Period of reporting:

	Month	Year
Start date	January (1)	2018 (19)
End date	January (1)	2019 (20)

B1. TOBACCO CONSUMPTION

Prevalence of tobacco use

Smoking prevalence in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)

Current smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)	Average number of the most-consumed smoking tobacco product used per day
MALE	48.3	
FEMALE	2.6	
TOTAL (males and females)	25.1	

Daily smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)	Average number of the most-consumed smoking tobacco product used per day
MALE	43.9	
FEMALE	2.3	
TOTAL (males and females)	22.7	

Occasional smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)
MALE	0.30
FEMALE	6.30
TOTAL (males and females)	4.70

Former smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)
MALE	9.7
FEMALE	0.1
TOTAL (males and females)	4.8

Never smokers

	Prevalence (%) (please include all smoking tobacco products in prevalence data)
--	--

Please indicate the smoking tobacco products included in calculating prevalence for question B11:

Cigarettes, pipe a eau (chicha), tabac en poudre (Neffa) et e-cigarette

Please indicate the age range to which the data used to answer question B11 refer:

	From	To
Age range	15	100

Please indicate the year of the data used to answer question B11:

2016

Please indicate the source of the data used to answer question B11:

Enquête nationale "THES" 2016, Institut National de Santé Publique

Please provide the definitions of "current smoker", "daily smoker", "occasional smoker", "former smoker" and "never smoker" used in this report.

Current smoker	fument au moment de lenquête
Daily smoker	fument au moins une cigarette par jour
Occasional smoker	fument moins dune cigarette par jour
Former smoker	ayant arrêté de fumer
Never smoker	na jamais fumé

Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.

l'Enquête Nationale Santé 2016 (THES 2016) a montré que la prévalence des fumeurs parmi les hommes âgés de 15 ans et plus est de 48,3 % et une prévalence de 2,6% parmi les femmes âgées de 15 ans et plus. Ces données montrent une baisse par rapport à l'enquête spécifique concernant le tabagisme de 2005 (TAHINA 2005). Cette baisse peut être expliquée par :

- l'enquête santé de 2016 nest pas spécifique au tabagisme.
- beaucoup defforts ont été fournis par le Ministère de la Santé, surtout en matière de ; la sensibilisation du grand public sur les méfaits du tabac, linterdiction ferme de la publicité directe dans les mass média pour le tabac et de la promotion de laide au sevrage tabagique...
- Il y aurai certainement une sous déclaration de celle chez les femmes pour des raisons culturelles

Smoking prevalence in the adult population (by age groups)

(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)

	Range - start age	Range - end age	Prevalence (%) (please include all smoking tobacco products in prevalence data)
MALES - current smokers ¹	15	18	21
MALES - current smokers ¹	19	25	56
MALES - current smokers ¹	26	39	59
MALES - current smokers ¹	40	49	53
MALES - current smokers ¹	50	59	49
MALES - current smokers ¹	60	69	33
MALES - current smokers ¹	70	100	30
FEMALES - current smokers ¹	15	18	1
FEMALES - current smokers ¹	19	25	3
FEMALES - current smokers ¹	26	39	2
FEMALES - current smokers ¹	40	49	3
FEMALES - current smokers ¹	50	59	3
FEMALES - current smokers ¹	60	69	3
FEMALES - current smokers ¹	70	100	5
TOTAL (males and females) - current smokers ¹	15	18	11
TOTAL (males and females) - current smokers ¹	19	25	29
TOTAL (males and females) - current smokers ¹	26	39	30
TOTAL (males and females) - current smokers ¹	40	49	28
TOTAL (males and females) - current smokers ¹	50	59	24

TOTAL (males and females) - current smokers ¹	60	69	18
TOTAL (males and females) - current smokers ¹	70	100	17

Please indicate the smoking tobacco products included in calculating prevalence for question B12:

Cigarettes, pipe a eau (chicha), tabac en poudre (Neffa) et e-cigarette

Please indicate the year of the data used to answer question B12:

2016

Please indicate the source of the data used to answer question B12:

Enquête nationale "THES" 2016, Institut National de Santé Publique

Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

l'enquête santé (THES 2016) qui a été réalisée, n'est pas spécifique au tabac. Juste elle a inclus la prévalence globale du tabagisme pour les 15 ans et plus des deux sexes : a montré que la prévalence des fumeurs parmi les hommes âgés de 15 ans et plus est de 48,3 % et une prévalence de 2,6% parmi les femmes âgées de 15 ans et plus et la la prévalence moyenne nationale qui est de 25,1%.
-Il y aura certainement une sous déclaration de celle chez les femmes pour des raisons culturelles

Prevalence of smokeless tobacco use in the adult population (all)

(Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18–64 years; see B132)

Males

Prevalence (%)
(please include all smokeless tobacco products in prevalence data)

Current users	3
---------------	---

Females

File type "pdf"

Tobacco-related mortality

Do you have information on tobacco-related mortality in your population?

Yes ✓

What is the estimated total number of deaths attributable to tobacco use in your population?

10449

If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.

