (*Tobacco advertising, promotion and sponsorship*) in the past two years or since submission of your last report.

Nous navons pas de publicité transfrontalière même si notre loi ne le prévoit pas spécifiquement.

Have you utilized the “Guidelines for implementation of Article 13 of the WHO FCTC” when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

## **Demand reduction measures concerning tobacco dependence and cessation**

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

developing and disseminating appropriate, comprehensive and integrated guidelines based on scientific evidence and best practices?

No ✘

programmes to promote cessation of tobacco use, including:

- media campaigns emphasizing the importance of quitting?  
programmes specially designed for underage girls and young women?  
programmes specially designed for women?  
programmes specially designed for pregnant women?  
telephone quitlines?
- local events, such as activities related to World No Tobacco Day or National No Smoking Day, if appropriate?  
other (please specify)?  
Other

design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as:

- educational institutions?
- health-care facilities?
- workplaces?
- sporting environments?
- other (please specify)?
- Other

inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for:

- tobacco control?
- health?
- education?

inclusion of programmes on the diagnosis and treatment of tobacco dependence in your health-care system?

Yes ✓

Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence?

- primary health care
- secondary and tertiary health care
- specialist health-care systems (please specify below)
  - specialized centres for cessation counselling and treatment of tobacco dependence
  - rehabilitation centres
  - Other

Are the services provided in these settings covered by public funding or reimbursement schemes?

primary health care	None
secondary and tertiary health care	None
specialist health-care systems (please specify below)	None
specialized centres for cessation counselling and treatment of tobacco dependence	None
rehabilitation centres	None
other (please specify below)	None

Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services?

Health professionals including:

- physicians
- dentists
- family doctors
- practitioners of traditional medicine
- other medical professionals (please specify below)
- nurses
- midwives
- pharmacists
- Community workers
- Social workers
- other (please specify)
- tradipraticiens
- Other

training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools:

- medical?
- dental?
- nursing?
- pharmacy?
- Other

facilitating accessibility and/or affordability of pharmaceutical products for the treatment of tobacco dependence?

Yes ✓

Where and how can these products be legally purchased in your country?

Sans ordonnance pour les uns

et avec ordonnance pour les autres

Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction?

- nicotine replacement therapy
- bupropion
- varenicline
- other (please specify)
- Other

Are the costs of these products covered by public funding or reimbursement?

nicotine replacement therapy	None
bupropion	None
varenicline	None
other (please specify below)	None

Please provide a brief description of the progress made in implementing Article 14 (*Demand reduction measures concerning tobacco dependence and cessation*) in the past two years or since submission of your last report.

Beaucoup des personnes s'intéressent au sevrage mais sont souvent butés par le manque des moyens. Autre constat est que les points de vente des substituts nicotinique ont augmenté par rapport aux deux ans passés.

---

Have you utilized the "Guidelines for implementation of Article 14 of the WHO FCTC" when developing and implementing policies in this area?

No

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

### C3. MEASURES RELATING TO THE REDUCTION OF THE SUPPLY OF TOBACCO

*With reference to Articles 15–17*

---

#### **Illicit trade in tobacco products**

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining the origin of the product?

No

---

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining whether the product is legally sold on the domestic market?

No

---

requiring that unit packets and packages of tobacco products for retail and wholesale use that are sold on the domestic market carry the statement: "Sales only allowed in ..." or carry any other effective marking indicating the final destination of the product?

No ✘

---

developing a practical tracking and tracing regime that would further secure the distribution system and assist in the investigation of illicit trade?

No ✘

---

requiring that marking is presented in legible form and/or appears in the principal language or languages of the country?

Yes ✔

---

requiring the monitoring and collection of data on cross-border trade in tobacco products, including illicit trade?

Yes ✔

---

facilitating the exchange of this information among customs, tax and other authorities, as appropriate, and in accordance with national law and applicable bilateral and multilateral agreements?

Yes ✔

---

enacting or strengthening legislation, with appropriate penalties and remedies, against illicit trade in tobacco products, including counterfeit and contraband cigarettes?

Yes ✔

---

requiring that confiscated manufacturing equipment, counterfeit and contraband cigarettes and other tobacco products derived from illicit trade are destroyed, using environment-friendly methods where possible, or disposed of in accordance with national law?

Yes ✔

---

adopting and implementing measures to monitor, document and control the storage and distribution of tobacco products held or moving under suspension of taxes or duties?

Yes ✔

---

enabling the confiscation of proceeds derived from illicit trade in tobacco products?

Yes ✔

---

promoting cooperation between national agencies and relevant regional and international intergovernmental organizations in investigations, prosecutions and proceedings, with a view to eliminating illicit trade in tobacco products, with special emphasis on cooperation at regional and subregional levels?

Yes ✔

---

licensing or other actions to control or regulate production and distribution in order to prevent illicit trade?

Yes ✓

Please provide a brief description of the progress made in implementing Article 15 (*Illicit trade in tobacco products*) in the past two years or since submission of your last report.

L'article 15.4a,

15.4e et 15.7 sont mis en œuvre partiellement.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Le Congo, membre actif de la CEMAC et de l'OMD, bénéficie d'une aide de l'Union Européenne et de la FMI pour la réforme fiscale. voir aussi la loi n°42-2019 du 30/12/2019 portant loi de finances pour l'année 2020

Please attach the relevant documentation.

## Sales to and by minors

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

prohibiting the sales of tobacco products to minors?

No ✗

requiring that all sellers of tobacco products place a clear and prominent indicator inside their point of sale about the prohibition of tobacco sales to minors?

No ✗

requiring that, in case of doubt, each seller of tobacco products requests that the purchaser provides appropriate evidence of having reached full legal age?

No ✗

banning the sale of tobacco products in any manner by which they are directly accessible, such as open store shelves?

Yes ✓

prohibiting the manufacture and sale of sweets, snacks, toys or any other objects in the form of tobacco products which appeal to minors?

No ✘

---

prohibiting the sale of tobacco products from vending machines?

No ✘

---

Do you ensure that tobacco vending machines are not accessible to minors and/or do not promote the sale of tobacco products to minors?

No ✘

---

prohibiting and/or promoting the prohibition of the distribution of free tobacco products:  
to the public?  
to minors?

---

prohibiting the sale of cigarettes individually or in small packets?

No ✘

---

providing for penalties against sellers and distributors in order to ensure compliance?

No ✘

---

prohibiting the sales of tobacco products by minors?

Yes ✔

---

Please provide a brief description of the progress made in implementing Article 16 (*Sales to and by minors*) in the past two years or since submission of your last report.

la publication du décret n°2018-218 du 5 juin 2018 fixant les modalités d'application de l'interdiction de la publicité, de la promotion du tabac, de ses dérivés et de la vente aux mineurs et par les mineurs est un progrès

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

## Provision of support for economically viable alternative activities

Have you adopted and implemented, where appropriate, measures or programmes on any of the following:

---

promoting economically viable and sustainable alternatives for:

tobacco growers?	No
tobacco workers?	No
tobacco individual sellers?	No

---

Please provide a brief description of the progress made in implementing Article 17 (*Provision of support for economically viable alternative activities*) in the past two years or since submission of your last report.

---

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

No ✘

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

## C4. OTHER MEASURES AND POLICIES

*With reference to Articles 18–21*

---

### Protection of the environment and the health of persons

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

implementing measures in respect of tobacco cultivation within your territory, which take into consideration:

the protection of the environment?	Yes
the health of persons in relation to the environment?	No

---

implementing measures in respect of tobacco manufacturing within your territory, which take into consideration:

the protection of the environment?	Yes
the health of persons in relation to the environment?	No

---

Please provide a brief description of the progress made in implementing Article 18 (*Protection of the environment and the health of persons*) in the past two years or since submission of your last report.

La loi N°003/91 du 23 avril 1991 sur la protection de l'environnement, la déforestation et l'agriculture itinérante sur brûlis nest pas appliqué. Donc pas de progrès observé.

---

Have you utilized the "Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)" when developing and implementing policies in this area?

No

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

## Liability

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

Does your tobacco control legislation contain measures regarding criminal liability for any violations of that tobacco control legislation?

Yes

---

Do you have separate criminal liability provisions in relation to tobacco control (outside of the tobacco control legislation)?

No

---

Do you have any civil liability measures that are specific to tobacco control?

No

---

Do you have any general civil liability provisions that could apply to tobacco control?

No

---

Do you have civil or criminal liability provisions that provide for compensation for adverse health effects and/or for reimbursement of medical, social or other relevant costs?

No

---

Has any person in your jurisdiction launched any criminal and/or civil liability action, including compensation where appropriate, against any tobacco company in relation to any adverse health effect caused by tobacco use?

No

---

Have you taken, as appropriate, any legislative, executive, administrative and/or other action against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use in your jurisdiction?

No

---

Please provide a brief description of any progress made, as appropriate, in implementing Article 19 (*Liability*) in the past two years or since submission of your last report.

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

## **Research, surveillance and exchange of information**

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

developing and/or promoting research that addresses:

- determinants of tobacco consumption?
- consequences of tobacco consumption?
- social and economic indicators related to tobacco consumption?
- tobacco use among women, with special regard to pregnant women?
- the determinants and consequences of exposure to tobacco smoke?
- identification of effective programmes for the treatment of tobacco dependence?
- identification of alternative livelihoods?
- Other

training and support for all persons engaged in tobacco control activities, including research, implementation and evaluation?

No ✘

a national system for epidemiological surveillance of:

- patterns of tobacco consumption?
- determinants of tobacco consumption?
- consequences of tobacco consumption?
- social, economic and health indicators related to tobacco consumption?
- exposure to tobacco smoke?
- Other

regional and global exchange of publicly available national:

- scientific, technical, socioeconomic, commercial and legal information?
- information on the practices of the tobacco industry?
- information on the cultivation of tobacco?

an updated database of:

- laws and regulations on tobacco control?
- information about the enforcement of laws on tobacco control?
- pertinent jurisprudence?

Please provide a brief description of the progress made in implementing Article 20 (*Research, surveillance and exchange of information*) in the past two years or since submission of your last report.

La mise en œuvre de l'article 20 de la CCLAT est insuffisante. Pour cela nous ne pouvons pas parler de progrès.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether you included information on WHO FCTC implementation in your Voluntary National Review (VNR) on the Sustainable Development Goals (SDGs), related to target 3.a).

---

Please attach the relevant documentation.

---

## D. INTERNATIONAL COOPERATION AND ASSISTANCE

Pursuant to Article 21.1(c) and in accordance with Article 26, have you either provided or received financial or technical assistance (be it through unilateral, bilateral, regional, sub-regional or other multilateral channels, including relevant regional and international intergovernmental or nongovernmental organizations and financial and development institutions) for the development and strengthening of multisectoral, comprehensive tobacco control programmes of developing country Parties and Parties with economies in transition in any of the following areas:

---

development, transfer and acquisition of technology, knowledge, skills, capacity and expertise related to tobacco control?

Assistance provided	No
Assistance received	Yes

---

provision of technical, scientific, legal and other expertise to establish and strengthen national tobacco control strategies, plans and programmes?

Assistance provided	No
Assistance received	Yes

---

appropriate training or sensitization programmes for appropriate personnel in accordance with Article 12?

Assistance provided	No
Assistance received	No

---

provision of the necessary material, equipment and supplies, as well as logistic support, for tobacco control strategies, plans and programmes?

Assistance provided	No
Assistance received	No

---

identification of methods for tobacco control, including comprehensive treatment of nicotine addiction?

Assistance provided No

Assistance received No

---

promotion of research to increase the affordability of comprehensive treatment of nicotine addiction?

Assistance provided No

Assistance received No

---

Please identify the Party or Parties from which assistance was received or to which assistance was provided.

Nous avons reçu

de laide de l'Organisation mondiale de la santé dans le cadre de la tenue des ateliers sur le choix des images, dans l'élaboration de l'arrêté sur les images à mettre sur les paquets des cigarettes qui seront vendus au Congo, dans la réalisation de l'enquête GYTS qui est en cours de promulgation

---

Please provide information about any assistance provided or received in the space below, including any support received from nongovernmental organizations (please, specify).

L'élaboration de l'arrêté sur la mise en oeuvre du décret 2018-217 du 5 juin 2018, portant conditionnement et étiquetage du tabac et de ses produits a été financé à la hauteur de 1.060.000frs par l'OMS et la réalisation de l'enquête GYTS à hauteur de 8.800.000frs CFA

---

If you have not received or provided assistance in any of the aforementioned areas, please identify any financial or technical assistance that may be under consideration, if appropriate.

---

Have you encouraged relevant regional and international intergovernmental organizations and financial and development institutions in which you are represented to provide financial assistance for developing country Parties and for Parties with economies in transition to assist them in meeting their obligations under the Convention?

Yes ✓

---

Please provide details in the space below.

La demande a été fournie lors de la participation à des réunions internationales.

---

## E. PRIORITIES AND COMMENTS

What are the priorities for implementation of the WHO Framework Convention on Tobacco Control in your jurisdiction?

1. l'acquisition d'une ligne budgétaire de lutte antitabac; 2. la création d'un programme de lutte antitabac au sein duquel évoluera plusieurs personnes; 3. la conception et l'élaboration des directives relatives à la dépendance et au sevrage tabagique; 4. la formation des cadres financiers (finance, douane, impôt, commerce) sur la mise en œuvre des articles 6 et 15 de la CCLAT; 5. la réalisation du Strep car le dernier date de 1984 qui prendra en compte toutes les informations pertinentes sur la lutte antitabac 6. le plaidoyer auprès des organisations et des institutions financières régionales et internationales à fournir une assistance financière au Congo pour la mise en œuvre de la CCLAT.

Have you identified any specific gaps between the resources available and the needs assessed for implementing the WHO Framework Convention on Tobacco Control?

No ✘

What, if any, are the constraints or barriers, other than lack of resources, you have encountered in implementing the Convention?

1. La non inclusion des activités de lutte antitabac dans les activités de PNUD; 2. le manque du programme de lutte antitabac; 3. la faiblesse du comité de coordination de lutte antitabac due à la non fidélisation des cadres des autres ministères faisant parti de cette coordination.

Do you have any of the following products available on your national tobacco market?

- smokeless tobacco products
- water pipe tobacco
- Electronic Nicotine Delivery Systems (ENDS)
- Electronic Non-Nicotine Delivery Systems (ENNDS)
- heated tobacco products (HTPs)
- Other

Have you adopted and implemented any policy or regulation that is specific to the following tobacco products?

- smokeless tobacco products
- water pipe tobacco
- Electronic Nicotine Delivery Systems (ENDS)
- Electronic Non-Nicotine Delivery Systems (ENNDS)
- heated tobacco products (HTPs)
- Other

If you have any relevant information related to questions E5 and E6, please provide details in the space below.

Notre loi en

parle. Ces produits ne sont pas vendus au Congo, mais ils en existent avec l'afflux migratoire on assiste à la consommation de ces produits par nos jeunes.

C est un acte de suivisme.

---

Please provide any other relevant information not covered elsewhere that you consider important.

---

Your suggestions for further development and revision of the reporting instrument:
