13.4(f)	Prohibiting or restricting tobacco sponsorship of international events, activities and/or participants therein?	<input type="checkbox"/>	<input checked="" type="checkbox"/>

If you have any additional legislation or other measures not covered in Question 5, you may provide additional details here: [Help](#)

6. Programmes and plans [Help](#)

i. Core questions [Help](#)

It should be noted that the measures identified below are not exhaustive, but reflect the spirit and intent of the Convention.

	Yes (please attach the relevant documentation) ¹⁷	No
Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes? (Article 5.1)	<input type="checkbox"/>	<input checked="" type="checkbox"/>
If no, have some partial strategies, plans and programmes been developed and implemented? (Article 5.1)	<input checked="" type="checkbox"/>	<input type="checkbox"/>

If you responded yes to either of the first two questions, which of the following do these strategies, plans and programmes cover? Please check, and provide a brief summary. (Please provide the summary in one of the six official languages.)

General obligations <input type="checkbox"/> Help		
5.2(a)	A national coordinating mechanism or focal point(s) for tobacco control? Yes. The National Tobacco-Free Initiative Committee was set up in 2001. It is a multisectoral committee whose secretariat is housed within the Division of Non-Communicable Diseases in the Ministry of Health.	<input type="checkbox"/>
5.3	Protection of policies from the commercial and other vested interests of the tobacco industry?	<input checked="" type="checkbox"/>
Education, communication, training and public awareness <input type="checkbox"/> Help		
12(a)	Broad access to effective and comprehensive educational and public awareness programmes on the health risks?	<input checked="" type="checkbox"/>
	... targeted at adults and/or the general public?	<input type="checkbox"/>
	... targeted at children and youth?	<input type="checkbox"/>
12(b)	Public awareness about the health risks of tobacco consumption and exposure to tobacco smoke, and about the benefits of the cessation of tobacco use and tobacco-free lifestyles? Yes. Surrounding the World No Tobacco Day we pass on messages on the health effects of tobacco use and exposure. This is usually done via print and electronic media and the posters, brochures and other IEC materials which we try to distribute countrywide through the health facilities.	<input type="checkbox"/>
12(c)	Public access to a wide range of information on the tobacco industry?	<input checked="" type="checkbox"/>
12(e)	Awareness and participation of public and private agencies and nongovernmental organizations not affiliated with the tobacco industry in developing and implementing intersectoral programmes and strategies for tobacco control? Yes. There are several organizations that are members of the NTFIC. these organizations also take part in tobacco control activities and hev even formed an alliance for tobacco control.	<input type="checkbox"/>

¹⁷ Please provide these documents in one of the six official languages, if possible.

Demand reduction measures concerning tobacco dependence and cessation <input type="checkbox"/> Help		
14.1	Comprehensive and integrated guidelines based on scientific evidence and best practices to promote cessation of tobacco use and adequate treatment for tobacco dependence?	<input checked="" type="checkbox"/>
14.2(d)	Facilitation of accessibility and affordability for treatment of tobacco dependence including pharmaceutical products?	<input checked="" type="checkbox"/>
Provision of support for economically viable alternative activities <input type="checkbox"/> Help		
17	Promotion of economically viable alternatives for tobacco workers, growers and, as the case may be, individual sellers?	<input checked="" type="checkbox"/>
Research, surveillance and exchange of information <input type="checkbox"/> Help		
20.1(a)	Research that addresses the determinants and consequences of tobacco consumption and exposure to tobacco smoke as well as research for identification of alternative crops?	<input checked="" type="checkbox"/>
20.4(b)	Updated data from national surveillance programmes?	<input checked="" type="checkbox"/>

ii. **Optional questions** [Help](#)

Education, communication, training and public awareness <input type="checkbox"/> Help		
12(d)	Appropriate training or awareness programmes on tobacco control addressed to persons such as health, community and social workers, media professionals, educators, decision-makers, administrators and other concerned persons? We have developed a training curriculum for health workers on tobacco control, integrated tobacco control into continuous medical education for health workers in one of the eight provinces. Held several meetings with members of parliament to create awareness and lobby for legislation, held a training workshop for some of the media houses. Distribution of information packs to all media houses during World No Tobacco Day commemorations.	<input type="checkbox"/>
12(f)	Public awareness of and access to information regarding the adverse health, economic, and environmental consequences of tobacco production and consumption? Held meetings in several schools to discuss the effects of tobacco use and exposure. This has been carried out specially in tobacco growing regions reinforcing the health, economic and environmental consequences of tobacco farming, use and exposure. Members of the public joined the forums held in schools.	<input type="checkbox"/>

8. Priorities for implementation of the WHO Framework Convention on Tobacco Control [Help](#)

What are the priority areas for implementation of the WHO Framework Convention on Tobacco Control in your jurisdiction? (Ref. **Article 21.1(b)**)

<ol style="list-style-type: none">1. Legislation - the Tobacco Control Bill has lapsed several times in Parliament before being passed into Law. Currently the bill has been presented to the Attorney General for publishing so that it can be tabled in parliament for debate. The passing of the Bill into Law by Parliament will provide an enabling environment for the implementation of tobacco control. It shall also provide room for budgetary allocation and funding for the implementation of tobacco control activities/programme.2. Public Health Education and awareness on the effects of tobacco production, use and exposure to tobacco smoke.3. Establishment of Cessation programme4. Capacity building for tobacco control both in government and non-governmental organizations
--

What, if any, are the constraints or barriers you have encountered in implementing the Convention? (ref. **Article 21.1(b)**)

1. Lack of legal framework for the implementastion of tobacco control activities/programme
2. No budgetary allocation and lack of funding for tobacco control
3. Lack of capacity for ceasation programme. No training has been undertaken for the people spearheading tobacco control in the country as well.
4. Lack of accurate and comprehensive data on tobacco production and use
5. The tobacco control secretariat is not equiped resulting in lack of access to information and communication
6. Lack of research capacity and funding for research specifically geared towards tobacco control
7. Inavailability of tobacco ceasation programmes and affordable nicotine replacement pharmaceutical products

9. Additional comments [Help](#)

Please provide any relevant information not covered elsewhere that you feel is important.

- 1. We were not able to answer question 3 on tobacco use because we do not have data on the STEPs survey. we shall be carrying out the survey in afew months time.**
- 2. Source of data on demography : Central Bureau of Statistics- Analytical Report on population Projections Vol II, August 2002.**
- 3. Tobacco is classified together with alcoholic beaverages and is difficult to acess information on tobacco specifically. the data provided for domestic production is for cigarettes and cigars in milliopn sticks. Imports and exports are only available in values of KSH.* 000. and is not available in quantity (tonnes)**
- 4. Imported tobacco leaf (unmanufactured tobacco) is not taxed and is classified as raw material**
- 5. Question 5 was answered based on information from the Kenya bBureau of Standards and the Public Health Act (Laws of Kenya CAP 242)**

10. Questionnaire feedback

- (a) Please provide feedback for improvement of the Group 1 questionnaire. [Help](#)

- (b) Please provide input for the future development of the Group 2 questionnaire.
