C114[C114c]. Have you established or reinforced and financed: [a national coordinating mechanism for tobacco control?]

Yes

C115. Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

Tobacco control mechanism is in place with focal unit and focal points in the Ministry of Public Health and at provincial, city and county levels. The Cabinet leads tobacco control with cooperation with relevant stakeholders including Korea Tobacco Association, which is tobacco control agency for the control of production, sale, import and export of tobacco products in line with National policy. Tobacco Cessation centre conducts tobacco control programs including planning, monitoring and evaluation and research on tobacco control.

C116. Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (General obligations) in the past two years or since submission of your last report.

Tobacco Control Law, DPRK was updated on 24 June 2016 and being implemented in the country. Multi-sectoral workshops conducted on several occasions to strengthen the collaboration between different sectors and involve different stakeholders in tobacco control.

The "World No Tobacco Day" activities conducted every year to raise awareness on the health and other risks associated with tobacco use and strengthen policies and actions to reduce tobacco use in DPR Korea.

IEC campaigns are conducted focusing on danger of the exposure of second-hand smoke including mass media.

C117. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C12. Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C121. protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?
