C268. Please provide a brief description of the progress made in implementing Article 12 (Education, communication, training and public awareness) in the past two years or since submission of your last report.

The following initiatives were organized by the Health Promotion and Disease Prevention Directorate aimed for the general public:

- Carrying out awareness and educational campaigns, such as World Cancer Day, World No Tobacco Day, World Heart Day and World Heart Failure Day.
- Being part of Healthy Weeks organized by public and private organizations.
- Ongoing provision of one-to-one smoking cessation counselling at community health clinics covering all geographical areas.
- Ongoing provision (on demand) of smoking cessation counselling (in group format) at various workplaces.

Tobacco Free Campaigns can be found on

-<https://deputyprimeminister.gov.mt/en/environmental/tobaccofree/Pages/Tobaccofree/TobaccoFreeLife.aspx>.

Also on Facebook - Health Promotion and Disease Prevention Directorate . The Health Promotion and Disease Prevention Directorate offers Tobacco Cessation Support Services including self-help through leaflets; intensive free one-to-one counselling services (in collaboration with the Primary Health Care Department) by specially trained smoking cessation advisors and five week educational smoking cessation programs provided for employees at their place of work delivered by trained health professionals.

Following a smoking ban in cars when minors (under the age of 16 years) are present, training sessions were provided to local wardens and police officers.

In October 2016 selected health professionals, working in tobacco cessation services, underwent a five day observation visit with Health Services Executive (HSE) Dublin. This visit provided them the opportunity to observe tobacco cessation services within Dublin so as to form a basis for strengthening the national Tobacco cessation services. For so after this visit the delegation continued to work together for the preparation of a draft Tobacco Action Plan. This Action Plan was later discussed in a stakeholder meeting which was held on the 13th June, 2017.

Key stakeholders present in the discussion included representatives from primary health care, dental department, acute health services, mental health services, oncology centre, active ageing department, environmental health, secondary education and university.

The Tobacco Action Plan is expected to form part of the Tobacco Control Strategy which will be issued by the Superintendence of Public Health in the next twelve months
