## Period of reporting:

|            | Month       | Year      |
|------------|-------------|-----------|
| Start date | January (1) | 2018 (19) |
| End date   | 2011 (12)   | 2019 (20) |

---

## B1. TOBACCO CONSUMPTION

### Prevalence of tobacco use

---

#### Smoking prevalence in the adult population (all)

*(Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)*

---

#### Current smokers

|                                 | Prevalence (%)<br>(please include all smoking<br>tobacco products in prevalence<br>data) | Average number of the most-consumed<br>smoking tobacco product used per day |
|---------------------------------|--|---|
| MALE                            | 12.40  | 5.70  |
| FEMALE                          | 1.80   | 0.30  |
| TOTAL<br>(males and<br>females) | 6.80   | 5.30  |

---

## Daily smokers

|                              | <b>Prevalence (%)</b><br><b>(please include all smoking tobacco products in prevalence data)</b> | <b>Average number of the most-consumed smoking tobacco product used per day</b> |
|------------------------------|--|---|
| MALE                         | 9.10   | 5.70  |
| FEMALE                       | 1.00   | 0.30  |
| TOTAL<br>(males and females) | 4.80   | 5.30  |

## Occasional smokers

|                           | <b>Prevalence (%)</b><br><b>(please include all smoking tobacco products in prevalence data)</b> |
|---------------------------|--|
| MALE                      | 3.30   |
| FEMALE                    | 0.90   |
| TOTAL (males and females) | 2.00   |

## Former smokers

|                           | <b>Prevalence (%)</b><br><b>(please include all smoking tobacco products in prevalence data)</b> |
|---------------------------|--|
| MALE                      | 6.60   |
| FEMALE                    | 1.10   |
| TOTAL (males and females) | 3.70   |

## Never smokers

**Prevalence (%)**  
**(please include all smoking tobacco products in prevalence data)**

|                           |       |
|---------------------------|-------|
| MALE                      | 81    |
| FEMALE                    | 97.10 |
| TOTAL (males and females) | 89.50 |

Please indicate the smoking tobacco products included in calculating prevalence for question B11:

Cigarette industrielle, cigarette roulée à la main, pipe de Tabac, autres type de produit du tabac y compris les cigares

Please indicate the age range to which the data used to answer question B11 refer:

|           | <b>From</b> | <b>To</b> |
|-----------|-------------|-----------|
| Age range | 15          | 64        |

Please indicate the year of the data used to answer question B11:

2010

Please indicate the source of the data used to answer question B11:

2010 : enquête STEPS au Togo sur les facteurs de risque des maladies non transmissibles

Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report.

|                   |   |
|-------------------|---|
| Current smoker    | Actuellement fumeur : personne qui fume quotidiennement ou occasionnellement des produits du tabac                          |
| Daily smoker      | Fumant quotidiennement : personne qui fume des produits du tabac chaque jour  |
| Occasional smoker | Fumant occasionnellement : personne qui fume des produits du tabac de temps à autre   |
| Former smoker     | Ancien fumeurs : personne qui a arrêté de fumer du tabac ou ses produits dérivés depuis au moins un an au jour de l'enquête |
| Never smoker      | Nayant jamais fumé : personne qui na jamais fumé du tabac ou ses produits dérivés   |

Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.

C'est la première enquête du genre et les données actuelles constituent les données de bases pour les études ultérieures. Cependant eu égard à la quantité de tabac importé qui a baissée de 27 % nous pensons que cette tendance est à la baisse

---

## Smoking prevalence in the adult population (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

|   | Range -<br>start age | Range -<br>end age | Prevalence (%)<br>(please include all smoking tobacco<br>products in prevalence data) |
|---|----------------------|--------------------|---|
| MALES - current smokers <sup>1</sup>                        | 15                   | 24                 | 3   |
| MALES - current smokers <sup>1</sup>                        | 25                   | 34                 | 15  |
| MALES - current smokers <sup>1</sup>                        | 35                   | 44                 | 19  |
| MALES - current smokers <sup>1</sup>                        | 45                   | 54                 | 20  |
| MALES - current smokers <sup>1</sup>                        | 55                   | 64                 | 21  |
| FEMALES - current<br>smokers <sup>1</sup>                   | 15                   | 24                 | 0   |
| FEMALES - current<br>smokers <sup>1</sup>                   | 25                   | 34                 | 1   |
| FEMALES - current<br>smokers <sup>1</sup>                   | 35                   | 44                 | 2   |
| FEMALES - current<br>smokers <sup>1</sup>                   | 45                   | 54                 | 5   |
| FEMALES - current<br>smokers <sup>1</sup>                   | 55                   | 64                 | 6   |
| TOTAL (males and females)<br>- current smokers <sup>1</sup> | 15                   | 24                 | 2   |
| TOTAL (males and females)<br>- current smokers <sup>1</sup> | 25                   | 34                 | 8   |
| TOTAL (males and females)<br>- current smokers <sup>1</sup> | 35                   | 44                 | 10  |
| TOTAL (males and females)<br>- current smokers <sup>1</sup> | 45                   | 54                 | 11  |
| TOTAL (males and females)<br>- current smokers <sup>1</sup> | 55                   | 64                 | 13  |

Please indicate the smoking tobacco products included in calculating prevalence for question B12:

Cigarette industrielle, cigarette roulée à la main, pipe de Tabac, autres type de produit du tabac y compris les cigares

Please indicate the year of the data used to answer question B12:

2010

Please indicate the source of the data used to answer question B12:

2011 : enquête STEPS au Togo sur les facteurs de risque des maladies non transmissibles

Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

C'est la première enquête du genre et les données actuelles constituent les données de bases pour les études ultérieures. Cependant eu égard à la quantité de tabac importé qui a baissée de 27 % nous pensons que cette tendance est à la baisse

## Prevalence of smokeless tobacco use in the adult population (all)

*(Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18–64 years; see B132)*

### Males

**Prevalence (%)**  
**(please include all smokeless tobacco products in prevalence data)**

|                  |       |
|------------------|-------|
| Current users    | 5.10  |
| Daily users      | 4.00  |
| Occasional users | 1.10  |
| Former users     | 6.50  |
| Never users      | 88.40 |

## Females

**Prevalence (%)**  
**(please include all smokeless tobacco products in prevalence data)**

|                  |       |
|------------------|-------|
| Current users    | 2.20  |
| Daily users      | 1.40  |
| Occasional users | 0.80  |
| Former users     | 1.10  |
| Never users      | 96.70 |

## TOTAL (males and females)

**Prevalence (%)**  
**(please include all smokeless tobacco products in prevalence data)**

|                  |       |
|------------------|-------|
| Current users    | 3.60  |
| Daily users      | 2.60  |
| Occasional users | 0.80  |
| Former users     | 3.70  |
| Never users      | 92.70 |

Please indicate the smokeless tobacco products included in calculating prevalence for question B13:

Tabac prisé, mâché, feuille de bétel chiqué (tabac prisé voie oral et nasale) tabac mâché

Please indicate the age range to which the data used to answer question B13 refer:

|           | <b>From</b> | <b>To</b> |
|-----------|-------------|-----------|
| Age range | 15          | 64        |

Please indicate the year of the data used to answer question B13:

2010

Please indicate the source of the data used to answer question B13:

2010 : enquête STEPS au Togo sur les facteurs de risque des maladies non transmissibles

Please provide the definitions of “current user”, “daily user”, “occasional user”, “former user” and “never user” (of smokeless tobacco products) used in this report in the space below.

|                 |   |
|-----------------|---|
| Current user    | Actuellement fumeur : personne qui fume quotidiennement ou occasionnellement des produits du tabac                          |
| Daily user      | Fumant quotidiennement : personne qui fume des produits du tabac chaque jour  |
| Occasional user | Fumant occasionnellement : personne qui fume des produits du tabac de temps à autre   |
| Former user     | Ancien fumeurs : personne qui a arrêté de fumer du tabac ou ses produits dérivés depuis au moins un an au jour de l'enquête |
| Never user      | Nayant jamais fumé : personne qui n'a jamais fumé du tabac ou ses produits dérivés  |

---

Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.

C'est la première enquête du genre et les données actuelles constituent les données de bases pour les études ultérieures. Cependant eu égard à la quantité de tabac importé qui a baissé de 27 % nous pensons que cette tendance est à la baisse

---

## Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

|   | Range -<br>start age | Range -<br>end age | Prevalence (%)<br>(please include all smoking tobacco<br>products in prevalence data) |

| Current users <sup>3</sup> | KABYE - TEM                 | 14.10                             | 2.20                                | 8.10  |
| Current users <sup>3</sup> | PARA -<br>GOURMAN -<br>AKAN | 19.20                             | 4.10                                | 11.70   |

Please indicate the tobacco products included in the answer to question B15:

Cigarette industrielle, cigarette roulée à la main, pipe de Tabac, autres type de produit du tabac y compris les cigares Tabac prisé, mâché, feuille de bétel chiqué (tabac prisé voie oral et nasale) tabac mâché

Please indicate the age range to which the data used to answer question B15 refer:

|           | <b>From</b> | <b>To</b> |
|-----------|-------------|-----------|
| Age range | 15          | 64        |

Please indicate the year of the data used to answer question B15:

2010

Please indicate the source of the data used to answer question B15:

2010 : enquête STEPS au Togo sur les facteurs de risque des maladies non transmissibles

## Tobacco use by young persons

(please include all smoking or smokeless tobacco products in prevalence data)

|   | <b>Age range</b> | <b>SMOKING TOBACCO - Prevalence (%)</b> | <b>SMOKELESS TOBACCO - Prevalence (%)</b> | <b>WATER PIPE - Prevalence (%)</b> |
|---|------------------|---|---|------------------------------------|
| BOYS - Current users <sup>4</sup>                   | 13 - 15          | 14.40                                   | 4.9                                       |                                    |
| GIRLS - Current users <sup>4</sup>                  | 13 - 15          | 6.6                                     | 3.5                                       |                                    |
| TOTAL (boys and girls) - Current users <sup>4</sup> | 13 - 15          | 11.2                                    | 4.3                                       |                                    |

Please indicate the tobacco products included in calculating prevalence for question B16:

Cigarette industrielle, cigarette roulée à la main, pipe de Tabac, autres type de produit du tabac y compris les cigares Tabac prisé, mâche, feuille de bétel chiqué (tabac prisé voie oral et nasale) tabac mâché

Please indicate the year of the data used to answer question B16:

2013

Please indicate the source of the data used to answer question B16:

TOGO - GYTS - 2013

Please provide the definition of “current smoking/tobacco use” used to answer question B16 in the space below.

Actuellement consommateur : personne qui consomme quotidiennement ou occasionnellement des produits du tabac

Please provide a brief explanation of the trend in tobacco use by young persons in the past two years or since submission of your last report.

En hausse comparé aux données du GYTS 2007

Please attach the relevant documentation.

## Use of novel and emerging tobacco and nicotine products

| Age range | Heated tobacco products (HTPs) - Prevalence (%) | Electronic Nicotine Delivery Systems (ENDS) - Prevalence (%) | Electronic Non-Nicotine Delivery Systems (ENNDS) - Prevalence (%) | Other products - Prevalence (%) |
|-----------|---|--|---|---------------------------------|
|           |   |  |   |                                 |

## B2-B9. HEALTH, SOCIAL AND ECONOMIC INDICATORS

### Exposure to tobacco smoke

Do you have any data on exposure to tobacco smoke in your population?

Yes ✓

Please provide details in the space below (e.g. exposure by gender, at home, in the workplace, on public transport).

Au Togo en 2010, 33,9 % de la population avaient été exposées pendant au moins un jour à la fumée du tabac à la maison au cours des 7 derniers jours précédant l'enquête. L'exposition à la fumée du tabac était globalement plus élevée chez les hommes (40,9 %) que chez les femmes (27,4 %). La tranche d'âge de 35-44 ans était la plus exposée à la fumée du tabac à la maison avec 46,8 % des hommes et 31,8 % des femmes. La tranche d'âge de 15-24 ans était par contre la moins exposée à la fumée du tabac à la maison chez les hommes (36 %) et celle de 55-64 ans la moins exposée à la fumée du tabac à la maison chez les femmes (18,4 %).

D'après l'enquête STEPS, 19,9 % de la population togolaise avaient été exposées à la fumée du tabac sur leur lieu de travail pendant au moins un jour au cours des sept jours ayant précédé l'entretien. Tout comme le tabagisme passif à domicile, les hommes ont été les plus exposés à la fumée du tabac sur leur lieu de travail (22,5 %) contre 17,4% chez les femmes. La tranche d'âge la plus exposée au tabagisme passif au lieu de travail était celles de 45-54 ans chez les hommes (33,7 %) et 25-34 ans chez les femmes (20,9 %). Les moins exposées étaient les répondants des tranches 15-24 ans chez les hommes (14,7 %) et 55-64 ans chez les femmes (7,7 %).

## Tobacco-related mortality

---

Do you have information on tobacco-related mortality in your population?

No ✕

---

If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.

---

Please indicate the year of the data used to answer question B32 and 33:

Please indicate the source of the data used to answer questions B32 and B33:

---

Please submit a copy of the study you refer to:

---

## Tobacco-related costs

---

Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?

No

---

Please submit a copy of the study you refer to:

---

## Supply of tobacco and tobacco products

*(with reference to Articles 6.2(b), 20.4(c), and 15.5)*

---

Licit supply of tobacco products

| Product | Unit (e.g. pieces, tonnes) | Domestic production | Retail sales | Exports | Imports |
|---------|----------------------------|---------------------|--------------|---------|---------|
|---------|----------------------------|---------------------|--------------|---------|---------|

---

Please provide information on the volumes of duty-free sales (e.g. product, unit, quantity), if available.

---

Please indicate the year of the data used to answer question B51 and 52:

---

Please indicate the source of the data used to answer questions B51 and B52:

---

Please attach the relevant documentation.

---

## Seizures of illicit tobacco products

*(with reference to Article 15.5)*

---

## Seizures of illicit tobacco

| <b>Year</b> | <b>Product</b> | <b>Unit (e.g. pieces, tonnes)</b> | <b>Quantity seized</b> |
|-------------|----------------|-----------------------------------|------------------------|
|-------------|----------------|-----------------------------------|------------------------|

---

Do you have any information on the percentage of illicit tobacco products on the national tobacco market?

No ✘

---

Please provide any further information on illicit tobacco products.

---

Please indicate the source of the data used to answer questions in section B6:

---

Please attach the relevant documentation.

---

## Tobacco-growing

---

Is there any tobacco-growing in your jurisdiction?

No ✘

---

Please attach the relevant documentation.

---

## Taxation of tobacco products

*(with reference to Articles 6.2(a) and 6.3)*

---

What proportion of the retail price of the most popular price category of tobacco product consists of taxes (e.g. sum of excise, sales and import duties (if applicable) and value added tax/goods and services tax (VAT/GST))?

25

---

How are the excise taxes levied (what types of taxes are levied)?

|   |     |
|---|-----|
| Specific tax only                             | No  |
| Ad valorem tax only                           | Yes |
| Combination of specific and ad valorem taxes  | No  |
| More complex structure (please explain below) | No  |

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties)

|                          | Product     | Type of tax | Rate or amount | Base of tax <sup>5</sup> |
|--------------------------|-------------|-------------|----------------|--------------------------|
| Smoking tobacco products | CIGARETTE   | ad valorem  | 50 %           | CAF                      |
| Smoking tobacco products | CIGAR       | ad valorem  | 50 %           | CAF                      |
| Smoking tobacco products | CIGARIO     | ad valorem  | 50 %           | CAF                      |
| Smoking tobacco products | TABAC ROULE | ad valorem  | 50 %           | CAF                      |

Please briefly describe the trends in taxation for tobacco products in the past two years or since submission of your last report in your jurisdiction.

Tendance à la hausse nous sommes passés de 45% en 2018 à 50 % en 2019

Do you earmark any percentage of your taxation income for funding any national plan or strategy on tobacco control in your jurisdiction?

## C1. GENERAL OBLIGATIONS

*With reference to Article 5*

Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

Yes ✓

Have you established or reinforced and financed:

|  |     |
|--|-----|
| a focal point for tobacco control?                     | Yes |
| a tobacco control unit?                                | No  |
| a national coordinating mechanism for tobacco control? | Yes |

Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

Un programme national de lutte antitabac a été crée, un programme de lutte contre les maladies non transmissibles a été crée pour coordonner et intégrer la lutte avec les autres secteurs de lutte contre les maladies non transmissibles pour l'instant ses structures ne sont encore dotées que de très peu de moyens financiers.

Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (*General obligations*) in the past two years or since submission of your last report.

En juillet et septembre 2012 adoption de cinq décret d'application de la loi antitabac du TOGO :  
 Décret N° 2012-046/PR portant interdiction de fumer dans les lieux publics;  
 Décret N° 2012-047/PR portant modalité d'application des normes relatives au conditionnement et à l'étiquetage des produits du tabac et ses produits dérivés ;  
 Décret N°2012-050/PR portant composition, attributions et fonctionnement du comité national de lutte contre le tabac (CNLT).  
 Décret N° 2012-071/PR portant réglementation des points de vente du tabac et ses produits dérivés ;  
 Décret N° 2012-072/PR portant interdiction de publicité ; de promotion et de parrainage du tabac et ses produits dérivés au Togo.  
 Élaboration du plan stratégique de lutte contre le tabac intégré au plan stratégique de la lutte contre les maladies non transmissibles dans le cadre du plan national du développement sanitaire 2012 - 2015 du Togo

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

## **Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry**

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

Yes ✓

---

ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

No ✗

---

If you answered "Yes" to any of the questions under C121 or C122, please provide details in the space below (specifically, please refer, if relevant, to whether your government or any of its departments 1) have raised awareness on tobacco industry tactics and the need to prevent interference by the tobacco industry with decision making; 2) have avoided entering into any partnerships or voluntary agreements with the tobacco industry; 3) have established any measures to limit interaction of public officials with the tobacco industry, including in the form of a code of conduct; 4) have not granted any incentives, privileges, benefits or preferential tax exemptions to the tobacco industry to establish or run their business; etc.).

---

Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

---

Have you utilized the "Guidelines for implementation of Article 5.3 of the WHO FCTC" when developing or implementing policies in this area?

Yes ✓

---

Please provide details in the space below or refer to section I of the additional questionnaire.

Response to this question or to the additional questionnaire

is **voluntary**. <https://extranet.who.int/dataform/655321?token=xby5zucve4y625t&lang=en>

(<https://extranet.who.int/dataform/655321?token=xby5zucve4y625t&lang=en>)

En Octobre 2005, le Togo a adopté et mise en œuvre du Plan Stratégique 2005 - 2013 de Lutte contre le Tabac

Adoption de la loi antitabac en décembre 2010 conforme à l'esprit de la CCLAT.

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

L'interdiction totale par la loi antitabac du Togo doctroi davantages aux firmes du tabac (article 16), la reconnaissance du droit d'action en justice aux organisations de lutte contre le tabagisme (article 20), la création du Comité National de Lutte Contre le Tabac.

L'arrêté n° 107/2014/MS/CAB/SG du 1er septembre 2014 fixant les modalités d'application de l'article 28 de la Loi N°2010-017 du 31-12-2010 relative à la production à la commercialisation, à la consommation des cigarettes et autres produits du tabac. (Art 5.3 de la CCLAT)

---

Please attach the relevant documentation.

---

## C2. MEASURES RELATING TO THE REDUCTION OF DEMAND FOR TOBACCO

*With reference to Articles 6–14*

---

### **Price and tax measures to reduce the demand for tobacco**

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

tax policies and, where appropriate, price policies on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption?

Yes ✓

---

prohibiting or restricting, as appropriate, sales to international travellers of tax- and duty-free tobacco products?

Yes ✓

---

prohibiting or restricting, as appropriate, imports by international travellers of tax- and duty-free tobacco products?

Yes ✓

---

Please provide a brief description of the progress made in implementing Article 6 (*Price and tax measures to reduce the demand for tobacco*) in the past two years or since submission of your last report.

Les augmentations successives de taxes sur le tabac depuis trois ans témoignent aussi de la volonté politique du Gouvernement togolais à lutter contre le tabagisme. En effet, le Gouvernement du Togo a respectivement augmenté la taxe d'accise sur le tabac de 5% en 2010, 2011, et 2012. La dernière augmentation de 5 % en 2012 porte la taxe d'accise sur les produits du tabac à 45 %, l'un des meilleurs taux au sein des pays membres de l'Union Économique et Monétaire Ouest Africaine (UEMOA) au sein de laquelle le plafond recommandé pour la taxe d'accise est de 45 %.

---

Have you utilized the "Guidelines for implementation of Article 6 of the WHO FCTC" when developing or implementing policies in this area?

No ✘

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

## Protection from exposure to tobacco smoke

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?

Yes ✔

---

What is the type/nature of the measure providing for the ban?

|   |     |
|---|-----|
| national law                                  | Yes |
| subnational law(s)                            | No  |
| administrative and executive orders           | Yes |
| voluntary agreements                          | No  |
| other measures (please specify in C223 below) | No  |

---

Please provide a brief explanation of the type/nature and content of the measures providing for the ban.

L'article 11 de la loi antitabac du Togo et le décret N° 2012-046/PR portant interdiction de fumer dans les lieux publics; disposent qu'il est interdit de fumer dans les locaux et véhicules à usage collectifs. Les lieux concernés sont aux termes de la loi, les établissements scolaires, universitaires et centres d'apprentissage, établissements sanitaires, salles de spectacles, de cinéma, de théâtre, de concerts, salles et terrains de sport, bibliothèques, ascenseurs, services ouverts au public, bâtiments gouvernementaux, véhicules de transport en commun, ou tout autre lieu fréquenté par le public. L'article 11 de la loi et le décret N° 2012-046/PR portant interdiction de fumer dans les lieux publics; disposent en outre que les interdictions de consommer toute forme de tabac feront l'objet de signalisations apparentes.

Do any of these measures provide for a mechanism/ infrastructure for enforcement?

Yes ✓

Please provide details of this system.

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

### Indoor workplaces:

|                                     |          |
|-------------------------------------|----------|
| government buildings                | Complete |
| health-care facilities              | Complete |
| educational facilities <sup>6</sup> | Complete |
| universities                        | Complete |
| private workplaces                  | Complete |
| other (please specify below)        | None     |

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

### Public transport:

|  |          |
|--|----------|
| airplanes  | Complete |
| trains   | Complete |
| ferries  | Complete |
| ground public transport (buses, trolleybuses, trams)                         | Complete |
| motor vehicles used as places of work (taxis, ambulances, delivery vehicles) | Complete |
| private vehicles   | None     |
| other (please specify below)   | None     |

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

### Indoor public places:

|                              |          |
|------------------------------|----------|
| cultural facilities          | Complete |
| shopping malls               | Complete |
| pubs and bars                | Complete |
| nightclubs                   | Complete |
| restaurants                  | Complete |
| other (please specify below) | None     |

---

**Please provide a brief summary of complete and partial measures, with specific details of the partial measures that have been implemented:**

---

Banning tobacco smoking in indoor workplaces

TOTALE

---

Banning tobacco smoking in public transport

TOTALE

---

Banning tobacco smoking in indoor public places

PARTIELLE

---

Please provide a brief description of the progress made in implementing Article 8 (*Protection from exposure to tobacco smoke*) in the past two years or since submission of your last report.

Adoption en décembre 2010 de la loi antitabac du Togo qui stipule en son article 11 qu'il est interdit de fumer dans les locaux et véhicules à usage collectifs. Les lieux concernés sont aux termes de la loi, les établissements scolaires, universitaires et centres d'apprentissage, établissements sanitaires, salles de spectacles, de cinéma, de théâtre, de concerts, salles et terrains de sport, bibliothèques, ascenseurs, services ouverts au public, bâtiments gouvernementaux, véhicules de transport en commun, ou tout autre lieu fréquenté par le public. L'article 11 de la loi dispose en outre que les interdictions de consommer toute forme de tabac feront l'objet de signalisations apparentes .

Have you utilized the “Guidelines for implementation of Article 8 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

---

If you answered “Yes” to question C229 please provide details in the space below or refer to section B of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/dataform/655321?token=xby5zucve4y625t&lang=en> (<https://extranet.who.int/dataform/655321?token=xby5zucve4y625t&lang=en>)

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

## Regulation of the contents of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

testing and measuring the contents of tobacco products?

No ✘

---

testing and measuring the emissions of tobacco products?

No ✘

---

regulating the contents of tobacco products?

No ✘

---

regulating the emissions of tobacco products?

No ✘

---

Please provide a brief description of the progress made in implementing Article 9 (*Regulation of the contents of tobacco products*) in the past two years or since submission of your last report.

---

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

No

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g., whether your country 1) has incorporated product regulation in the national tobacco control legislation; 2) has access to either governmental or independent – not owned or controlled by the tobacco industry – laboratories for testing contents and/or emissions of tobacco products; 3) has regulated ingredients, such as flavours (e.g. menthol); 4) has regulated product characteristics, such as design features (e.g., cigarette ventilation); etc.).

---

Please attach the relevant documentation.

---

## Regulation of tobacco product disclosures

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the:

|                                |    |
|--------------------------------|----|
| contents of tobacco products?  | No |
| emissions of tobacco products? | No |

---

requiring public disclosure of information about the:

|                                |    |
|--------------------------------|----|
| contents of tobacco products?  | No |
| emissions of tobacco products? | No |

---

Please provide a brief description of the progress made in implementing Article 10 (*Regulation of tobacco product disclosures*) in the past two years or since submission of your last report.

---

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

No

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether your country has incorporated tobacco product disclosures in the national tobacco control legislation; has regulated the public disclosure of toxic constituents and emissions of tobacco products, aiming to raise public awareness and advance tobacco control policy; etc.).

---

Please attach the relevant documentation.

---

## Packaging and labelling of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?

Yes ✓

---

requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

Yes ✓

---

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?

Yes ✓

---

ensuring that the health warnings are approved by the competent national authority?

Yes ✓

---

ensuring that the health warnings are rotated?

Yes ✓

---

ensuring that the health warnings are clear, visible and legible?

Yes ✓

---

Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?

Yes ✓

---

ensuring that the health warnings occupy no less than 30% of the principal display areas?

Yes ✓

---

ensuring that the health warnings occupy 50% or more of the principal display areas?

Yes ✓

---

ensuring that health warnings are in the form of, or include, pictures or pictograms?

No ✗

---

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant:

constituents of tobacco products? Yes

emissions of tobacco products?

---

requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

Yes ✓

---

Please provide a brief description of the progress made in implementing Article 11 (*Packaging and labelling of tobacco products*) in the past two years or since submission of your last report.

La loi antitabac adoptée en décembre 2010 régit le conditionnement et l'étiquetage du tabac et de ses produits dérivés et le décret N° 2012-047/PR portant modalités d'application des normes relatives au conditionnement et à l'étiquetage des produits du tabac et ses produits dérivés.

---

Have you utilized the "Guidelines for implementation of Article 11 of the WHO FCTC" when developing or implementing policies in this area?

Yes ✓

---

If you answered "Yes" to question C2516 please provide details in the space below or refer to section D of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token=xby5zucve4y625t&lang=en> (<https://extranet.who.int/dataform/655321?token=xby5zucve4y625t&lang=en>)

---

If you have any other relevant information pertaining to or not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

## Education, communication, training and public awareness

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

educational and public awareness programmes? (*Please refer to programmes implemented since submission of your two-year report.*)

Yes ✓

---

To whom are these programmes targeted?

- adults or the general public
  - children and young people
  - men
  - women
  - pregnant women
  - ethnic groups
  - other (please specify)
  - Other
- 

Do you reflect the following key differences among targeted population groups in educational and public awareness programmes?

- age
  - gender
  - educational background
  - cultural background
  - socioeconomic status
  - other (please specify)
  - Other
- 

Do these educational and public awareness programmes cover:

- health risks of tobacco consumption?
  - health risks of exposure to tobacco smoke?
  - benefits of the cessation of tobacco use and tobacco-free lifestyles?
  - adverse economic consequences of tobacco production?
  - adverse economic consequences of tobacco consumption?
  - adverse environmental consequences of tobacco production?
  - adverse environmental consequences of tobacco consumption?
-

awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control:

- public agencies?
  - nongovernmental organizations not affiliated with the tobacco industry?
  - private organizations?
  - other (please specify)?
  - Other
- 

Are the elaboration, management and implementation of communication, education, training and public awareness programmes guided by research and do they undergo pre-testing, monitoring and evaluation?

Yes ✓

---

Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to:

- health workers?
  - community workers?
  - social workers?
  - media professionals?
  - educators?
  - decision-makers?
  - administrators?
  - other (please specify)
  - Other
- 

Please provide a brief description of the progress made in implementing Article 12 (*Education, communication, training and public awareness*) in the past two years or since submission of your last report.

Des ONG et IOMS en collaboration avec le ministère de la santé participent activement à cette sensibilisation

---

Have you utilized the "Guidelines for implementation of Article 12 of the WHO FCTC" when developing and implementing policies in this area?

Yes ✓

---

If you answered “Yes” to question C269 please provide details in the space below or refer to section E of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token=xby5zucve4y625t&lang=en> (<https://extranet.who.int/dataform/655321?token=xby5zucve4y625t&lang=en>)

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

## Tobacco advertising, promotion and sponsorship

Have you adopted and implemented, where appropriate, any legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes:

---

instituting a comprehensive ban on all tobacco advertising, promotion and sponsorship?  
Yes ✓

---

Does your ban cover:

- display and visibility of tobacco products at points of sales?
  - the domestic Internet?
  - the global Internet?
  - brand stretching and/or brand sharing?
  - product placement as a means of advertising or promotion?
  - the depiction of tobacco or tobacco use in entertainment media products?
  - tobacco sponsorship of international events or activities and/or participants therein?
  - contributions from tobacco companies to any other entity for “socially responsible causes” and/or any other activities implemented under the umbrella of “corporate social responsibility” by the tobacco industry?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

## **Demand reduction measures concerning tobacco dependence and cessation**

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

developing and disseminating appropriate, comprehensive and integrated guidelines based on scientific evidence and best practices?

No

---

programmes to promote cessation of tobacco use, including:

- media campaigns emphasizing the importance of quitting?
  - programmes specially designed for underage girls and young women?
  - programmes specially designed for women?
  - programmes specially designed for pregnant women?
  - telephone quitlines?
  - local events, such as activities related to World No Tobacco Day or National No Smoking Day, if appropriate?
  - other (please specify)?
  - Other
- 

design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as:

- educational institutions?
  - health-care facilities?
  - workplaces?
  - sporting environments?
  - other (please specify)?
  - Other
- 

inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for:

- tobacco control?
  - health?
  - education?
- 

inclusion of programmes on the diagnosis and treatment of tobacco dependence in your health-care system?

---

training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools:

- medical?
  - dental?
  - nursing?
  - pharmacy?
  - Other
- 

facilitating accessibility and/or affordability of pharmaceutical products for the treatment of tobacco dependence?

---

Please provide a brief description of the progress made in implementing Article 14 (*Demand reduction measures concerning tobacco dependence and cessation*) in the past two years or since submission of your last report.

---

Have you utilized the “Guidelines for implementation of Article 14 of the WHO FCTC” when developing and implementing policies in this area?

No ✘

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

### C3. MEASURES RELATING TO THE REDUCTION OF THE SUPPLY OF TOBACCO

*With reference to Articles 15–17*

---

#### **Illicit trade in tobacco products**

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining the origin of the product?

No ✘

---

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining whether the product is legally sold on the domestic market?

Yes ✔

---

requiring that unit packets and packages of tobacco products for retail and wholesale use that are sold on the domestic market carry the statement: “Sales only allowed in ...” or carry any other effective marking indicating the final destination of the product?

Yes ✔

---

developing a practical tracking and tracing regime that would further secure the distribution system and assist in the investigation of illicit trade?

No ✘

---

requiring that marking is presented in legible form and/or appears in the principal language or languages of the country?

Yes ✔

---

requiring the monitoring and collection of data on cross-border trade in tobacco products, including illicit trade?

No ✘

---

facilitating the exchange of this information among customs, tax and other authorities, as appropriate, and in accordance with national law and applicable bilateral and multilateral agreements?

No ✘

---

enacting or strengthening legislation, with appropriate penalties and remedies, against illicit trade in tobacco products, including counterfeit and contraband cigarettes?

Yes ✔

---

requiring that confiscated manufacturing equipment, counterfeit and contraband cigarettes and other tobacco products derived from illicit trade are destroyed, using environment-friendly methods where possible, or disposed of in accordance with national law?

No ✘

---

adopting and implementing measures to monitor, document and control the storage and distribution of tobacco products held or moving under suspension of taxes or duties?

Yes ✔

---

enabling the confiscation of proceeds derived from illicit trade in tobacco products?

Yes ✔

---

promoting cooperation between national agencies and relevant regional and international intergovernmental organizations in investigations, prosecutions and proceedings, with a view to eliminating illicit trade in tobacco products, with special emphasis on cooperation at regional and subregional levels?

Yes ✔

---

licensing or other actions to control or regulate production and distribution in order to prevent illicit trade?

Yes ✔

---

Please provide a brief description of the progress made in implementing Article 15 (*Illicit trade in tobacco products*) in the past two years or since submission of your last report.

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

les produits du tabac en transit sont suivi par un dispositif électronique

---

---

## Sales to and by minors

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

prohibiting the sales of tobacco products to minors?

Yes ✓

---

Please specify the legal age:

18

---

requiring that all sellers of tobacco products place a clear and prominent indicator inside their point of sale about the prohibition of tobacco sales to minors?

Yes ✓

---

requiring that, in case of doubt, each seller of tobacco products requests that the purchaser provides appropriate evidence of having reached full legal age?

Yes ✓

---

banning the sale of tobacco products in any manner by which they are directly accessible, such as open store shelves?

Yes ✓

---

prohibiting the manufacture and sale of sweets, snacks, toys or any other objects in the form of tobacco products which appeal to minors?

Yes ✓

---

prohibiting the sale of tobacco products from vending machines?

Yes ✓

prohibiting and/or promoting the prohibition of the distribution of free tobacco products:

- to the public?
- to minors?

prohibiting the sale of cigarettes individually or in small packets?

Yes ✓

providing for penalties against sellers and distributors in order to ensure compliance?

Yes ✓

prohibiting the sales of tobacco products by minors?

Yes ✓

Please provide a brief description of the progress made in implementing Article 16 (*Sales to and by minors*) in the past two years or since submission of your last report.

La loi antitabac du Togo et ses décret d'applications réglementent la vente aux et par les mineurs et les décrets d'application de cette loi renforcent cette interdiction.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

## Provision of support for economically viable alternative activities

Have you adopted and implemented, where appropriate, measures or programmes on any of the following:

promoting economically viable and sustainable alternatives for:

- tobacco growers? Not applicable
- tobacco workers? Not applicable
- tobacco individual sellers? Not applicable

Please provide a brief description of the progress made in implementing Article 17 (*Provision of support for economically viable alternative activities*) in the past two years or since submission of your last report.

---

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

No

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

## C4. OTHER MEASURES AND POLICIES

*With reference to Articles 18–21*

---

### Protection of the environment and the health of persons

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

implementing measures in respect of tobacco cultivation within your territory, which take into consideration:

|   |                |
|---|----------------|
| the protection of the environment?                    | Not applicable |
| the health of persons in relation to the environment? | Not applicable |

---

implementing measures in respect of tobacco manufacturing within your territory, which take into consideration:

|   |                |
|---|----------------|
| the protection of the environment?                    | Not applicable |
| the health of persons in relation to the environment? | Not applicable |

---

Please provide a brief description of the progress made in implementing Article 18 (*Protection of the environment and the health of persons*) in the past two years or since submission of your last report.

---

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

No

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

## Liability

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

Does your tobacco control legislation contain measures regarding criminal liability for any violations of that tobacco control legislation?

Yes

---

Do you have separate criminal liability provisions in relation to tobacco control (outside of the tobacco control legislation)?

Yes

---

Do you have any civil liability measures that are specific to tobacco control?

No

---

Do you have any general civil liability provisions that could apply to tobacco control?

No

---

Do you have civil or criminal liability provisions that provide for compensation for adverse health effects and/or for reimbursement of medical, social or other relevant costs?

No

---

Has any person in your jurisdiction launched any criminal and/or civil liability action, including compensation where appropriate, against any tobacco company in relation to any adverse health effect caused by tobacco use?

No

---

Have you taken, as appropriate, any legislative, executive, administrative and/or other action against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use in your jurisdiction?

No

---

Please provide a brief description of any progress made, as appropriate, in implementing Article 19 (*Liability*) in the past two years or since submission of your last report.

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

## Research, surveillance and exchange of information

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

developing and/or promoting research that addresses:

- determinants of tobacco consumption?
  - consequences of tobacco consumption?
  - social and economic indicators related to tobacco consumption?
  - tobacco use among women, with special regard to pregnant women?
  - the determinants and consequences of exposure to tobacco smoke?  
identification of effective programmes for the treatment of tobacco dependence?  
identification of alternative livelihoods?  
Other
- 

training and support for all persons engaged in tobacco control activities, including research, implementation and evaluation?

Yes ✓

---

a national system for epidemiological surveillance of:

- patterns of tobacco consumption?
- determinants of tobacco consumption?
- consequences of tobacco consumption?
- social, economic and health indicators related to tobacco consumption?
- exposure to tobacco smoke?
- Other

Please list all surveys, including the year of the survey, that you have undertaken in the past.

STEPS 2010 - 2011 , GYTS 2002, 2007, 2013.

Does your country have any plans to repeat any of the above or to undertake a new tobacco survey within three to five years of your last survey? Please provide details in the space below.

OUI STEPS CETTE ANNÉE 2016

regional and global exchange of publicly available national:

- scientific, technical, socioeconomic, commercial and legal information?
- information on the practices of the tobacco industry?
- information on the cultivation of tobacco?

an updated database of:

- laws and regulations on tobacco control?
- information about the enforcement of laws on tobacco control?
- pertinent jurisprudence?

Please provide a brief description of the progress made in implementing Article 20 (*Research, surveillance and exchange of information*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether you included information on WHO FCTC implementation in your Voluntary National Review (VNR) on the Sustainable Development Goals (SDGs), related to target 3.a).

Please attach the relevant documentation.

---

## D. INTERNATIONAL COOPERATION AND ASSISTANCE

Pursuant to Article 21.1(c) and in accordance with Article 26, have you either provided or received financial or technical assistance (be it through unilateral, bilateral, regional, subregional or other multilateral channels, including relevant regional and international intergovernmental or nongovernmental organizations and financial and development institutions) for the development and strengthening of multisectoral, comprehensive tobacco control programmes of developing country Parties and Parties with economies in transition in any of the following areas:

---

development, transfer and acquisition of technology, knowledge, skills, capacity and expertise related to tobacco control?

|                     |     |
|---------------------|-----|
| Assistance provided | No  |
| Assistance received | Yes |

---

provision of technical, scientific, legal and other expertise to establish and strengthen national tobacco control strategies, plans and programmes?

|                     |     |
|---------------------|-----|
| Assistance provided | No  |
| Assistance received | Yes |

---

appropriate training or sensitization programmes for appropriate personnel in accordance with Article 12?

|                     |     |
|---------------------|-----|
| Assistance provided | No  |
| Assistance received | Yes |

---

provision of the necessary material, equipment and supplies, as well as logistic support, for tobacco control strategies, plans and programmes?

|                     |    |
|---------------------|----|
| Assistance provided | No |
| Assistance received | No |

---

identification of methods for tobacco control, including comprehensive treatment of nicotine addiction?

|                     |    |
|---------------------|----|
| Assistance provided | No |
| Assistance received | No |

---

promotion of research to increase the affordability of comprehensive treatment of nicotine addiction?

|                     |    |
|---------------------|----|
| Assistance provided | No |
| Assistance received | No |

---

Please identify the Party or Parties from which assistance was received or to which assistance was provided.

---

Please provide information about any assistance provided or received in the space below, including any support received from nongovernmental organizations (please, specify).

---

If you have not received or provided assistance in any of the aforementioned areas, please identify any financial or technical assistance that may be under consideration, if appropriate.

---

Have you encouraged relevant regional and international intergovernmental organizations and financial and development institutions in which you are represented to provide financial assistance for developing country Parties and for Parties with economies in transition to assist them in meeting their obligations under the Convention?

No ✘

---

## E. PRIORITIES AND COMMENTS

What are the priorities for implementation of the WHO Framework Convention on Tobacco Control in your jurisdiction?

Formation des médecins et paramédicaux avec créations de centres pour le sevrage tabagique  
Requête envoyé depuis un an mais pas de réponse

---

Have you identified any specific gaps between the resources available and the needs assessed for implementing the WHO Framework Convention on Tobacco Control?

Yes ✔

---

Please provide details in the space below.

manque de ressources financières, humaines et matérielles pou la mise en œuvre de la CCLAT

---

What, if any, are the constraints or barriers, other than lack of resources, you have encountered in implementing the Convention?

---

Do you have any of the following products available on your national tobacco market?

- smokeless tobacco products
  - water pipe tobacco
  - Electronic Nicotine Delivery Systems (ENDS)  
Electronic Non-Nicotine Delivery Systems (ENNDS)  
heated tobacco products (HTPs)  
Other
- 

Have you adopted and implemented any policy or regulation that is specific to the following tobacco products?

- smokeless tobacco products
  - water pipe tobacco
  - Electronic Nicotine Delivery Systems (ENDS)  
Electronic Non-Nicotine Delivery Systems (ENNDS)  
heated tobacco products (HTPs)  
Other
- 

If you have any relevant information related to questions E5 and E6, please provide details in the space below.
