Period of reporting:

| | Month | Year |
|------------|-----------|-----------|
| Start date | March (3) | 2018 (19) |
| End date | March (3) | 2020 (21) |

B1. TOBACCO CONSUMPTION

Prevalence of tobacco use

Smoking prevalence in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)

Current smokers

Prevalence (%)
(please include all smoking tobacco products in prevalence data)

Average number of the most-consumed smoking tobacco product used per day

Daily smokers

Prevalence (%)
(please include all smoking tobacco products in prevalence data)

Average number of the most-consumed smoking tobacco product used per day

Occasional smokers

Prevalence (%)
(please include all smoking tobacco products in prevalence data)

Former smokers

Prevalence (%)
(please include all smoking tobacco products in prevalence data)

Never smokers

Prevalence (%)
(please include all smoking tobacco products in prevalence data)

Please indicate the smoking tobacco products included in calculating prevalence for question B11:

Please indicate the age range to which the data used to answer question B11 refer:

From To

Please indicate the year of the data used to answer question B11:

2000

Please indicate the source of the data used to answer question B11:

Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report.

Current smoker

Daily smoker

Occasional smoker

Former smoker

Never smoker

Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.

There is no data to provide trends in the adult population as no research was conducted.

Smoking prevalence in the adult population (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

| Range - start age | Range - end age | Prevalence (%) (please include all smoking tobacco products in prevalence data) |
|----------------------|--------------------|---|
|----------------------|--------------------|---|

Please indicate the smoking tobacco products included in calculating prevalence for question B12:

Please indicate the year of the data used to answer question B12:

2000

Please indicate the source of the data used to answer question B12:

Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

Prevalence of smokeless tobacco use in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18–64 years; see B132)

Males

Prevalence (%)

(please include all smokeless tobacco products in prevalence data)

Females

Prevalence (%)

(please include all smokeless tobacco products in prevalence data)

TOTAL (males and females)

Prevalence (%)

(please include all smokeless tobacco products in prevalence data)

Please indicate the smokeless tobacco products included in calculating prevalence for question B13:

Please indicate the age range to which the data used to answer question B13 refer:

From To

Please indicate the year of the data used to answer question B13:

2000

Please indicate the source of the data used to answer question B13:

Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below.

Current user

Daily user

Occasional user

Former user

Never user

Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.

Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

| Range - start age | Range - end age | Prevalence (%) (please include all smoking tobacco products in prevalence data) |
|-------------------|-----------------|--|
|-------------------|-----------------|--|

Please indicate the smokeless tobacco products included in the answer to question B14:

Please indicate the year of the data used to answer question B14:

2000

Please indicate the source of the data used to answer question B14:

Please provide a brief explanation of the trend in current use of smokeless tobacco by adult age groups in the past two years or since submission of your last report.

Tobacco use by ethnic group(s)

(please include all smoking or smokeless tobacco products in prevalence data)

| Ethnic group(s) | MALES - Prevalence (%) | FEMALES - Prevalence (%) | TOTAL (males and females) - Prevalence (%) |
|-----------------|------------------------|--------------------------|--|
|-----------------|------------------------|--------------------------|--|

Please indicate the tobacco products included in the answer to question B15:

Please indicate the age range to which the data used to answer question B15 refer:

From To

Please indicate the year of the data used to answer question B15:

2000

Please indicate the source of the data used to answer question B15:

Tobacco use by young persons

(please include all smoking or smokeless tobacco products in prevalence data)

| | Age range | SMOKING TOBACCO - Prevalence (%) | SMOKELESS TOBACCO - Prevalence (%) | WATER PIPE - Prevalence (%) |
|---|----------------------|---|---|--|
| BOYS - Current users ⁴ | 13-15 | 12.5 | 2.0 | |
| GIRLS - Current users ⁴ | 13-15 | 7.1 | 1.6 | |
| TOTAL (boys and girls) - Current users ⁴ | 13-15 | 9.7 | 1.8 | |

Please indicate the tobacco products included in calculating prevalence for question B16:

Manufactured cigarettes

Please indicate the year of the data used to answer question B16:

2016

Please indicate the source of the data used to answer question B16:

Grenada GYTS

Please provide the definition of “current smoking/tobacco use” used to answer question B16 in the space below.

Tobacco use in the last 30 days

Please provide a brief explanation of the trend in tobacco use by young persons in the past two years or since submission of your last report.

The trend shows an increase in the percentage of tobacco use

Please attach the relevant documentation.

Use of novel and emerging tobacco and nicotine products

| Age range | Heated tobacco products (HTPs) - Prevalence (%) | Electronic Nicotine Delivery Systems (ENDS) - Prevalence (%) | Electronic Non-Nicotine Delivery Systems (ENNDS) - Prevalence (%) | Other products - Prevalence (%) |
|--|---|--|---|---------------------------------|
| YOUNG PERSONS - Boys | | 9.7 | | |
| YOUNG PERSONS - Girls | | 4.9 | | |
| YOUNG PERSONS - Total (boys and girls) | | 7.2 | | |

B2-B9. HEALTH, SOCIAL AND ECONOMIC INDICATORS

Exposure to tobacco smoke

Do you have any data on exposure to tobacco smoke in your population?

Yes ✓

Please provide details in the space below (e.g. exposure by gender, at home, in the workplace, on public transport).

At home overall 18.2% of respondents of the GYTS (17% male and 18.6% female)

Please indicate the year of the data used to answer question B21:

2016

Please indicate the source of the data used to answer question B21:

Grenada GYTS

Please attach the relevant documentation.

No comment

File type "pdf"

Tobacco-related mortality

Do you have information on tobacco-related mortality in your population?

No ✘

If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.

NA

Please indicate the year of the data used to answer question B32 and 33:

2019

Please indicate the source of the data used to answer questions B32 and B33:

N/A

Please submit a copy of the study you refer to:

Tobacco-related costs

Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?

No ✘

Please submit a copy of the study you refer to:

Supply of tobacco and tobacco products

(with reference to Articles 6.2(b), 20.4(c), and 15.5)

Licit supply of tobacco products

| | Product | Unit (e.g. pieces, tonnes) | Domestic production | Retail sales | Exports | Imports |
|--------------------------|----------------|-----------------------------------|----------------------------|---------------------|----------------|----------------|
| Smoking tobacco products | Cigarettes | | None | | None | |
| Smoking tobacco products | Cigar | | None | | None | |
| Other tobacco products | Pipe/Chewing | | None | | None | |

Please provide information on the volumes of duty-free sales (e.g. product, unit, quantity), if available.

Please indicate the year of the data used to answer question B51 and 52:

Please indicate the source of the data used to answer questions B51 and B52:

Please attach the relevant documentation.

Seizures of illicit tobacco products

(with reference to Article 15.5)

Seizures of illicit tobacco

| Year | Product | Unit (e.g. pieces, tonnes) | Quantity seized |
|-------------|----------------|-----------------------------------|------------------------|
|-------------|----------------|-----------------------------------|------------------------|

Do you have any information on the percentage of illicit tobacco products on the national tobacco market?

No ✘

Please provide any further information on illicit tobacco products.

Please indicate the source of the data used to answer questions in section B6:

Please attach the relevant documentation.

Tobacco-growing

Is there any tobacco-growing in your jurisdiction?

No ✘

Please indicate the year of the data used to answer questions in section B7:

2019

Please indicate the source of the data used to answer questions in section B7:

Information for Ministry of Agriculture

Please attach the relevant documentation.

Taxation of tobacco products

(with reference to Articles 6.2(a) and 6.3)

What proportion of the retail price of the most popular price category of tobacco product consists of taxes (e.g. sum of excise, sales and import duties (if applicable) and value added tax/goods and services tax (VAT/GST))?

How are the excise taxes levied (what types of taxes are levied)?

- Specific tax only
 Ad valorem tax only Yes
 Combination of specific and ad valorem taxes
 More complex structure (please explain below)

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties)

| | Product | Type of tax | Rate or amount | Base of tax⁵ |
|----------------------------|----------------|------------------------|-----------------------|--------------------------------|
| Smoking tobacco products | Cigarettes | Common External Tariff | 35% | CIF |
| Smoking tobacco products | Cigarettes | Customs Service Charge | 6% | CIF |
| Smoking tobacco products | Cigarettes | Excise Tax | 105% | CIF+CET+CSC |
| Smoking tobacco products | Cigarettes | Value added tax | 15% | CIF+CET+CSC+EXT |
| Smoking tobacco products | Cigars | Common External Tariff | 35% | CIF |
| Smoking tobacco products | Cigars | Customs Service Charge | 6% | CIF |
| Smoking tobacco products | Cigars | Excise Tax | 105% | CIF+CET+CSC |
| Smoking tobacco products | Cigars | Value added tax | 15% | CIF+CET+CSC+EXT |
| Smokeless tobacco products | Snuff | Common External Tariff | 35% | CIF |
| Smokeless tobacco products | Snuff | Customs Service Charge | 6% | CIF |
| Smokeless tobacco products | Snuff | Excise Tax | 35% | CIF+CET+CSC |
| Smokeless tobacco products | Snuff | Value added tax | 15% | CIF+CET+CSC+EXT |

Please briefly describe the trends in taxation for tobacco products in the past two years or since submission of your last report in your jurisdiction.

There has been no change in the Rates on Tobacco Products and from the Customs Standpoint we are basically enforcing the Law and ensuring that the correct duties are declared and collected. Brands such as:-Benson & Hedges ,Du Maurier and Silk Cut ,have been delisted.

Do you earmark any percentage of your taxation income for funding any national plan or strategy on tobacco control in your jurisdiction?

No ✕

Please indicate the year of the data used to answer questions B81 to B86:

2016

Please indicate the source of the data used to answer questions B81 to B86:

ASYCUDA WORLD SYSTEM

C1. GENERAL OBLIGATIONS

With reference to Article 5

Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

No ✘

Have you partially developed and implemented tobacco control strategies by including tobacco control in national health, public health or health promotion strategies, plans and programmes?

Yes ✔

Have you established or reinforced and financed:

| | |
|--|-----|
| a focal point for tobacco control? | Yes |
| a tobacco control unit? | No |
| a national coordinating mechanism for tobacco control? | Yes |

Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

Multisectoral National Tobacco Control Management Committee (Advisory Body) Ministry of Health and Social Security

Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (*General obligations*) in the past two years or since submission of your last report.

A draft comprehensive tobacco control legislation have been developed and is before the legal department for drafting and ratification

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

NA

Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

No

ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

No

Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

N/A

Have you utilized the "Guidelines for implementation of Article 5.3 of the WHO FCTC" when developing or implementing policies in this area?

No

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

NA

Please attach the relevant documentation.

C2. MEASURES RELATING TO THE REDUCTION OF DEMAND FOR TOBACCO

With reference to Articles 6–14

Price and tax measures to reduce the demand for tobacco

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

tax policies and, where appropriate, price policies on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption?

Yes ✓

prohibiting or restricting, as appropriate, sales to international travellers of tax- and duty-free tobacco products?

Yes ✓

prohibiting or restricting, as appropriate, imports by international travellers of tax- and duty-free tobacco products?

Yes ✓

Please provide a brief description of the progress made in implementing Article 6 (*Price and tax measures to reduce the demand for tobacco*) in the past two years or since submission of your last report.

Tobacco products carry a very high Excise tax rate which had a 95% Excise Tax rate from 2010. Subsequently, there was a legislative change in 2014, but was effected in 2015. Please see the attached: Excise Tax Order No.2 of 2014.

Have you utilized the "Guidelines for implementation of Article 6 of the WHO FCTC" when developing or implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Protection from exposure to tobacco smoke

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?

Yes ✓

What is the type/nature of the measure providing for the ban?

national law
 subnational law(s)
 administrative and executive orders Yes
 voluntary agreements
 other measures (please specify in C223 below)

Please provide a brief explanation of the type/nature and content of the measures providing for the ban.

Cabinet Conclusion banning smoking in all government buildings and public places

Do any of these measures provide for a mechanism/ infrastructure for enforcement?

No

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Indoor workplaces:

| | |
|-------------------------------------|----------|
| government buildings | Complete |
| health-care facilities | Complete |
| educational facilities ⁶ | Complete |
| universities | Partial |
| private workplaces | None |
| other (please specify below) | |

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Public transport:

| | |
|--|----------|
| airplanes | Complete |
| trains | None |
| ferries | Complete |
| ground public transport (buses, trolleybuses, trams) | Complete |
| motor vehicles used as places of work (taxis, ambulances, delivery vehicles) | Complete |
| private vehicles | None |
| other (please specify below) | |

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Indoor public places:

cultural facilities None

shopping malls None

pubs and bars None

nightclubs None

restaurants None

other (please specify below)

Please provide a brief summary of complete and partial measures, with specific details of the partial measures that have been implemented:

Banning tobacco smoking in indoor workplaces

Persons are not allowed to smoke inside the building

Banning tobacco smoking in public transport

Our public transport system is provided by private owners who do not allow persons to smoke on their transport

Banning tobacco smoking in indoor public places

Smoking is allowed, however owners have placed banns

Please provide a brief description of the progress made in implementing Article 8 (*Protection from exposure to tobacco smoke*) in the past two years or since submission of your last report.

Very little progress have been made

Have you utilized the "Guidelines for implementation of Article 8 of the WHO FCTC" when developing or implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

NA

Please attach the relevant documentation.

Regulation of the contents of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

testing and measuring the contents of tobacco products?

No

testing and measuring the emissions of tobacco products?

No

regulating the contents of tobacco products?

No

regulating the emissions of tobacco products?

No

Please provide a brief description of the progress made in implementing Article 9 (*Regulation of the contents of tobacco products*) in the past two years or since submission of your last report.

NA

Have you utilized the "Guidelines for implementation of Articles 9 and 10 of the WHO FCTC" when developing or implementing policies in this area?

No

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g., whether your country 1) has incorporated product regulation in the national tobacco control legislation; 2) has access to either governmental or independent – not owned or controlled by the tobacco industry – laboratories for testing contents and/or emissions of tobacco products; 3) has regulated ingredients, such as flavours (e.g. menthol); 4) has regulated product characteristics, such as design features (e.g., cigarette ventilation); etc.).

NA

Please attach the relevant documentation.

Regulation of tobacco product disclosures

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the:

contents of tobacco products? Yes
emissions of tobacco products?

requiring public disclosure of information about the:

contents of tobacco products? Yes
emissions of tobacco products?

Please provide a brief description of the progress made in implementing Article 10 (*Regulation of tobacco product disclosures*) in the past two years or since submission of your last report.

NA

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether your country has incorporated tobacco product disclosures in the national tobacco control legislation; has regulated the public disclosure of toxic constituents and emissions of tobacco products, aiming to raise public awareness and advance tobacco control policy; etc.).

NA

Please attach the relevant documentation.

Packaging and labelling of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?

No ✘

requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

No ✘

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?

Yes ✔

ensuring that the health warnings are approved by the competent national authority?

Yes ✔

ensuring that the health warnings are rotated?

No ✘

ensuring that the health warnings are clear, visible and legible?

Yes ✔

Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?

No ✘

ensuring that the health warnings occupy no less than 30% of the principal display areas?

No

ensuring that the health warnings occupy 50% or more of the principal display areas?

No

ensuring that health warnings are in the form of, or include, pictures or pictograms?

No

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant:

constituents of tobacco products? No

emissions of tobacco products? No

requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

No

Please provide a brief description of the progress made in implementing Article 11 (*Packaging and labelling of tobacco products*) in the past two years or since submission of your last report.

NA

Have you utilized the "Guidelines for implementation of Article 11 of the WHO FCTC" when developing or implementing policies in this area?

No

If you have any other relevant information pertaining to or not covered in this section, please provide details in the space below.

NA

Please attach the relevant documentation.

Education, communication, training and public awareness

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

educational and public awareness programmes? (*Please refer to programmes implemented since submission of your two-year report.*)

No ✘

awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control:

public agencies?

nongovernmental organizations not affiliated with the tobacco industry?

private organizations?

other (please specify)?

Other

Are the elaboration, management and implementation of communication, education, training and public awareness programmes guided by research and do they undergo pre-testing, monitoring and evaluation?

No ✘

Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to:

health workers?

community workers?

social workers?

media professionals?

educators?

decision-makers?

administrators?

other (please specify)

Other

Please provide a brief description of the progress made in implementing Article 12 (*Education, communication, training and public awareness*) in the past two years or since submission of your last report.

No specific program was implemented, tobacco control education was incorporated in chronic disease prevention education and awareness

Have you utilized the "Guidelines for implementation of Article 12 of the WHO FCTC" when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

NA

Please attach the relevant documentation.

Tobacco advertising, promotion and sponsorship

Have you adopted and implemented, where appropriate, any legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes:

instituting a comprehensive ban on all tobacco advertising, promotion and sponsorship?

No

are you precluded by your constitution or constitutional principles from undertaking a comprehensive ban on tobacco advertising, promotion and sponsorship?

No

applying restrictions on all tobacco advertising, promotion and sponsorship?

No

applying restrictions on cross-border advertising, promotion and sponsorship originating from your territory with cross-border effects?

No

prohibiting those forms of tobacco advertising, promotion and sponsorship that promote a tobacco product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

No

requiring that health or other appropriate warnings or messages accompany all tobacco advertising, promotion and sponsorship?

No

restricting the use of direct or indirect incentives that encourage the purchase of tobacco products by the public?

No

requiring the disclosure to relevant Government authorities of expenditures by the tobacco industry on advertising, promotion and sponsorship not yet prohibited?

No ✘

restricting tobacco advertising, promotion and sponsorship on:

- radio?
 - television?
 - print media?
 - the domestic Internet?
 - the global Internet?
 - other media (please specify below)?
 - Other
-

restricting tobacco sponsorship of:

- international events and activities?
 - participants therein?
-

cooperating with other Parties in the development of technologies and other means necessary to facilitate the elimination of cross-border advertising?

No ✘

imposing penalties for cross-border advertising equal to those applicable to domestic advertising, promotion and sponsorship originating from your territory in accordance with national law?

No ✘

Please provide a brief description of the progress made in implementing Article 13 (*Tobacco advertising, promotion and sponsorship*) in the past two years or since submission of your last report.

Nil

Have you utilized the "Guidelines for implementation of Article 13 of the WHO FCTC" when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

NA

Please attach the relevant documentation.

Demand reduction measures concerning tobacco dependence and cessation

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

developing and disseminating appropriate, comprehensive and integrated guidelines based on scientific evidence and best practices?

No

programmes to promote cessation of tobacco use, including:

- media campaigns emphasizing the importance of quitting?
 - programmes specially designed for underage girls and young women?
 - programmes specially designed for women?
 - programmes specially designed for pregnant women?
 - telephone quitlines?
 - local events, such as activities related to World No Tobacco Day or National No Smoking Day, if appropriate?
 - other (please specify)?
 - Other
-

design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as:

- educational institutions?
 - health-care facilities?
 - workplaces?
 - sporting environments?
 - other (please specify)?
 - Other
-

inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for:

- tobacco control?
 - health?
 - education?
-

inclusion of programmes on the diagnosis and treatment of tobacco dependence in your health-care system?

training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools:

- medical?
- dental?
- nursing?
- pharmacy?
- Other

facilitating accessibility and/or affordability of pharmaceutical products for the treatment of tobacco dependence?

Please provide a brief description of the progress made in implementing Article 14 (*Demand reduction measures concerning tobacco dependence and cessation*) in the past two years or since submission of your last report.

NA

Have you utilized the “Guidelines for implementation of Article 14 of the WHO FCTC” when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

NA

Please attach the relevant documentation.