Cancer du poumon :1034 décès

Maladies cardiovasculaires : 966 décès

Please indicate the year of the data used to answer question B32 and 33:

2009

Please indicate the source of the data used to answer questions B32 and B33:

Premature Mortality smoking Tunisia

Please submit a copy of the study you refer to:

**premature
mortality
smoking Tunisia**

File type "pdf"

Tobacco-related costs

Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?

No ✕

Please submit a copy of the study you refer to:

Supply of tobacco and tobacco products

(with reference to Articles 6.2(b), 20.4(c), and 15.5)

Licit supply of tobacco products

	Product	Unit (e.g. pieces, tonnes)	Domestic production	Retail sales	Exports	Imports
Smoking tobacco products	cigarettes					
Tobacco leaves	feuilles	tonne		1094.00	0.00	6533.00

Please provide information on the volumes of duty-free sales (e.g. product, unit, quantity), if available.

Vente des cigarettes tunisiennes dans les duty free = 0.522 Millions de paquets en 2013

Please indicate the year of the data used to answer question B51 and 52:

2013

Please indicate the source of the data used to answer questions B51 and B52:

Année 2013 Direction contrôle de gestion RNTA

Please attach the relevant documentation.

Seizures of illicit tobacco products

(with reference to Article 15.5)

Seizures of illicit tobacco

	Year	Product	Unit (e.g. pieces, tonnes)	Quantity seized
Smoking tobacco products	2018	cigarettes	paquet de 20 cigarettes	10 millions
Smoking tobacco products	8 premiers mois 2019	cigarettes	paquet de 20 cigarettes	11.5 millions

Do you have any information on the percentage of illicit tobacco products on the national tobacco market?

Yes ✓

What percentage of the national tobacco market do illicit tobacco products constitute? (%)
25

What is the trend over the past two years or since submission of your last report in the percentage of illicit tobacco products in relation to the national tobacco market?

le pourcentage de produits du tabac illicite est en régression par rapport au marché intérieur

Please provide any further information on illicit tobacco products.

Provenance la Libye et l'Algérie

Please indicate the source of the data used to answer questions in section B6:
Première unité de surveillance et de recherche de Tunis Douane Tunisienne

Please attach the relevant documentation.

Tobacco-growing

Is there any tobacco-growing in your jurisdiction?

Yes ✓

Please provide information on the number of workers involved in tobacco-growing. If available, please provide this figure broken down by gender.

Please provide, if available, the share of the value of tobacco leaf production in the national gross domestic product.

10%

Please indicate the year of the data used to answer questions in section B7:

Please indicate the source of the data used to answer questions in section B7:

Régie nationale du tabac 2009

Please attach the relevant documentation.

Taxation of tobacco products

(with reference to Articles 6.2(a) and 6.3)

What proportion of the retail price of the most popular price category of tobacco product consists of taxes (e.g. sum of excise, sales and import duties (if applicable) and value added tax/goods and services tax (VAT/GST))?

72

How are the excise taxes levied (what types of taxes are levied)?

Specific tax only	No
Ad valorem tax only	No
Combination of specific and ad valorem taxes	Yes
More complex structure (please explain below)	Yes

If a more complex structure of taxes (*please explain*):

* Pour le tabac importé: Droit de douane 15% + droit de la consommation 135% + TVA 19% + redevances de prestations douanières 3%

* Pour le tabac local : Droit d'accise spécifique (15.6%),
Droit d'accise ad valorem (27.1%), Droit à la valeur ajoutée (8.9%),
Taxe fond de l'emploi (20.4%)

=

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties)

	Product	Type of tax	Rate or amount	Base of tax⁵
Smoking tobacco products	cigarettes	TVA	0.19	prix de vente et droit de consommation
Smoking tobacco products	cigare	DC	1.35	prix de vente hors taxe
Smoking tobacco products	Moassel (chicha)	majoration spécifique	variable selon le produit	

Please briefly describe the trends in taxation for tobacco products in the past two years or since submission of your last report in your jurisdiction.

Do you earmark any percentage of your taxation income for funding any national plan or strategy on tobacco control in your jurisdiction?

No ✕

Please indicate the year of the data used to answer questions B81 to B86:

Please indicate the source of the data used to answer questions B81 to B86:

Régie nationale de tabac Direction financière et comptable (Ministère des finances) Année 2013

Please attach the relevant documentation.

Price of tobacco products

(with reference to Articles 6.2(a))

Domestic

Please provide the retail prices of the three most widely sold brands of domestic tobacco products at the most widely used point of sale in your capital city.

	Name of the most widely sold brands	Number of units or amount per package	Retail price	Currency
Smoking tobacco products	20 Mars inter	20	2.850 DT	
Smoking tobacco products	20 Mars léger	20	2.850 DT	
Smoking tobacco products	Cristal	20	2.450 DT	
Smokeless tobacco products	Tabac à priser (Neffa)		0.250 DT	

Imported

Please provide the retail prices of the three most widely sold brands of imported tobacco products at the most widely used point of sale in your capital city.

	Name of the most widely sold brands	Number of units or amount per package	Retail price	Currency
Smoking tobacco products	Marlboro	20	5.850 DT	
Smoking tobacco products	Royale	20	5.650 DT	
Smoking tobacco products	Mérit	20	5.850 DT	

Please indicate the year of the data used to answer question B91:

2018

Please indicate the source of the data used to answer question B91:

Please briefly describe the trend in the prices of tobacco products in the past two years or since submission of your last report in your jurisdiction.

En moyenne. augmentation annuelle de 0.300 DT / paquet

Please attach the relevant documentation.

C1. GENERAL OBLIGATIONS

With reference to Article 5

Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

Yes ✓

Have you established or reinforced and financed:

a focal point for tobacco control?	Yes
a tobacco control unit?	Yes
a national coordinating mechanism for tobacco control?	Yes

Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

Il existe un comité national multi-sectoriel présidé par le ministre de la santé et composé de représentants des différents ministères, organismes nationaux et ONG ainsi que le représentant de IOMS

Le point focal de lutte anti-tabagique est le chef de de l'unité des maladies non transmissibles (unité qui siège au niveau de la direction des soins de santé primaires du ministère de la santé)

Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (*General obligations*) in the past two years or since submission of your last report.

1- La législation

* La loi N°17/98 du 23 Février 1998 relative à la prévention contre les méfaits du tabac

* Le décret N° 2248 de l'année 1998 relatif à l'identification des lieux publics où il est interdit de fumer (structures éducatives, sanitaires, moyens de transport, bibliothèques, salles d'attente,)

* Ce décret a été complété par le décret N°2611 du 14 septembre 2009 qui prévoit l'interdiction partielle de fumer dans les cafés et restaurants

*La Tunisie a ratifié la convention cadre de lutte contre le tabagisme le 07 Juin 2010. révision de la Loi 17/98 selon les directives mpower de la FCTC, en instance de ratification par le parlement Tunisien

2- L'information, la sensibilisation et l'éducation: renforcée pour les différentes catégories et dans les différents milieux, surtout scolaire et travail, impliquant les différents partenaires

3- Laide au sevrage:

-Existence de 72 consultations daide au sevrage dans les structures de 1ère ligne (diminution du nombre de consultations fonctionnelles selon la dernière évaluation) avec disponibilité gratuite de substituts nicotiques, dapLa lutte anti-tabagique a été renforcée par la création d'une stratégie nationale multisectorielle de prévention et de contrôle des Maladies Non transmissibles où la lutte antitabac occupe une place importantepareils de mesure de CO et formation adaptée des professionnels de la santé

4-La lutte anti-tabagique a été renforcée par la création d'une stratégie nationale multi-sectorielle de prévention et de contrôle des Maladies Non transmissibles où la lutte antitabac occupe une place importante

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

en particulier la révision de la loi dans le sens de:

- Avertissements sanitaires dessinés sur >50% des 2 surfaces des paquets

-Interdiction de la vente aux enfants de moins de 18 ans et de la vente au détail.

Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

Yes ✓

ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

Yes ✓

If you answered “Yes” to any of the questions under C121 or C122, please provide details in the space below (specifically, please refer, if relevant, to whether your government or any of its departments 1) have raised awareness on tobacco industry tactics and the need to prevent interference by the tobacco industry with decision making; 2) have avoided entering into any partnerships or voluntary agreements with the tobacco industry; 3) have established any measures to limit interaction of public officials with the tobacco industry, including in the form of a code of conduct; 4) have not granted any incentives, privileges, benefits or preferential tax exemptions to the tobacco industry to establish or run their business; etc.).

Sensibilisation des enfants pour ne pas se laisser avoir par l'industrie du tabac
Ne pas accepter de parrainage par les firmes du tabac

Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

Il n'y a pas eu d'influence et d'interférence de l'industrie du tabac du moins de façon visible mais malheureusement, lors de l'enquête GYTS de 2010, on a relevé que des élèves ont reçu des cigarettes avec du bonbon et chocolat gratuitement (cigarettes données par des inconnus devant l'école)

Have you utilized the “Guidelines for implementation of Article 5.3 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

Please provide details in the space below or refer to section I of the additional questionnaire. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en> (<https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

C2. MEASURES RELATING TO THE REDUCTION OF DEMAND FOR TOBACCO

With reference to Articles 6–14

Price and tax measures to reduce the demand for tobacco

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

tax policies and, where appropriate, price policies on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption?

Yes ✓

prohibiting or restricting, as appropriate, sales to international travellers of tax- and duty-free tobacco products?

Yes ✓

prohibiting or restricting, as appropriate, imports by international travellers of tax- and duty-free tobacco products?

Yes ✓

Please provide a brief description of the progress made in implementing Article 6 (*Price and tax measures to reduce the demand for tobacco*) in the past two years or since submission of your last report.

Augmentation régulière du prix mais de façon insuffisante

Have you utilized the “Guidelines for implementation of Article 6 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

If you answered “Yes” to question C215 please provide details in the space below or refer to section H of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en> (<https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Protection from exposure to tobacco smoke

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?

Yes ✓

What is the type/nature of the measure providing for the ban?

national law	Yes
subnational law(s)	Yes
administrative and executive orders	Yes
voluntary agreements	Yes
other measures (please specify in C223 below)	Yes

Please provide a brief explanation of the type/nature and content of the measures providing for the ban.

la loi 17/98 du 23 février 1998 relative à la lutte contre le tabagisme et 2 décrets 1998 et 2009
des arrêtés du Ministre de la Santé
des conventions avec les grandes surfaces commerciales et des entreprises

Do any of these measures provide for a mechanism/ infrastructure for enforcement?

Yes ✓

Please provide details of this system.

réservation des espaces non fumeurs dans les cafés et les restaurants (décret 2009)
Interdiction de fumer dans les espaces à utilisation commune (la loi 17/98 et décrets 1998 et 2009)

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Indoor workplaces:

government buildings	Partial
health-care facilities	Complete
educational facilities ⁶	Complete
universities	Complete
private workplaces	Partial
other (please specify below)	Complete

Please provide a brief explanation of any "other" policies in the space below

moyens de transports publics

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Public transport:

airplanes	Complete
trains	Complete
ferries	None
ground public transport (buses, trolleybuses, trams)	Complete
motor vehicles used as places of work (taxis, ambulances, delivery vehicles)	Complete
private vehicles	None
other (please specify below)	

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

Indoor public places:

cultural facilities	Partial
shopping malls	Partial
pubs and bars	Partial
nightclubs	None
restaurants	Partial
other (please specify below)	

Please provide a brief summary of complete and partial measures, with specific details of the partial measures that have been implemented:

Banning tobacco smoking in indoor workplaces

Les espaces communs seulement (couloirs, bureaux communs, salle de réunion)

Banning tobacco smoking in public transport

Seulement les courts trajets

Banning tobacco smoking in indoor public places

Les espaces communs seulement

Please provide a brief description of the progress made in implementing Article 8 (*Protection from exposure to tobacco smoke*) in the past two years or since submission of your last report.

Depuis la révolution, on note un relâchement du respect de la loi et un relâchement du contrôle

Have you utilized the “Guidelines for implementation of Article 8 of the WHO FCTC” when developing or implementing policies in this area?

Yes ✓

If you answered “Yes” to question C229 please provide details in the space below or refer to section B of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is **voluntary**. <https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en> (<https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en>)

interdiction totale de fumer dans les espaces fermés et communs prévu dans le projet de nouvelle Loi, qui à été élaborée selon les directives pour l'application de l'article 8 de la Convention-cadre de IOMS pour la lutte antitabac

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Regulation of the contents of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

testing and measuring the contents of tobacco products?

Yes ✓

testing and measuring the emissions of tobacco products?

Yes ✓

regulating the contents of tobacco products?

Yes ✓

regulating the emissions of tobacco products?

Yes ✓

Please provide a brief description of the progress made in implementing Article 9 (*Regulation of the contents of tobacco products*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

No ✗

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g., whether your country 1) has incorporated product regulation in the national tobacco control legislation; 2) has access to either governmental or independent – not owned or controlled by the tobacco industry – laboratories for testing contents and/or emissions of tobacco products; 3) has regulated ingredients, such as flavours (e.g. menthol); 4) has regulated product characteristics, such as design features (e.g., cigarette ventilation); etc.).

Cette composante constitue en effet une priorité pour nous actuellement

3.2.3.1et 3.2.3.2: Acquisition de la dernière technique en chromatographie couplée à la masse pour pouvoir suivre de près les ingrédients de sauce et de doser les produits émis (HCN, phénols, benzopyrène, COV)

Please attach the relevant documentation.

Regulation of tobacco product disclosures

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring manufacturers or importers of tobacco products to disclose to Government authorities information about the:

contents of tobacco products?	Yes
emissions of tobacco products?	Yes

requiring public disclosure of information about the:

contents of tobacco products?	Yes
emissions of tobacco products?	Yes

Please provide a brief description of the progress made in implementing Article 10 (*Regulation of tobacco product disclosures*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Articles 9 and 10 of the WHO FCTC” when developing or implementing policies in this area?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether your country has incorporated tobacco product disclosures in the national tobacco control legislation; has regulated the public disclosure of toxic constituents and emissions of tobacco products, aiming to raise public awareness and advance tobacco control policy; etc.).

Cette composante mrite dêtre renforcée

Please attach the relevant documentation.

Packaging and labelling of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?

Yes ✓

requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

Yes ✓

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?

Yes ✓

ensuring that the health warnings are approved by the competent national authority?

Yes ✓

ensuring that the health warnings are rotated?

Yes ✓

ensuring that the health warnings are clear, visible and legible?

Yes ✓

Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?

Yes ✓

ensuring that the health warnings occupy no less than 30% of the principal display areas?

Yes ✓

ensuring that the health warnings occupy 50% or more of the principal display areas?

No ✗

ensuring that health warnings are in the form of, or include, pictures or pictograms?

No ✗

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant:

constituents of tobacco products?	Yes
emissions of tobacco products?	Yes

requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

Yes ✓

Please provide a brief description of the progress made in implementing Article 11 (*Packaging and labelling of tobacco products*) in the past two years or since submission of your last report.

Actuellement il n'existe qu'une seule phrase "le tabac tue" écrite de façon lisible en langue arabe et française sur 30% des grandes surfaces du paquet de cigarettes et sur la même surface de emballage des cartouches

Il existe également le Taux de certains constituants (nicotine, goudron, CO)

Have you utilized the "Guidelines for implementation of Article 11 of the WHO FCTC" when developing or implementing policies in this area?

Yes ✓

If you answered "Yes" to question C2516 please provide details in the space below or refer to section D of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en> (<https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en>)

il est prévu la réservation d'au moins 70% de la surface totale du paquet de cigarette et de emballage au avertissements écrits et schématisés dans le projet de nouvelle Loi qui est en instance de ratification par le parlement Tunisien

If you have any other relevant information pertaining to or not covered in this section, please provide details in the space below.

la première priorité de cette année est de procéder à la mise des avertissements sanitaires dessinés et changés tous les ans sur plus de 50% des deux surfaces des paquets de cigarettes

Please attach the relevant documentation.

Education, communication, training and public awareness

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

educational and public awareness programmes? (*Please refer to programmes implemented since submission of your two-year report.*)

Yes ✓

To whom are these programmes targeted?

- adults or the general public
- children and young people
- men
- women
- pregnant women
- ethnic groups
- other (please specify)

les voyageurs, les
touristes..

Other

Do you reflect the following key differences among targeted population groups in educational and public awareness programmes?

- age
- gender
- educational background
- cultural background
- socioeconomic status
- other (please specify)

état civil, fumeur ou non ou
ex fumeur

Other

Do these educational and public awareness programmes cover:

- health risks of tobacco consumption?
 - health risks of exposure to tobacco smoke?
 - benefits of the cessation of tobacco use and tobacco-free lifestyles?
 - adverse economic consequences of tobacco production?
 - adverse economic consequences of tobacco consumption?
 - adverse environmental consequences of tobacco production?
 - adverse environmental consequences of tobacco consumption?
-

awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control:

- public agencies?
- nongovernmental organizations not affiliated with the tobacco industry?
- private organizations?
- other (please specify)?

médias, organismes
internationaux

Other

Are the elaboration, management and implementation of communication, education, training and public awareness programmes guided by research and do they undergo pre-testing, monitoring and evaluation?

No ✘

Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to:

- health workers?
 - community workers?
 - social workers?
 - media professionals?
 - educators?
 - decision-makers?
 - administrators?
 - other (please specify)
- élèves relais Other

Please provide a brief description of the progress made in implementing Article 12 (*Education, communication, training and public awareness*) in the past two years or since submission of your last report.

C'est la composante la mieux développée : elle a touché de façon ciblée toutes les catégories socio-professionnelles et toutes les tranches d'âge avec application d'une stratégie de communication élaborée en 2009 et régulièrement mise à jour

Have you utilized the "Guidelines for implementation of Article 12 of the WHO FCTC" when developing and implementing policies in this area?

Yes ✔

If you answered "Yes" to question C269 please provide details in the space below or refer to section E of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en> (<https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Tobacco advertising, promotion and sponsorship

Have you adopted and implemented, where appropriate, any legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes:

instituting a comprehensive ban on all tobacco advertising, promotion and sponsorship?

Yes ✓

Does your ban cover:

- display and visibility of tobacco products at points of sales?
- the domestic Internet?
- the global Internet?
- brand stretching and/or brand sharing?
- product placement as a means of advertising or promotion?
- the depiction of tobacco or tobacco use in entertainment media products?
- tobacco sponsorship of international events or activities and/or participants therein?
- contributions from tobacco companies to any other entity for “socially responsible causes” and/or any other activities implemented under the umbrella of “corporate social responsibility” by the tobacco industry?
- cross-border advertising, promotion and sponsorship originating from your territory?
- the same forms of cross-border advertising, promotion and sponsorship entering your territory for which domestic regulation apply?

cooperating with other Parties in the development of technologies and other means necessary to facilitate the elimination of cross-border advertising?

No ✗

imposing penalties for cross-border advertising equal to those applicable to domestic advertising, promotion and sponsorship originating from your territory in accordance with national law?

No ✗

Please provide a brief description of the progress made in implementing Article 13 (*Tobacco advertising, promotion and sponsorship*) in the past two years or since submission of your last report.

La publicité directe n'existe plus mais la publicité indirecte est toujours présente particulièrement à la télévision en montrant des gens de tous âges et des deux sexes fumer les cigarettes, les cigares et la chicha et ceci est accentué au mois de Ramadan dans les séries

Have you utilized the “Guidelines for implementation of Article 13 of the WHO FCTC” when developing and implementing policies in this area?

Yes ✓

If you answered “Yes” to question C2715 please provide details in the space below or refer to section F of the additional questionnaire available at this link. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en> (<https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Demand reduction measures concerning tobacco dependence and cessation

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

developing and disseminating appropriate, comprehensive and integrated guidelines based on scientific evidence and best practices?

Yes ✓

programmes to promote cessation of tobacco use, including:

- media campaigns emphasizing the importance of quitting?
 - programmes specially designed for underage girls and young women?
 - programmes specially designed for women?
 - programmes specially designed for pregnant women?
 - telephone quitlines?
 - local events, such as activities related to World No Tobacco Day or National No Smoking Day, if appropriate?
- other (please specify)?
Other
-

design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as:

- educational institutions?
 - health-care facilities?
 - workplaces?
 - sporting environments?
 - other (please specify)?
- les centres de défense sociale, les centres de culture
- Other

inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for:

- tobacco control?
- health?
- education?

inclusion of programmes on the diagnosis and treatment of tobacco dependence in your health-care system?

Yes ✓

Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence?

- primary health care
 - secondary and tertiary health care
 - specialist health-care systems (please specify below)
 - specialized centres for cessation counselling and treatment of tobacco dependence
 - rehabilitation centres
- centres de médecine du travail, centres de médecine scolaire et cabinets de médecins privés
- Other

Are the services provided in these settings covered by public funding or reimbursement schemes?

- | | |
|---|-----------|
| primary health care | Partially |
| secondary and tertiary health care | Partially |
| specialist health-care systems (please specify below) | Partially |
| specialized centres for cessation counselling and treatment of tobacco dependence | |
| rehabilitation centres | |
| other (please specify below) | Partially |

Please provide other details in the space below.

Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services?

Health professionals including:

- physicians
 - dentists
 - family doctors
 - practitioners of traditional medicine
 - other medical professionals (please specify below)
 - nurses
 - midwives
 - pharmacists
 - Community workers
 - Social workers
 - other (please specify)
 - Other
-

training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools:

- medical?
 - dental?
 - nursing?
 - pharmacy?
 - Other
-

facilitating accessibility and/or affordability of pharmaceutical products for the treatment of tobacco dependence?

Yes ✓

Where and how can these products be legally purchased in your country?

Dans les structures sanitaires publiques , le produit est fourni gratuitement par l'état aux fumeurs , dans les cabinets privés, le fumeur l'achète

Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction?

- nicotine replacement therapy
 - bupropion
 - varenicline
 - other (please specify)
 - Other
-

Are the costs of these products covered by public funding or reimbursement?

nicotine replacement therapy	Fully
bupropion	None
varenicline	None
other (please specify below)	

Please provide a brief description of the progress made in implementing Article 14 (*Demand reduction measures concerning tobacco dependence and cessation*) in the past two years or since submission of your last report.

Have you utilized the “Guidelines for implementation of Article 14 of the WHO FCTC” when developing and implementing policies in this area?

Yes ✓

Please provide details in the space below or refer to section G of the additional questionnaire.

Response to this question or to the additional questionnaire is **voluntary**.

<https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en>

(<https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

C3. MEASURES RELATING TO THE REDUCTION OF THE SUPPLY OF TOBACCO

With reference to Articles 15–17

Illicit trade in tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining the origin of the product?

Yes ✓

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining whether the product is legally sold on the domestic market?

Yes ✓

requiring that unit packets and packages of tobacco products for retail and wholesale use that are sold on the domestic market carry the statement: "Sales only allowed in ..." or carry any other effective marking indicating the final destination of the product?

No ✗

developing a practical tracking and tracing regime that would further secure the distribution system and assist in the investigation of illicit trade?

No ✗

requiring that marking is presented in legible form and/or appears in the principal language or languages of the country?

No ✗

requiring the monitoring and collection of data on cross-border trade in tobacco products, including illicit trade?

No ✗

facilitating the exchange of this information among customs, tax and other authorities, as appropriate, and in accordance with national law and applicable bilateral and multilateral agreements?

Yes ✓

enacting or strengthening legislation, with appropriate penalties and remedies, against illicit trade in tobacco products, including counterfeit and contraband cigarettes?

Yes ✓

requiring that confiscated manufacturing equipment, counterfeit and contraband cigarettes and other tobacco products derived from illicit trade are destroyed, using environment-friendly methods where possible, or disposed of in accordance with national law?

Yes ✓

adopting and implementing measures to monitor, document and control the storage and distribution of tobacco products held or moving under suspension of taxes or duties?

Yes ✓

enabling the confiscation of proceeds derived from illicit trade in tobacco products?

Yes ✓

promoting cooperation between national agencies and relevant regional and international intergovernmental organizations in investigations, prosecutions and proceedings, with a view to eliminating illicit trade in tobacco products, with special emphasis on cooperation at regional and subregional levels?

Yes ✓

licensing or other actions to control or regulate production and distribution in order to prevent illicit trade?

No ✗

Please provide a brief description of the progress made in implementing Article 15 (*Illicit trade in tobacco products*) in the past two years or since submission of your last report.

la Douane Tunisienne a fait beaucoup defforts pour la lutte contre le commerce illicite des produits de tabac, le pourcentage du commerce illicite des produits du tabac à passé de presque 40% en 2016 par rapport au marché intérieur du pays à 25% en 2019

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Sales to and by minors

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

prohibiting the sales of tobacco products to minors?

No ✗

requiring that all sellers of tobacco products place a clear and prominent indicator inside their point of sale about the prohibition of tobacco sales to minors?

No ✗

requiring that, in case of doubt, each seller of tobacco products requests that the purchaser provides appropriate evidence of having reached full legal age?

No ✘

banning the sale of tobacco products in any manner by which they are directly accessible, such as open store shelves?

Yes ✔

prohibiting the manufacture and sale of sweets, snacks, toys or any other objects in the form of tobacco products which appeal to minors?

Yes ✔

prohibiting the sale of tobacco products from vending machines?

Yes ✔

prohibiting and/or promoting the prohibition of the distribution of free tobacco products:

- to the public?
 - to minors?
-

prohibiting the sale of cigarettes individually or in small packets?

No ✘

providing for penalties against sellers and distributors in order to ensure compliance?

No ✘

prohibiting the sales of tobacco products by minors?

Yes ✔

Please provide a brief description of the progress made in implementing Article 16 (*Sales to and by minors*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Provision of support for economically viable alternative activities

Have you adopted and implemented, where appropriate, measures or programmes on any of the following:

promoting economically viable and sustainable alternatives for:

tobacco growers?	Not applicable
tobacco workers?	Not applicable
tobacco individual sellers?	Not applicable

Please provide a brief description of the progress made in implementing Article 17 (*Provision of support for economically viable alternative activities*) in the past two years or since submission of your last report.

Cette activité concerne seulement un projet de remplacement de tabac par les pommes de terre dirigé par une ONG sur une parcelle de culture
 Les cultivateurs ont tendance à substituer la culture de tabac par la culture de légumes
 Les travailleurs sont des agents permanents

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

Yes ✓

Please provide details in the space below or refer to section I of the additional questionnaire.

Response to this question or to the additional questionnaire is **voluntary**.

<https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en>

(<https://extranet.who.int/dataform/655321?token=d9fbvz5vg2vakqj&lang=en>)

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

C4. OTHER MEASURES AND POLICIES

With reference to Articles 18–21

Protection of the environment and the health of persons

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

implementing measures in respect of tobacco cultivation within your territory, which take into consideration:

the protection of the environment?	Yes
the health of persons in relation to the environment?	Yes

implementing measures in respect of tobacco manufacturing within your territory, which take into consideration:

the protection of the environment?	Yes
the health of persons in relation to the environment?	Yes

Please provide a brief description of the progress made in implementing Article 18 (*Protection of the environment and the health of persons*) in the past two years or since submission of your last report.

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Liability

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

Does your tobacco control legislation contain measures regarding criminal liability for any violations of that tobacco control legislation?

No

Do you have separate criminal liability provisions in relation to tobacco control (outside of the tobacco control legislation)?

No

Do you have any civil liability measures that are specific to tobacco control?

No

Do you have any general civil liability provisions that could apply to tobacco control?

No

Do you have civil or criminal liability provisions that provide for compensation for adverse health effects and/or for reimbursement of medical, social or other relevant costs?

No

Has any person in your jurisdiction launched any criminal and/or civil liability action, including compensation where appropriate, against any tobacco company in relation to any adverse health effect caused by tobacco use?

Not applicable

Have you taken, as appropriate, any legislative, executive, administrative and/or other action against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use in your jurisdiction?

Yes

Please provide a brief description of any progress made, as appropriate, in implementing Article 19 (*Liability*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

Research, surveillance and exchange of information

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

developing and/or promoting research that addresses:

- determinants of tobacco consumption?
 - consequences of tobacco consumption?
 - social and economic indicators related to tobacco consumption?
 - tobacco use among women, with special regard to pregnant women?
 - the determinants and consequences of exposure to tobacco smoke?
 - identification of effective programmes for the treatment of tobacco dependence?
 - identification of alternative livelihoods?
 - Other
-

training and support for all persons engaged in tobacco control activities, including research, implementation and evaluation?

Yes ✓

a national system for epidemiological surveillance of:

- patterns of tobacco consumption?
- determinants of tobacco consumption?
- consequences of tobacco consumption?
- social, economic and health indicators related to tobacco consumption?
- exposure to tobacco smoke?

Gyts Other

regional and global exchange of publicly available national:

- scientific, technical, socioeconomic, commercial and legal information?
 - information on the practices of the tobacco industry?
 - information on the cultivation of tobacco?
-

an updated database of:

- laws and regulations on tobacco control?
 - information about the enforcement of laws on tobacco control?
 - pertinent jurisprudence?
-

Please provide a brief description of the progress made in implementing Article 20 (*Research, surveillance and exchange of information*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether you included information on WHO FCTC implementation in your Voluntary National Review (VNR) on the Sustainable Development Goals (SDGs), related to target 3.a).

Please attach the relevant documentation.

D. INTERNATIONAL COOPERATION AND ASSISTANCE

Pursuant to Article 21.1(c) and in accordance with Article 26, have you either provided or received financial or technical assistance (be it through unilateral, bilateral, regional, subregional or other multilateral channels, including relevant regional and international intergovernmental or nongovernmental organizations and financial and development institutions) for the development and strengthening of multisectoral, comprehensive tobacco control programmes of developing country Parties and Parties with economies in transition in any of the following areas:

development, transfer and acquisition of technology, knowledge, skills, capacity and expertise related to tobacco control?

Assistance provided	Yes
Assistance received	Yes

provision of technical, scientific, legal and other expertise to establish and strengthen national tobacco control strategies, plans and programmes?

Assistance provided	Yes
Assistance received	Yes

appropriate training or sensitization programmes for appropriate personnel in accordance with Article 12?

Assistance provided	Yes
Assistance received	Yes

provision of the necessary material, equipment and supplies, as well as logistic support, for tobacco control strategies, plans and programmes?

Assistance provided	No
Assistance received	Yes

identification of methods for tobacco control, including comprehensive treatment of nicotine addiction?

Assistance provided Yes

Assistance received Yes

promotion of research to increase the affordability of comprehensive treatment of nicotine addiction?

Assistance provided No

Assistance received No

Please identify the Party or Parties from which assistance was received or to which assistance was provided.

Nous avons reçu de laide financière et technique de l'Organisation Mondiale de la Santé (OMS)
La Jordanie est le seul pays Partie qui nous a fourni une aide technique en matière de formation en aide au sevrage tabagique

Please provide information about any assistance provided or received in the space below, including any support received from nongovernmental organizations (please, specify).

- De l'OMS : sous forme de séminaires de formation (formation des médecins de première ligne en matière daide au sevrage tabagique), de financement denquêtes GYTS et dassistance technique (finalisation de la révision de la loi 17/98 relative à la prévention des méfaits du tabac selon les directives de la convention cadre de lutte contre le tabac),
 - De la Jordanie (Centre de prise en charge des cancers Roi Houssein et Global Bridges) sous forme de formation des formateurs en matière de traitement de laddiction tabagique.
-

If you have not received or provided assistance in any of the aforementioned areas, please identify any financial or technical assistance that may be under consideration, if appropriate.

Have you encouraged relevant regional and international intergovernmental organizations and financial and development institutions in which you are represented to provide financial assistance for developing country Parties and for Parties with economies in transition to assist them in meeting their obligations under the Convention?

No ✘

E. PRIORITIES AND COMMENTS

What are the priorities for implementation of the WHO Framework Convention on Tobacco Control in your jurisdiction?

La révision de la loi 17/98 relative à la prévention des méfaits du tabac a été finalisée et est en instance de ratification par le parlement, cette révision a été faite dans le sens de :

- Interdire de fumer dans les espaces à utilisation collective et clos
- Mettre les avertissements sanitaires schématisés et écrits sur au moins 80% de la surface du paquet de cigarettes et de l'emballage
- Procéder à l'analyse des émissions du tabac
- Interdire la vente de cigarettes en détails et aux mineurs de moins de 18 ans
- Interdiction de la publicité directe et indirecte dans les mass médias
- Majoration des amendes prévus pour les infractions

Have you identified any specific gaps between the resources available and the needs assessed for implementing the WHO Framework Convention on Tobacco Control?

Yes ✓

Please provide details in the space below.

Les fonds prévus pour la lutte antitabac ne sont pas définis selon les besoins relatifs à l'application des directives de la convention cadre de lutte contre le tabac qui exige beaucoup de moyens pour le contrôle de la mise en oeuvre de la convention cadre, les analyses et tests démissions, le contrôle transfrontalier. Le budget disponible ne tient compte que des activités de sensibilisation, de formation et de la fourniture d'un appoint en substituts nicotiniques

What, if any, are the constraints or barriers, other than lack of resources, you have encountered in implementing the Convention?

- la loi 17/98 a été révisée selon les directives de la convention cadre. Néanmoins, nous sommes en attente de la ratification de cette nouvelle loi par le parlement
- le non respect de la loi dans les espaces où il est interdit de fumer
- le manque d'implication des autres partenaires concernés par la lutte antitabac

Do you have any of the following products available on your national tobacco market?

- smokeless tobacco products
 - water pipe tobacco
 - Electronic Nicotine Delivery Systems (ENDS)
Electronic Non-Nicotine Delivery Systems (ENNDS)
heated tobacco products (HTPs)
Other
-

Have you adopted and implemented any policy or regulation that is specific to the following tobacco products?

- smokeless tobacco products
 - water pipe tobacco
Electronic Nicotine Delivery Systems (ENDS)
Electronic Non-Nicotine Delivery Systems (ENNDS)
heated tobacco products (HTPs)
Other
-

If you have any relevant information related to questions E5 and E6, please provide details in the space below.

La Douane tunisienne fournit beaucoup defforts en matière de lutte contre le commerce illicite du tabac et des produits du tabac y compris les inhalateurs électroniques

Le Ministère de la santé en collaboration avec la Douane et le Ministère du commerce procèdent à la préparation de la ratification du protocole délimitation du commerce illicite du tabac et des produits du tabac

Please provide any other relevant information not covered elsewhere that you consider important.

Le Ministère de la Santé en collaboration avec l'OMS et l'Union Internationale de Télécommunication a mis en place un système d'aide pour le sevrage tabagique à travers le téléphone mobile (M-Cessation) qui est en cours d'exploitation dans tout le pays

Your suggestions for further development and revision of the reporting instrument:
