B1. TOBACCO CONSUMPTION

Prevalence of tobacco use
Smoking prevalence in the adult population (all) (Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)
Current smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
39.3
Current smokers [MALE][Average number of the most-consumed smoking tobacco product used per day]
16
Current smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
22.3
Current smokers [FEMALE][Average number of the most-consumed smoking tobacco product used per day]
9
Current smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
29.1
Current smokers [TOTAL (males and females)][Average number of the most-consumed smoking tobacco product used per day]
13
Daily smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
29.9
Daily smokers [MALE][Average number of the most-consumed smoking tobacco product used per day]
17
Daily smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
15.5
Daily smokers [FEMALE][Average number of the most-consumed smoking tobacco product used per day]
11

Daily smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
22.3

Daily smokers [TOTAL (males and females)][Average number of the most-consumed smoking tobacco product used per day]
15

Occasional smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
9.4

Occasional smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
6.8

Occasional smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
7.8

Former smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
30.8

Former smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
24.9

Former smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
27.3

Never smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
29.9

Never smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
52.9

Never smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
43.6

Please indicate the smoking tobacco products included in calculating prevalence for question B11:
tobacco smoking in general (cigarettes, cigars, smoking tobacco)

Please indicate the age range to which the data used to answer question B11 refer: [Age range][From]
16

Please indicate the age range to which the data used to answer question B11 refer: [Age range][To]
64

Please indicate the year of the data used to answer question B11:
2016

Please indicate the source of the data used to answer question B11:
Health Behavior among Estonian Adult Population 2016

Please provide the definitions of "current smoker", "daily smoker", "occasional smoker", "former smoker" and "never smoker" used in this report. [Current smoker]
Daily smokers + occasional smokers

Please provide the definitions of "current smoker", "daily smoker", "occasional smoker", "former smoker" and "never smoker" used in this report. [Daily smoker]
A person who smokes now and who has smoked today and yesterday.

Please provide the definitions of "current smoker", "daily smoker", "occasional smoker", "former smoker" and "never smoker" used in this report. [Occasional smoker]
A person who smokes occasionally (once a month, once a year, once a week)

Please provide the definitions of "current smoker", "daily smoker", "occasional smoker", "former smoker" and "never smoker" used in this report. [Former smoker]
A person who has quit smoking.

Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report. [Never smoker]
A person who has never smoked.

Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.
Basically the same as last years- decreasing little by little.

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]
16

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]
24

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
37

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]
25

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]
34

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
42

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]
35

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]
44

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
40

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]
45

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]
54

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
40

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

Please indicate the smoking tobacco products included in calculating prevalence for question B12:

tobacco smoking in general (cigarettes, cigars, smoking tobacco)

Please indicate the year of the data used to answer question B12:

2016

Please indicate the source of the data used to answer question B12:

Health Behavior among Estonian Adult Population, 2016

Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

Basically the same as last years- a decreasing trend.

Prevalence of smokeless tobacco use in the adult population (all) (Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18-64 years; see B132)

Males [Current users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

6.3

Males [Daily users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

0.5

Males [Occasional users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

5.8

Males [Former users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]
Males [Never users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]
93.7
Females [Current users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]
1.4
Females [Daily users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]
0.1
Females [Occasional users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]
1.3
Females [Former users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]
Females [Never users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]
98.6
TOTAL (males and females) [Current users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]
4.2
TOTAL (males and females) [Daily users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]
0.6
TOTAL (males and females) [Occasional users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]
3.6
TOTAL (males and females) [Former users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]
TOTAL (males and females) [Never users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]
95.8
Please indicate the smokeless tobacco products included in calculating prevalence for question B13:
Dipping tobacco, snuff and chewing tobacco
Please indicate the age range to which the data used to answer question B13 refer: [Age range][From]
16
Please indicate the age range to which the data used to answer question B13 refer: [Age range][To]
64
Please indicate the year of the data used to answer question B13:
2016
Please indicate the source of the data used to answer question B13:
Health Behavior among Estonian Adult Population, 2016
Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below. [Current user]
Daily user + occasional user
Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below. [Daily user]
A person who uses smokeless tobacco now and who has smoked today and yesterday.
Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below. [Occasional user]
A person who uses smokeless tobacco occasionally (once a month, once a year, once a week)

Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below. [Former user]

Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below. [Never user]

A person who has never used smokeless tobacco.

Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.

The same trend as previous years- diminishing.

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - start age]

16

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - end age]

24

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

29

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - start age]

25

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - end age]

34

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

14

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - start age]

35

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - end age]

44

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

2

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - start age]

45

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers2][Range - end age]

54

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - start age]

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - end age]

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - start age]

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - end age]

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - start age]

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Range - end age]

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers2][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

Please indicate the smokeless tobacco products included in the answer to question B14:

Dipping tobacco, snuff and chewing tobacco

Please indicate the year of the data used to answer question B14:

2016

Please indicate the source of the data used to answer question B14:

Health Behavior among Estonian Adult Population, 2016

Please provide a brief explanation of the trend in current use of smokeless tobacco by adult age groups in the past two years or since submission of your last report.

The slightly increasing trend.

Tobacco use by ethnic group(s) (please include all smoking or smokeless tobacco products in prevalence data) [Current users 3][Ethnic group(s)]
Estonian

Tobacco use by ethnic group(s) (please include all smoking or smokeless tobacco products in prevalence data) [Current users 3][MALES - Prevalence (%)]
29.3

Tobacco use by ethnic group(s) (please include all smoking or smokeless tobacco products in prevalence data) [Current users 3][FEMALES - Prevalence (%)]
14.1

Tobacco use by ethnic group(s) (please include all smoking or smokeless tobacco products in prevalence data) [Current users 3][TOTAL (males and females) - Prevalence (%)]

Please indicate the tobacco products included in calculating prevalence for question B16:

smoking tobacco- all smoking tobacco products
smokeless tobacco- snus
other tobacco- water-pipe

Please indicate the year of the data used to answer question B16:

2014

Please indicate the source of the data used to answer question B16:

Health Behaviour in School-aged Children 2013/2014

Please provide the definition of "current smoking/tobacco use" used to answer question B16 in the space below.

Current users- daily smokers + occasional smokers

Please provide a brief explanation of the trend in tobacco use by young persons in the past two years or since submission of your last report.

In the previous report there was data only about the current users of smoking tobacco and compared to the previous report the prevalence has decreased.

Please attach the relevant documentation.

Male [Former smokers][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

Male [Former smokers][Average number of the most-consumed smoking tobacco product used per day]

Male [Never smokers][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

Male [Never smokers][Average number of the most-consumed smoking tobacco product used per day]

B2-B9. HEALTH, SOCIAL AND ECONOMIC INDICATORS

Exposure to tobacco smoke
Do you have any data on exposure to tobacco smoke in your population?
Yes
Please provide details in the space below (e.g. exposure by gender, at home, in the workplace, on public transport).
Distribution (%) of employed respondents by time spent in smoky rooms at workplace: Males: >5 hours a day 4.6 1-5 hours a day 5.9 5 hours a day 0.8 1-5 hours a day 1.7 5 hours a day 2.4 1-5 hours a day 3.4 5 hours a day 1.4 1-5 hours a day 3.0 5 hours a day 0.4 1-5 hours a day 1.9 5 hours a day 0.8 1-5 hours a day 2.4

Health Behavior among Estonian Adult Population, 2016
Please attach the relevant documentation.
filecount - Please attach the relevant documentation.
0
Tobacco-related mortality
Do you have information on tobacco-related mortality in your population?
Yes
What is the estimated total number of deaths attributable to tobacco use in your population?
5825.0000000000
If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.
Please indicate the year of the data used to answer question B32 and 33:
2014
Please indicate the source of the data used to answer questions B32 and B33:
2014, WHO HFA database (http://data.euro.who.int/hfad/)
Please submit a copy of the study you refer to:

Do you have any information on the percentage of illicit tobacco products on the national tobacco market?
Yes

What percentage of the national tobacco market do illicit tobacco products constitute? (%)
20.0000000000

What is the trend over the past two years or since submission of your last report in the percentage of illicit tobacco products in relation to the national tobacco market?
The smuggled tobacco market share of the national tobacco market is slightly declining in recent years. (2014 - 19-22%, 2016 18-21%)

Please provide any further information on illicit tobacco products.

Taxation of tobacco products (with reference to Articles 6.2(a) and 6.3)

What proportion of the retail price of the most popular price category of tobacco product consists of taxes (e.g. sum of excise, sales and import duties (if applicable) and value added tax/goods and services tax (VAT/GST))?
65.7400000000

How are the excise taxes levied (what types of taxes are levied)? [Specific tax only]
No

How are the excise taxes levied (what types of taxes are levied)? [Ad valorem tax only]
No

How are the excise taxes levied (what types of taxes are levied)? [Combination of specific and ad valorem taxes]
Yes

How are the excise taxes levied (what types of taxes are levied)? [More complex structure (please explain below)]
No

If a more complex structure of taxes (please explain):

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties) [Smoking tobacco products][Product]
cigarettes

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties) [Smoking tobacco products][Type of tax]
specific excise

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties) [Smoking tobacco products][Rate or amount]
63,50

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties) [Smoking tobacco products][Base of tax5]
per 1000 cigarettes

C1. GENERAL OBLIGATIONS

With reference to Article 5
Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?
Yes
Have you partially developed and implemented tobacco control strategies by including tobacco control in national health, public health or health promotion strategies, plans and programmes?
N/A
Is any aspect of tobacco control that is referred to in the Convention included in any national strategy, plan or programme?
N/A
Have you established or reinforced and financed: [a focal point for tobacco control?]
Yes
Have you established or reinforced and financed: [a tobacco control unit?]
Yes
Have you established or reinforced and financed: [a national coordinating mechanism for tobacco control?]
Yes
Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).
The focal point for tobacco control is the Ministry of Social Affairs.
Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (General obligations) in the past two years or since submission of your last report.
Ammendments of Tobacco Act from 2017: tobacco point of sale display ban and ban of disanace sale of tobacco products will enter into force in 01.07.2019.
If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.
Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:
protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?
No

ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

No

Please provide details in the space below.

Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

Have you utilized the "Guidelines for implementation of Article 5.3 of the WHO FCTC" when developing or implementing policies in this area?

Yes

Please provide details in the space below or refer to section I of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}&=en>

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Protection from exposure to tobacco smoke Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?
Yes

What is the type/nature of the measure providing for the ban? [national law]
Yes

What is the type/nature of the measure providing for the ban? [subnational law(s)]
No

What is the type/nature of the measure providing for the ban? [administrative and executive orders]
Yes

What is the type/nature of the measure providing for the ban? [voluntary agreements]
Yes

What is the type/nature of the measure providing for the ban? [other measures (please specify in C223 below)]
No

Please provide a brief explanation of the type/nature and content of the measures providing for the ban.

Smoking is prohibited:

- 1) on the premises of children's social welfare institutions and their designated territories;
- 2) on the premises of pre-school child care institutions, basic schools, upper secondary schools, vocational educational institutions, hobby schools, open youth centres or permanent youth camps and youth project camps, and their designated territories;
- 3) on the premises of pharmacies;
- 4) on industrial premises and in warehouses of enterprises;
- 5) in sales areas of shops and mobile shops;
- 6) in catering establishments, except in rooms provided for in subsection 31 (1) of the Tobacco Act
- 7) in enterprises where services specified in clause 3 (2) 4) of the Trading Act or other services are offered, on premises open for clients (except in accommodation establishments);
- 8) in a space intended for sports;
- 9) in changing rooms and lavatories if not in private use;
- 10) in public transport shelters, passenger waiting rooms and passenger terminals;
- 11) in vehicles used for the provision of passenger service, except in vehicles specified in clause 30 (2) 6) of this Act;
- 12) in the immediate vicinity of tanker vessels, petrol storage tanks or petrol pumps;
- 13) in the vicinity of flammable or combustible chemicals, at a site with flammable or combustible areas, places where dangerous goods are loaded, in the vicinity of consignments ready to be loaded, near standing transport units and in transport units;
- 14) in the territory of an explosive substances store, at a distance of up to twenty metres from the place where explosive substances are stored on board a ship, in the rooms of a pyrotechnic articles store or in the vicinity of ammunition containing explosive substances;
- 15) in the workings of a mine, lamp rooms and battery-charging rooms and at a distance of up to twenty metres from a portal;
- 16) upon loading of cartridges in the vicinity of propellant, in weapons magazines, weapons stores and weapons rooms;
- 17) in forests and other areas covered with vegetation during a fire hazard period;
- 18) in pedestrian tunnels;
- 19) corridors and stairwells of apartment buildings, and other rooms which are in common use in apartment buildings;
- 20) in other places prescribed by legislation.

(2) It is prohibited to consume products used similarly to tobacco products in the places specified in clauses (1) 1) and 2) of this section.

Since 2017 indoor smoking areas will be banned also. In 2015 the local government prohibited smoking in public beaches.

Do any of these measures provide for a mechanism/ infrastructure for enforcement?
No

Please provide details of this system.

D. INTERNATIONAL COOPERATION AND ASSISTANCE

Pursuant to Article 21.1(c) and in accordance with Article 26, have you either provided or received financial or technical assistance (be it through unilateral, bilateral, regional, subregional or other multilateral channels, including relevant regional and international intergovernmental or nongovernmental organizations and financial and development institutions) for the development and strengthening of multisectoral, comprehensive tobacco control programmes of developing country Parties and Parties with economies in transition in any of the following areas:

development, transfer and acquisition of technology, knowledge, skills, capacity and expertise related to tobacco control? [Assistance provided]

No

development, transfer and acquisition of technology, knowledge, skills, capacity and expertise related to tobacco control? [Assistance received]

No

provision of technical, scientific, legal and other expertise to establish and strengthen national tobacco control strategies, plans and programmes? [Assistance provided]

No

provision of technical, scientific, legal and other expertise to establish and strengthen national tobacco control strategies, plans and programmes? [Assistance received]

No

appropriate training or sensitization programmes for appropriate personnel in accordance with Article 12? [Assistance provided]
No

appropriate training or sensitization programmes for appropriate personnel in accordance with Article 12? [Assistance received]
No

provision of the necessary material, equipment and supplies, as well as logistic support, for tobacco control strategies, plans and programmes? [Assistance provided]
No

provision of the necessary material, equipment and supplies, as well as logistic support, for tobacco control strategies, plans and programmes? [Assistance received]
No

identification of methods for tobacco control, including comprehensive treatment of nicotine addiction? [Assistance provided]
No

identification of methods for tobacco control, including comprehensive treatment of nicotine addiction? [Assistance received]
No

promotion of research to increase the affordability of comprehensive treatment of nicotine addiction? [Assistance provided]
No

promotion of research to increase the affordability of comprehensive treatment of nicotine addiction? [Assistance received]
No

Please identify the Party or Parties from which assistance was received or to which assistance was provided.

Please provide information about any assistance provided or received in the space below.

If you have not received or provided assistance in any of the aforementioned areas, please identify any financial or technical assistance that may be under consideration, if appropriate.

Have you encouraged relevant regional and international intergovernmental organizations and financial and development institutions in which you are represented to provide financial assistance for developing country Parties and for Parties with economies in transition to assist them in meeting their obligations under the Convention?
No

Please provide details in the space below.

E. PRIORITIES AND COMMENTS

What are the priorities for implementation of the WHO Framework Convention on Tobacco Control in your jurisdiction?
Eliminate illicit trade of tobacco products.

Have you identified any specific gaps between the resources available and the needs assessed for implementing the WHO Framework Convention on Tobacco Control?
No

Please provide details in the space below.

What, if any, are the constraints or barriers, other than lack of resources, you have encountered in implementing the Convention?
The opposition of the tobacco industry lobby in other governmental and public institutions and the Parliament in implementing stricter tobacco control policies.

Do you have any of the following products available on your national tobacco market? [smokeless tobacco products]
No

Do you have any of the following products available on your national tobacco market? [water pipe tobacco]

Yes

Do you have any of the following products available on your national tobacco market? [ENDS/ENNDS]

Yes

Do you have any of the following products available on your national tobacco market? [Other]

Have you adopted and implemented any policy or regulation that is specific to the following tobacco products? [smokeless tobacco products]

Yes

Have you adopted and implemented any policy or regulation that is specific to the following tobacco products? [water pipe tobacco]

Yes

Have you adopted and implemented any policy or regulation that is specific to the following tobacco products? [ENDS/ENNDS]

Yes

Have you adopted and implemented any policy or regulation that is specific to the following tobacco products? [Other]

If you have any relevant information related to questions E5 and E6, please provide details in the space below.
Smokeless tobacco products are prohibited in Estonia. Water pipe tobacco has the same regulations as smoking tobacco in Estonia.

Please provide any other relevant information not covered elsewhere that you consider important.

Your suggestions for further development and revision of the reporting instrument:
