## Period of reporting:

|            | Month       | Year      |
|------------|-------------|-----------|
| Start date | January (1) | 2018 (19) |
| End date   | March (3)   | 2020 (21) |

---

## B1. TOBACCO CONSUMPTION

### Prevalence of tobacco use

---

#### Smoking prevalence in the adult population (all)

*(Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)*

---

#### Current smokers

|                                 | Prevalence (%)<br>(please include all smoking<br>tobacco products in prevalence<br>data) | Average number of the most-consumed<br>smoking tobacco product used per day |
|---------------------------------|--|---|
| MALE                            | 6.6  | 3.9   |
| FEMALE                          | 0.2  | 0.0   |
| TOTAL<br>(males and<br>females) | 3.4  | 4.0   |

---

## Daily smokers

|                              | <b>Prevalence (%)</b><br><b>(please include all smoking tobacco products in prevalence data)</b> | <b>Average number of the most-consumed smoking tobacco product used per day</b> |
|------------------------------|--|---|
| MALE                         | 4.7  | 3.9   |
| FEMALE                       | 0.1  | 0.0   |
| TOTAL<br>(males and females) | 2.5  | 4.0   |

## Occasional smokers

|                           | <b>Prevalence (%)</b><br><b>(please include all smoking tobacco products in prevalence data)</b> |
|---------------------------|--|
| MALE                      | 0.0  |
| FEMALE                    | 0.0  |
| TOTAL (males and females) | 0.0  |

## Former smokers

|                           | <b>Prevalence (%)</b><br><b>(please include all smoking tobacco products in prevalence data)</b> |
|---------------------------|--|
| MALE                      | 9.1  |
| FEMALE                    | 0.2  |
| TOTAL (males and females) | 4.7  |

## Never smokers

**Prevalence (%)**  
**(please include all smoking tobacco products in prevalence data)**

|                           |      |
|---------------------------|------|
| MALE                      | 84.3 |
| FEMALE                    | 99.6 |
| TOTAL (males and females) | 91.8 |

Please indicate the smoking tobacco products included in calculating prevalence for question B11:

Сигареты промышленного производства

Please indicate the age range to which the data used to answer question B11 refer:

|           | From | To |
|-----------|------|----|
| Age range | 18   | 69 |

Please indicate the year of the data used to answer question B11:

2018

Please indicate the source of the data used to answer question B11:

Исследование STEPS в Туркменистане в 2018 г.

Please provide the definitions of "current smoker", "daily smoker", "occasional smoker", "former smoker" and "never smoker" used in this report.

|                   |   |
|-------------------|---|
| Current smoker    | "курят в настоящее время"- которые употребляют систематически                       |
| Daily smoker      | "курят ежедневно"- которые употребляют каждый день                                  |
| Occasional smoker | "курят иногда"- которые употребляют от случая к случаю, эпизодически,               |
| Former smoker     | "бывшие курильщики"- которые бросили курить и не имеется тяга к употреблению табака |
| Never smoker      | "никогда не курили"- которые никогда не употребляли                                 |

Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.

Тенденция к снижению потребления табака. Степень распространённости курения табака уменьшилась с 2014 года более чем в 2 раза (STEPS-2014- 8,3%; STEPS-2018-3,4%)

## Smoking prevalence in the adult population (by age groups)

*(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)*

|   | Range -<br>start age | Range -<br>end age | Prevalence (%)<br>(please include all smoking tobacco<br>products in prevalence data) |
|---|----------------------|--------------------|---|
| MALES - current smokers <sup>1</sup>                        | 18                   | 34                 | 4   |
| MALES - current smokers <sup>1</sup>                        | 35                   | 49                 | 9   |
| MALES - current smokers <sup>1</sup>                        | 50                   | 69                 | 10  |
| FEMALES - current<br>smokers <sup>1</sup>                   | 18                   | 34                 | 0   |
| FEMALES - current<br>smokers <sup>1</sup>                   | 35                   | 49                 | 1   |
| FEMALES - current<br>smokers <sup>1</sup>                   | 50                   | 69                 | 0   |
| TOTAL (males and females)<br>- current smokers <sup>1</sup> | 18                   | 34                 | 2   |
| TOTAL (males and females)<br>- current smokers <sup>1</sup> | 35                   | 49                 | 5   |
| TOTAL (males and females)<br>- current smokers <sup>1</sup> | 50                   | 69                 | 5   |

Please indicate the smoking tobacco products included in calculating prevalence for question B12:

Сигареты промышленного производства

Please indicate the year of the data used to answer question B12:

2018

Please indicate the source of the data used to answer question B12:

Исследование STEPS в Туркменистане в 2018 г.

Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

Тенденция к снижению потребления табака. Степень распространённости курения табака уменьшилась с 2014 года более чем в 2 раза по всем возрастным группам

## Prevalence of smokeless tobacco use in the adult population (all)

*(Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18–64 years; see B132)*

### Males

**Prevalence (%)**  
**(please include all smokeless tobacco products in prevalence data)**

|                  |      |
|------------------|------|
| Current users    | 0.4  |
| Daily users      | 0.2  |
| Occasional users | 0.2  |
| Former users     | 1.0  |
| Never users      | 98.6 |

### Females

**Prevalence (%)**  
**(please include all smokeless tobacco products in prevalence data)**

|                  |     |
|------------------|-----|
| Current users    | 0.0 |
| Daily users      | 0.0 |
| Occasional users | 0.0 |
| Former users     | 0.0 |
| Never users      | 100 |

**TOTAL (males and females)**

**Prevalence (%)**  
**(please include all smokeless tobacco products in prevalence data)**

|                  |      |
|------------------|------|
| Current users    | 0.2  |
| Daily users      | 0.1  |
| Occasional users | 0.1  |
| Former users     | 0.5  |
| Never users      | 99.3 |

Please indicate the smokeless tobacco products included in calculating prevalence for question B13:

насвай

Please indicate the age range to which the data used to answer question B13 refer:

|           | <b>From</b> | <b>To</b> |
|-----------|-------------|-----------|
| Age range | 18          | 69        |

Please indicate the year of the data used to answer question B13:

2018

Please indicate the source of the data used to answer question B13:

Исследование STEPS в Туркменистане в 2018 г.

Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below.

|                 |  |
|-----------------|--|
| Current user    | " употребляют в настоящее время"-<br>которые употребляют систематически  |
| Daily user      | " употребляют ежедневно"- которые<br>употребляют каждый день   |
| Occasional user | " употребляют иногда"- которые<br>употребляют от случая к случаю,<br>эпизодически                              |
| Former user     | " употребляли в прошлом"- которые<br>бросили употреблять и не имеется тяга к<br>употреблению бездымного табака |
| Never user      | "никогда не употребляли"- которые<br>никогда не употребляли  |

Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.

Тенденция к снижению потребления бездымного табака (насвай).

## Prevalence of smokeless tobacco use in the adult population (current users) by age group (by age groups)

*(If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years)*

|   | Range -<br>start age | Range -<br>end age | Prevalence (%)<br>(please include all smoking tobacco<br>products in prevalence data) |
|---|----------------------|--------------------|---|
| MALES - current smokers <sup>2</sup>                        | 18                   | 34                 | 0   |
| MALES - current smokers <sup>2</sup>                        | 35                   | 49                 | 1   |
| MALES - current smokers <sup>2</sup>                        | 50                   | 69                 | 0   |
| FEMALES - current<br>smokers <sup>2</sup>                   | 18                   | 34                 | 0   |
| FEMALES - current<br>smokers <sup>2</sup>                   | 35                   | 49                 | 0   |
| FEMALES - current<br>smokers <sup>2</sup>                   | 50                   | 69                 | 0   |
| TOTAL (males and females)<br>- current smokers <sup>2</sup> | 18                   | 34                 | 0   |
| TOTAL (males and females)<br>- current smokers <sup>2</sup> | 35                   | 49                 | 0   |
| TOTAL (males and females)<br>- current smokers <sup>2</sup> | 50                   | 69                 | 0   |

### Tobacco-related mortality

Do you have information on tobacco-related mortality in your population?

No ✗

If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.

Злокачественные новообразования трахеи, бронхов, легких – 329 человек  
Болезни системы кровообращения (15 лет и старше) – 13528 человек:

---

Please indicate the year of the data used to answer question B32 and 33:

2019

---

Please indicate the source of the data used to answer questions B32 and B33:

Внутренний документ . Данные Актов регистрации гражданского состояния (ЗАГС) в Туркменистане; Государственный комитет по статистике Туркменистана

---

Please submit a copy of the study you refer to:

---

## Tobacco-related costs

---

Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?

Yes ✓

---

Please provide details (e.g. direct (health care-related) and indirect costs and, if possible, the method used to estimate these costs).

0,3% от денежных расходов домашних хозяйств (в среднем на 1 домохозяйство в месяц);  
Государственный комитет по статистике Туркменистана

Please attach the relevant documentation.

## Seizures of illicit tobacco products

(with reference to Article 15.5)

## Seizures of illicit tobacco

|                            | Year | Product           | Unit (e.g. pieces, tonnes) | Quantity seized |
|----------------------------|------|-------------------|----------------------------|-----------------|
| Smoking tobacco products   | 2018 | сигареты          | пачка                      | 75900           |
| Smoking tobacco products   | 2019 | сигареты          | пачка                      | 327845          |
| Smoking tobacco products   | 2018 | сигареты          | штучно                     | 9744            |
| Smoking tobacco products   | 2019 | сигареты          | штучно                     | 22214           |
| Smokeless tobacco products | нет  |                   |                            |                 |
| Other tobacco products     | 2018 | махорка           | кг                         | 350,905         |
| Other tobacco products     | 2019 | махорка           | кг                         | 760,630         |
| Other tobacco products     | 2018 | табак для кальяна | кг                         | 0,200           |
| Other tobacco products     | 2019 | табак для кальяна | кг                         | 2,410           |
| Other tobacco products     | 2018 | самокрутка        | штучно                     | 1907            |
| Other tobacco products     | 2019 | самокрутка        | штучно                     | 5244            |

Do you have any information on the percentage of illicit tobacco products on the national tobacco market?

No ✘

Please provide any further information on illicit tobacco products.

Please indicate the source of the data used to answer questions in section B6:

Внутренний документ. 2018 и 2019 гг., Отчет Государственной службы контроля торговли по конфискованным табачным изделиям Министерства торговли и внешнеэкономических связей Туркменистана и Отчет Государственной таможенной службы Туркменистана

Please attach the relevant documentation.

## Tobacco-growing

Is there any tobacco-growing in your jurisdiction?

No ✘

Please indicate the year of the data used to answer questions in section B7:

---

Please indicate the source of the data used to answer questions in section B7:

---

Please attach the relevant documentation.

---

## Taxation of tobacco products

(with reference to Articles 6.2(a) and 6.3)

---

What proportion of the retail price of the most popular price category of tobacco product consists of taxes (e.g. sum of excise, sales and import duties (if applicable) and value added tax/goods and services tax (VAT/GST))?

---

How are the excise taxes levied (what types of taxes are levied)?

|   |     |
|---|-----|
| Specific tax only                             | No  |
| Ad valorem tax only                           | Yes |
| Combination of specific and ad valorem taxes  | No  |
| More complex structure (please explain below) | No  |

---

If available, please provide details on the rates of taxation for tobacco products at all levels of Government and be as specific as possible (specify the type of tax, e.g. VAT, sales, import duties)

|                          | Product   | Type of tax             | Rate or amount  | Base of tax <sup>5</sup> |
|--------------------------|---|-------------------------|-----------------|--------------------------|
| Smoking tobacco products | Табачные изделия  | От таможенной стоимости | 47,0 %          | 20 сигарет               |
| Smoking tobacco products | Прочий промышленно изготовленный табак и промышленные заменители табака | От таможенной стоимости | 10 долларов США | 1 кг                     |

---

Please briefly describe the trends in taxation for tobacco products in the past two years or since submission of your last report in your jurisdiction.

Новый налог на табачные изделия был введен 01.12.2018 г.; тенденция- увеличение налогов на табачные изделия по сравнению с 2017 г. на 25%

---

Do you earmark any percentage of your taxation income for funding any national plan or strategy on tobacco control in your jurisdiction?

No

## Price of tobacco products

*(with reference to Articles 6.2(a))*

### Domestic

Please provide the retail prices of the three most widely sold brands of domestic tobacco products at the most widely used point of sale in your capital city.

| Name of the most widely sold brands | Number of units or amount per package | Retail price | Currency |
|-------------------------------------|---------------------------------------|--------------|----------|
|                                     |                                       |              |          |

## Imported

Please provide the retail prices of the three most widely sold brands of imported tobacco products at the most widely used point of sale in your capital city.

|                          | Name of the most widely sold brands | Number of units or amount per package | Retail price | Currency      |
|--------------------------|-------------------------------------|---------------------------------------|--------------|---------------|
| Smoking tobacco products | ВМ Болгария                         | 20 сиг                                | 30 манат     | 8,57 дол. США |
| Smoking tobacco products | American Club Германия              | 20 сиг                                | 30 манат     | 8,57 дол. США |
| Smoking tobacco products | AMG Армения                         | 20 сиг                                | 30 манат     | 8,57 дол. США |

Please indicate the year of the data used to answer question B91:

2019

Please indicate the source of the data used to answer question B91:

Внутренний документ. Приказ Министерства торговли и внешнеэкономических связей Туркменистана (ноябрь 2018г) «О ценообразовании на табачные изделия»

Please briefly describe the trend in the prices of tobacco products in the past two years or since submission of your last report in your jurisdiction.

С ноября 2018 года цены на сигареты возросли на 20%. Сигареты продаются только через государственную торговую сеть.

Please attach the relevant documentation.

## C1. GENERAL OBLIGATIONS

*With reference to Article 5*

Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

Yes ✓

Have you established or reinforced and financed:

|  |     |
|--|-----|
| a focal point for tobacco control?                     | Yes |
| a tobacco control unit?                                | No  |
| a national coordinating mechanism for tobacco control? | Yes |

---

Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

Лидирующей организацией в борьбе с табаком в стране является Министерство здравоохранения и медицинской промышленности Туркменистана. В 2012 году создан межведомственный координационный комитет. В настоящее время в состав комитета входят специалисты более 40 министерств и ведомств Туркменистана, неправительственные организации, частный бизнес и работники местных представительств международных организаций

---

Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (*General obligations*) in the past two years or since submission of your last report.

Туркменистан усиливает борьбу с табаком на всей территории страны. Ужесточены административные наказания за курение в общественных местах. Пересматриваются денежные штрафы за курение в общественных местах в сторону увеличения. Составлен и утвержден новый национальный план Туркменистана по борьбе с табаком на период 2017-2021 годы. Разрабатываются различные руководства по мониторингу запрета на курение в общественных местах. Ежегодно, начиная с 2014 года с 1 по 31 мая, по всей стране проводится месячник по борьбе с табакокурением. В это мероприятие вовлечены все государственные структуры страны, а также неправительственные организации и частный бизнес. В рамках месячника проводится конкурс на самое некурящее предприятие страны

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

В настоящее время прорабатывается механизм финансирования межведомственного координационного комитета страны по борьбе с табаком, борьбе с неинфекционными заболеваниями в стране за счет поступления налогов от продажи табачных изделий

---

## Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

Yes ✓

---

ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

Yes ✓

---

If you answered "Yes" to any of the questions under C121 or C122, please provide details in the space below (specifically, please refer, if relevant, to whether your government or any of its departments 1) have raised awareness on tobacco industry tactics and the need to prevent interference by the tobacco industry with decision making; 2) have avoided entering into any partnerships or voluntary agreements with the tobacco industry; 3) have established any measures to limit interaction of public officials with the tobacco industry, including in the form of a code of conduct; 4) have not granted any incentives, privileges, benefits or preferential tax exemptions to the tobacco industry to establish or run their business; etc.).

## Protection from exposure to tobacco smoke

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?

Yes ✓

What is the type/nature of the measure providing for the ban?

|   |     |
|---|-----|
| national law                                  | Yes |
| subnational law(s)                            | No  |
| administrative and executive orders           | No  |
| voluntary agreements                          | No  |
| other measures (please specify in C223 below) | No  |

Please provide a brief explanation of the type/nature and content of the measures providing for the ban.

Статья 24 Закона Туркменистана «Об охране здоровья граждан от воздействия табачного дыма и последствий потребления табачных изделий»

Do any of these measures provide for a mechanism/ infrastructure for enforcement?

Yes ✓

Please provide details of this system.

Статья 9 и 10 Закона Туркменистана «Об охране здоровья граждан от воздействия табачного дыма и последствий потребления табачных изделий»

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

### Indoor workplaces:

|                                     |          |
|-------------------------------------|----------|
| government buildings                | Complete |
| health-care facilities              | Complete |
| educational facilities <sup>6</sup> | Complete |
| universities                        | Complete |
| private workplaces                  | Complete |
| other (please specify below)        | Complete |

Please provide a brief explanation of any "other" policies in the space below

рынки, базары, учреждения культуры, места отдыха

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

## Public transport:

|  |  |          |
|--|--|----------|
|  | airplanes  | Complete |
|  | trains   | Complete |
|  | ferries  | Complete |
|  | ground public transport (buses, trolleybuses, trams)                         | Complete |
|  | motor vehicles used as places of work (taxis, ambulances, delivery vehicles) | Complete |
|  | private vehicles   | Complete |
|  | other (please specify below)   | None     |

Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places.

## Indoor public places:

|  |                              |          |
|--|------------------------------|----------|
|  | cultural facilities          | Complete |
|  | shopping malls               | Complete |
|  | pubs and bars                | Complete |
|  | nightclubs                   | Complete |
|  | restaurants                  | Complete |
|  | other (please specify below) | None     |

**Please provide a brief summary of complete and partial measures, with specific details of the partial measures that have been implemented:**

Banning tobacco smoking in indoor workplaces

Полный запрет табакокурения на рабочих местах внутри помещений

Banning tobacco smoking in public transport

Полный запрет табакокурения на общественном транспорте

Banning tobacco smoking in indoor public places

Полный запрет табакокурения в общественных местах внутри помещений

Please provide a brief description of the progress made in implementing Article 8 (*Protection from exposure to tobacco smoke*) in the past two years or since submission of your last report.

---

## Packaging and labelling of tobacco products

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?

Yes ✓

---

requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

Yes ✓

---

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?

Yes ✓

---

ensuring that the health warnings are approved by the competent national authority?

Yes ✓

---

ensuring that the health warnings are rotated?

Yes ✓

---

ensuring that the health warnings are clear, visible and legible?

Yes ✓

---

Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?

Yes ✓

---

ensuring that the health warnings occupy no less than 30% of the principal display areas?

No ✗

---

ensuring that the health warnings occupy 50% or more of the principal display areas?

Yes ✓

---

ensuring that health warnings are in the form of, or include, pictures or pictograms?

Yes ✓

---

Does the Government own the copyright to these pictures and pictograms?

No ✗

Would you grant a non-exclusive and royalty-free licence for the use of health warnings developed in your jurisdiction with other Parties?

No ✘

---

requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant:

|                                   |     |
|-----------------------------------|-----|
| constituents of tobacco products? | No  |
| emissions of tobacco products?    | Yes |

---

requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?

Yes ✔

---

Please provide a brief description of the progress made in implementing Article 11 (*Packaging and labelling of tobacco products*) in the past two years or since submission of your last report.

С 01.07.2014 года введена маркировка акцизными марками всех импортных табачных изделий. Запрещена упаковка и сигареты типа «Slim». Запрещены заблуждающие надписи на сигаретных пачках типа «ментоловые».

---

## Education, communication, training and public awareness

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

educational and public awareness programmes? (*Please refer to programmes implemented since submission of your two-year report.*)

Yes ✓

---

To whom are these programmes targeted?

- adults or the general public
- children and young people
- men
- women
- pregnant women
- ethnic groups
- other (please specify)
- Other

---

Do you reflect the following key differences among targeted population groups in educational and public awareness programmes?

- age
- gender
- educational background
- cultural background
- socioeconomic status
- other (please specify)
- Other

---

Do these educational and public awareness programmes cover:

- health risks of tobacco consumption?
- health risks of exposure to tobacco smoke?
- benefits of the cessation of tobacco use and tobacco-free lifestyles?
- adverse economic consequences of tobacco production?
- adverse economic consequences of tobacco consumption?
- adverse environmental consequences of tobacco production?
- adverse environmental consequences of tobacco consumption?

awareness and participation of the following agencies and organizations in development and implementation of intersectoral programmes and strategies for tobacco control:

- public agencies?
  - nongovernmental organizations not affiliated with the tobacco industry?
  - private organizations?
  - other (please specify)?
- Other

Are the elaboration, management and implementation of communication, education, training and public awareness programmes guided by research and do they undergo pre-testing, monitoring and evaluation?

Yes ✓

Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to:

- health workers?
- community workers?
- social workers?
- media professionals?
- educators?
- decision-makers?
- administrators?
- other (please specify)

просьба уточнить Other

Please provide a brief description of the progress made in implementing Article 12 (*Education, communication, training and public awareness*) in the past two years or since submission of your last report.

Ежегодно с 01.по 31 мая проводится месячник по борьбе с табакокурением по всей стране с привлечением широких масс общественности, правительственных органов, неправительственных организаций и частного бизнеса. Проводится конкурс на самое некурящее предприятие страны. В конце месячника подводятся итоги конкурса.

Have you utilized the "Guidelines for implementation of Article 12 of the WHO FCTC" when developing and implementing policies in this area?

Yes ✓

If you answered "Yes" to question C269 please provide details in the space below or refer to section E of the additional questionnaire available at this link. ## C3. MEASURES RELATING TO THE REDUCTION OF THE SUPPLY OF TOBACCO

*With reference to Articles 15–17*

---

### **Illicit trade in tobacco products**

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining the origin of the product?

Yes ✓

---

requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining whether the product is legally sold on the domestic market?

Yes ✓

---

requiring that unit packets and packages of tobacco products for retail and wholesale use that are sold on the domestic market carry the statement: "Sales only allowed in ..." or carry any other effective marking indicating the final destination of the product?

No ✗

---

developing a practical tracking and tracing regime that would further secure the distribution system and assist in the investigation of illicit trade?

No ✗

---

requiring that marking is presented in legible form and/or appears in the principal language or languages of the country?

Yes ✓

---

requiring the monitoring and collection of data on cross-border trade in tobacco products, including illicit trade?

No ✗

---

facilitating the exchange of this information among customs, tax and other authorities, as appropriate, and in accordance with national law and applicable bilateral and multilateral agreements?

Yes ✓

---

enacting or strengthening legislation, with appropriate penalties and remedies, against illicit trade in tobacco products, including counterfeit and contraband cigarettes?

Yes ✓

---

requiring that confiscated manufacturing equipment, counterfeit and contraband cigarettes and other tobacco products derived from illicit trade are destroyed, using environment-friendly methods where possible, or disposed of in accordance with national law?

Yes ✓

---

adopting and implementing measures to monitor, document and control the storage and distribution of tobacco products held or moving under suspension of taxes or duties?

Yes ✓

---

enabling the confiscation of proceeds derived from illicit trade in tobacco products?

Yes ✓

---

promoting cooperation between national agencies and relevant regional and international intergovernmental organizations in investigations, prosecutions and proceedings, with a view to eliminating illicit trade in tobacco products, with special emphasis on cooperation at regional and subregional levels?

Yes ✓

---

licensing or other actions to control or regulate production and distribution in order to prevent illicit trade?

Yes ✓

---

Please provide a brief description of the progress made in implementing Article 15 (*Illicit trade in tobacco products*) in the past two years or since submission of your last report.

## Provision of support for economically viable alternative activities

Have you adopted and implemented, where appropriate, measures or programmes on any of the following:

promoting economically viable and sustainable alternatives for:

|                             |                |
|-----------------------------|----------------|
| tobacco growers?            | Not applicable |
| tobacco workers?            | No             |
| tobacco individual sellers? | No             |

Please provide a brief description of the progress made in implementing Article 17 (*Provision of support for economically viable alternative activities*) in the past two years or since submission of your last report.

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

No ✘

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Please attach the relevant documentation.

## C4. OTHER MEASURES AND POLICIES

*With reference to Articles 18–21*

---

### Protection of the environment and the health of persons

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

implementing measures in respect of tobacco cultivation within your territory, which take into consideration:

|   |                |
|---|----------------|
| the protection of the environment?                    | Not applicable |
| the health of persons in relation to the environment? | Not applicable |

---

implementing measures in respect of tobacco manufacturing within your territory, which take into consideration:

|   |                |
|---|----------------|
| the protection of the environment?                    | Not applicable |
| the health of persons in relation to the environment? | Not applicable |

---

Please provide a brief description of the progress made in implementing Article 18 (*Protection of the environment and the health of persons*) in the past two years or since submission of your last report.

---

Have you utilized the “Policy options and recommendations on economically sustainable alternatives to tobacco growing (in relation to Articles 17 and 18 of the WHO FCTC)” when developing and implementing policies in this area?

---

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

---

Please attach the relevant documentation.

---

### Liability

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

Does your tobacco control legislation contain measures regarding criminal liability for any violations of that tobacco control legislation?

Yes

---

Do you have separate criminal liability provisions in relation to tobacco control (outside of the tobacco control legislation)?

Yes

---

Do you have any civil liability measures that are specific to tobacco control?

Yes

---

Do you have any general civil liability provisions that could apply to tobacco control?

Yes

---

Do you have civil or criminal liability provisions that provide for compensation for adverse health effects and/or for reimbursement of medical, social or other relevant costs?

Yes

---

Has any person in your jurisdiction launched any criminal and/or civil liability action, including compensation where appropriate, against any tobacco company in relation to any adverse health effect caused by tobacco use?

No

---

Have you taken, as appropriate, any legislative, executive, administrative and/or other action against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use in your jurisdiction?

No

---

Please provide a brief description of any progress made, as appropriate, in implementing Article 19 (*Liability*) in the past two years or since submission of your last report.

За последние годы ужесточены административные наказания за нарушение закона о запрете курения в общественных местах.

## Research, surveillance and exchange of information

Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

---

developing and/or promoting research that addresses:

- determinants of tobacco consumption?
- consequences of tobacco consumption?
- social and economic indicators related to tobacco consumption?  
tobacco use among women, with special regard to pregnant women?
- the determinants and consequences of exposure to tobacco smoke?
- identification of effective programmes for the treatment of tobacco dependence?  
identification of alternative livelihoods?  
Other

---

training and support for all persons engaged in tobacco control activities, including research, implementation and evaluation?

Yes ✓

---

a national system for epidemiological surveillance of:

- patterns of tobacco consumption?
- determinants of tobacco consumption?
- consequences of tobacco consumption?
- social, economic and health indicators related to tobacco consumption?
- exposure to tobacco smoke?  
Other

---

Please list all surveys, including the year of the survey, that you have undertaken in the past.

Исследование STEPS в 2014, 2018 гг. в Туркменистане

---

Does your country have any plans to repeat any of the above or to undertake a new tobacco survey within three to five years of your last survey? Please provide details in the space below.

Да, исследование STEPS в Туркменистане планируется провести в феврале-июле 2023 года

regional and global exchange of publicly available national:

- scientific, technical, socioeconomic, commercial and legal information?
- information on the practices of the tobacco industry? information on the cultivation of tobacco?

an updated database of:

- laws and regulations on tobacco control?
- information about the enforcement of laws on tobacco control? pertinent jurisprudence?

Please provide a brief description of the progress made in implementing Article 20 (*Research, surveillance and exchange of information*) in the past two years or since submission of your last report.

If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below (e.g. whether you included information on WHO FCTC implementation in your Voluntary National Review (VNR) on the Sustainable Development Goals (SDGs), related to target 3.a).

Please attach the relevant documentation.

## D. INTERNATIONAL COOPERATION AND ASSISTANCE

Pursuant to Article 21.1(c) and in accordance with Article 26, have you either provided or received financial or technical assistance (be it through unilateral, bilateral, regional, subregional or other multilateral channels, including relevant regional and international intergovernmental or nongovernmental organizations and financial and development institutions) for the development and strengthening of multisectoral, comprehensive tobacco control programmes of developing country Parties and Parties with economies in transition in any of the following areas:

development, transfer and acquisition of technology, knowledge, skills, capacity and expertise related to tobacco control?

Assistance provided Yes

Assistance received Yes

---

provision of technical, scientific, legal and other expertise to establish and strengthen national tobacco control strategies, plans and programmes?

Assistance provided Yes

Assistance received Yes

---

appropriate training or sensitization programmes for appropriate personnel in accordance with Article 12?

Assistance provided No

Assistance received Yes

---

provision of the necessary material, equipment and supplies, as well as logistic support, for tobacco control strategies, plans and programmes?

Assistance provided No

Assistance received Yes

---

identification of methods for tobacco control, including comprehensive treatment of nicotine addiction?

Assistance provided No

Assistance received Yes

---

promotion of research to increase the affordability of comprehensive treatment of nicotine addiction?

Assistance provided No

Assistance received Yes

---

Please identify the Party or Parties from which assistance was received or to which assistance was provided.

Европейское региональное бюро Всемирной Организации Здравоохранения

---

Please provide information about any assistance provided or received in the space below, including any support received from nongovernmental organizations (please, specify).

Семинар по налогообложению табачных изделий (2019 год-Европейское региональное бюро Всемирной Организации Здравоохранения),

Семинар по отказу от курения (2019 год- Европейское региональное бюро Всемирной Организации Здравоохранения)

---

If you have not received or provided assistance in any of the aforementioned areas, please identify any financial or technical assistance that may be under consideration, if appropriate.

---

Have you encouraged relevant regional and international intergovernmental organizations and financial and development institutions in which you are represented to provide financial assistance for developing country Parties and for Parties with economies in transition to assist them in meeting their obligations under the Convention?

Yes ✓

---

Please provide details in the space below.

Туркменистан в 2015 году выделил Всемирной Организации Здравоохранения на борьбу с табаком в Европейском регионе около 3,0 млн. долларов США и является в настоящее время крупнейшим донором ВОЗ в Европейском регионе в борьбе с табаком

---

## E. PRIORITIES AND COMMENTS

What are the priorities for implementation of the WHO Framework Convention on Tobacco Control in your jurisdiction?

Охрана окружающей среды и здоровья людей, незаконная торговля табачными изделиями, меры по сокращению спроса, касающиеся табачной зависимости и прекращения употребления табака, научные исследования, эпиднадзор и обмен информацией

---

Have you identified any specific gaps between the resources available and the needs assessed for implementing the WHO Framework Convention on Tobacco Control?

No ✘

---

What, if any, are the constraints or barriers, other than lack of resources, you have encountered in implementing the Convention?

---

Do you have any of the following products available on your national tobacco market?

- smokeless tobacco products
  - water pipe tobacco
  - Electronic Nicotine Delivery Systems (ENDS)
  - Electronic Non-Nicotine Delivery Systems (ENNDS)
  - heated tobacco products (HTPs)
  - Other
- 

Have you adopted and implemented any policy or regulation that is specific to the following tobacco products?

- smokeless tobacco products
  - water pipe tobacco
  - Electronic Nicotine Delivery Systems (ENDS)
  - Electronic Non-Nicotine Delivery Systems (ENNDS)
  - heated tobacco products (HTPs)
  - Other
- 

If you have any relevant information related to questions E5 and E6, please provide details in the space below.

---

Please provide any other relevant information not covered elsewhere that you consider important.

---

Your suggestions for further development and revision of the reporting instrument:
