B1. TOBACCO CONSUMPTION

B1. Prevalence of tobacco use
B11. Smoking prevalence in the adult population (all) (Please provide prevalence data for total adult population, and identify the age considered, e.g. 15 years old and over, 18-64 years; see B112)
B11A[1_SQ001]. Current smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
B11A[1_SQ002]. Current smokers [MALE][Average number of the most-consumed smoking tobacco product used per day]
B11A[2_SQ001]. Current smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
B11A[2_SQ002]. Current smokers [FEMALE][Average number of the most-consumed smoking tobacco product used per day]
10.87
B11A[3_SQ001]. Current smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
B11A[3_SQ002]. Current smokers [TOTAL (males and females)][Average number of the most-consumed smoking tobacco product used per day]
B11B[1_SQ001]. Daily smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
51.8
B11B[1_SQ002]. Daily smokers [MALE][Average number of the most-consumed smoking tobacco product used per day]
14.72
B11B[2_SQ001]. Daily smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
21.0
B11B[2_SQ002]. Daily smokers [FEMALE][Average number of the most-consumed smoking tobacco product used per day]

B11B[3_SQ001]. Daily smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]	36.1
B11B[3_SQ002]. Daily smokers [TOTAL (males and females)][Average number of the most-consumed smoking tobacco product used per day]	13.59
B11C[1_SQ001]. Occasional smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]	1.8
B11C[2_SQ001]. Occasional smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]	1.3
B11C[3_SQ001]. Occasional smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]	1.5
B11D[1_SQ001]. Former smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]	15.3
B11D[2_SQ001]. Former smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]	10.8
B11D[3_SQ001]. Former smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]	13
B11E[1_SQ001]. Never smokers [MALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]	31.3
B11E[2_SQ001]. Never smokers [FEMALE][Prevalence (%) (please include all smoking tobacco products in prevalence data)]	66.9
B11E[3_SQ001]. Never smokers [TOTAL (males and females)][Prevalence (%) (please include all smoking tobacco products in prevalence data)]	49.4
B111. Please indicate the smoking tobacco products included in calculating prevalence for question B11:	Cigarettes
B112[1_SQ001]. Please indicate the age range to which the data used to answer question B11 refer: [Age range][From]	15
B112[1_SQ002]. Please indicate the age range to which the data used to answer question B11 refer: [Age range][To]	64
B113A. Please indicate the year of the data used to answer question B11:	2014
B113B. Please indicate the source of the data used to answer question B11:	"Health Behavior among Latvian Adult Population, 2014" 1st part of the report: http://www.spkc.gov.lv/file_download/2517/LV_iedzivotaju_veselibu_ietekmejosu_paradumu_petijums_2014_I_dala.pdf 2nd part of the report": http://www.spkc.gov.lv/file_download/2518/LV_iedzivotaju_veselibu_ietekmejosu_paradumu_petijums_2014_II_dala.pdf
B114[SQ001]. Please provide the definitions of "current smoker", "daily smoker", "occasional smoker", "former smoker" and "never smoker" used in this report. [Current smoker]	The definitions are determined using the algorithm "DERIVATION OF SMOKING INDEX" (Annex 1 page 14 in http://www.spkc.gov.lv/file_download/2517/LV_iedzivotaju_veselibu_ietekmejosu_paradumu_petijums_2014_I_dala.pdf
B114[SQ002]. Please provide the definitions of "current smoker", "daily smoker", "occasional smoker", "former smoker" and "never smoker" used in this report. [Daily smoker]	The definitions are determined using the algorithm "DERIVATION OF SMOKING INDEX" (Annex 1 page 14 in http://www.spkc.gov.lv/file_download/2517/LV_iedzivotaju_veselibu_ietekmejosu_paradumu_petijums_2014_I_dala.pdf

B114[SQ003]. Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report. [Occasional smoker]
The definitions are determined using the algorithm “DERIVATION OF SMOKING INDEX” (Annex 1 page 14 in http://www.spkc.gov.lv/file_download/2517/LV_iedzivotaju_veselibu_ietekmejosu_paradumu_petijums_2014_l_dala.pdf)
B114[SQ004]. Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report. [Former smoker]
The definitions are determined using the algorithm “DERIVATION OF SMOKING INDEX” (Annex 1 page 14 in http://www.spkc.gov.lv/file_download/2517/LV_iedzivotaju_veselibu_ietekmejosu_paradumu_petijums_2014_l_dala.pdf)
B114[SQ005]. Please provide the definitions of “current smoker”, “daily smoker”, “occasional smoker”, “former smoker” and “never smoker” used in this report. [Never smoker]
The definitions are determined using the algorithm “DERIVATION OF SMOKING INDEX” (Annex 1 page 14 in http://www.spkc.gov.lv/file_download/2517/LV_iedzivotaju_veselibu_ietekmejosu_paradumu_petijums_2014_l_dala.pdf)
B115. Please provide a brief explanation of the trend in smoking prevalence in the adult population in the past two years or since submission of your last report.
Smoking prevalence among adult population has not changed if compared to the previous report. A total of 36% were daily smokers in 2014 (52% men and 21% women among age group 15-64 years). Although the total prevalence rate has not increased since the previous report, daily smoking among women has increased from 18% in 2012 to 21% in 2014. Smoking prevalence among men has remained stable.
B12[B12a_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]
15
B12[B12a_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]
24
B12[B12a_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
42
B12[B12b_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]
25
B12[B12b_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]
34
B12[B12b_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
56
B12[B12c_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]
35
B12[B12c_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]
44
B12[B12c_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
54

B12[B12d_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]

45

B12[B12d_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]

54

B12[B12d_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

55

B12[B12e_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]

55

B12[B12e_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]

64

B12[B12e_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

50

B12[B12ee_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]

B12[B12ee_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]

B12[B12ee_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B12[B12eee_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]

B12[B12eee_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]

B12[B12eee_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B12[B12eeee_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - start age]

B12[B12eeee_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Range - end age]
B12[B12eeee_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [MALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
B12[B12f_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]
15
B12[B12f_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]
24
B12[B12f_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
22
B12[B12g_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]
25
B12[B12g_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]
34
B12[B12g_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
24
B12[B12h_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]
35
B12[B12h_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]
44
B12[B12h_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]
27
B12[B12i_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - start age]
45
B12[B12i_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [FEMALES - current smokers1][Range - end age]
54

B12[B12k_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

15

B12[B12k_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

24

B12[B12k_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

33

B12[B12l_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

25

B12[B12l_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

34

B12[B12l_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

41

B12[B12m_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

35

B12[B12m_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

44

B12[B12m_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

41

B12[B12n_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

45

B12[B12n_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

54

B12[B12n_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

35

B12[B12o_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

55

B12[B12o_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

64

B12[B12o_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

30

B12[B12oo_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

B12[B12oo_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - end age]

B12[B12oo_B12x2]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B12[B12ooo_B12x1]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Range - start age]

B12[B12ooo_B12x3]. Smoking prevalence in the adult population (by age groups) (If data are available, please provide prevalence data by age group, and identify the age group considered, preferably by 10-year categories, e.g. 25-34, 35-44 years) [TOTAL (males and females) - current smokers1][Prevalence (%) (please include all smoking tobacco products in prevalence data)]

B121. Please indicate the smoking tobacco products included in calculating prevalence for question B12:

Cigarettes

B122A. Please indicate the year of the data used to answer question B12:

2014

B122B. Please indicate the source of the data used to answer question B12:

2014, "Health Behaviour among Latvian Adult Population, 2014"
http://www.spkc.gov.lv/file_download/2518/LV_iedzivotaju_veselibu_ietekmejosu_paradumu_petijums_2014_II_dala.pdf

B123. Please provide a brief explanation of the trend in current smoking prevalence by age group in the past two years or since submission of your last report, if data are available.

Daily smoking prevalence rate among men has increased in the youngest age group 15-24 years (increase of 26%) and the oldest age group from 55 to 64 years (increase of 2%). The rates have declined most significantly in the age groups 35-44 years and 45-54 years. The later with a decrease of 10%. Daily smoking has increased in all age groups for women, with the largest increase among 25-34 year old women (by 34%).

B13. Prevalence of smokeless tobacco use in the adult population (all) (Please provide prevalence data for total adult population, and identify the age considered in B132, e.g. 15 years old and over, 18-64 years; see B132)

B13A[1_B13x1]. Males [Current users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13A[2_B13x1]. Males [Daily users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13A[3_B13x1]. Males [Occasional users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B13A[4_B13x1]. Males [Former users][Prevalence (%) (please include all smokeless tobacco products in prevalence data)]

B134[SQ001]. Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below. [Current user]
As in the previous report, the proportion of current, daily and occasional users was not determined. Respondents indicate the use of snuff and/ or chewing tobacco by using following answers: -[?]I have never used them; -[?]Yes-once; -[?]Yes-2 to 50 times; Yes-more than 50 times

B134[SQ002]. Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below. [Daily user]
As in the previous report, the proportion of current, daily and occasional users was not determined. Respondents indicate the use of snuff and/ or chewing tobacco by using following answers: -[?]I have never used them; -[?]Yes-once; -[?]Yes-2 to 50 times; Yes-more than 50 times

B134[SQ003]. Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below. [Occasional user]
As in the previous report, the proportion of current, daily and occasional users was not determined. Respondents indicate the use of snuff and/ or chewing tobacco by using following answers: -[?]I have never used them; -[?]Yes-once; -[?]Yes-2 to 50 times; Yes-more than 50 times

B134[SQ004]. Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below. [Former user]
As in the previous report, the proportion of current, daily and occasional users was not determined. Respondents indicate the use of snuff and/ or chewing tobacco by using following answers: -[?]I have never used them; -[?]Yes-once; -[?]Yes-2 to 50 times; Yes-more than 50 times

B134[SQ005]. Please provide the definitions of "current user", "daily user", "occasional user", "former user" and "never user" (of smokeless tobacco products) used in this report in the space below. [Never user]
As in the previous report, the proportion of current, daily and occasional users was not determined. Respondents indicate the use of snuff and/ or chewing tobacco by using following answers: -[?]I have never used them; -[?]Yes-once; -[?]Yes-2 to 50 times; Yes-more than 50 times

B135. Please provide a brief explanation of the trend in smokeless tobacco use in the adult population in the past two years or since submission of your last report.
Smokeless tobacco remains unpopular with the majority using traditional tobacco products. 0% have used smokeless tobacco more than 50 times. It should be noted that sale of snuff and chewing tobacco in Latvia is prohibited therefore its' use is on an experimental level mostly with abroad purchased tobacco.

B14[B12a_B12x1]. B161. Please indicate the tobacco products included in calculating prevalence for question B16:
Smoking tobacco: manufactured and hand-rolled cigarettes, cigars, cigarillos.
Smokeless tobacco: chew snuff, or dip. Other tobacco: water pipe

B162A. Please indicate the year of the data used to answer question B16:
2014

B162B. Please indicate the source of the data used to answer question B16:
Global Youth Tobacco Survey, 2014

B163. Please provide the definition of "current smoking/tobacco use" used to answer question B16 in the space below.
Current tobacco smokers: Smoked tobacco anytime during the past 30 days.
Current tobacco users: Smoked tobacco and/or used smokeless tobacco anytime during the past 30 days

B164. Please provide a brief explanation of the trend in tobacco use by young persons in the past two years or since submission of your last report.
Smoking prevalence among 13-15 year olds has substantially decreased since 2011. Overall the prevalence rate of current tobacco users has decreased by 39% (girls by 44%, boys by 36%). Current tobacco use has decreased the most among 13 year old young adults- by 51%.

B3. Tobacco-related mortality

B31. Do you have information on tobacco-related mortality in your population?
No

B32. What is the estimated total number of deaths attributable to tobacco use in your population?

B33. If available, please provide any additional information on mortality attributable to tobacco use (e.g. lung cancer, cardiovascular diseases) in your jurisdiction.

B34B. Please indicate the source of the data used to answer questions B32 and B33:

B35. Please submit a copy of the study you refer to:

B35[filecount]. filecount - Please submit a copy of the study you refer to:
0

B4. Tobacco-related costs

B41. Do you have information on the economic burden of tobacco use in your population, e.g. the overall cost of tobacco use imposed on your society?
No

B42. Please provide details (e.g. direct (health care-related) and indirect costs and, if possible, the method used to estimate these costs).

B43B. Please indicate the source of the data used to answer question B42:

B44. Please submit a copy of the study you refer to:

B44[filecount]. filecount - Please submit a copy of the study you refer to:

C1. GENERAL OBLIGATIONS

C1. With reference to Article 5

C111. Have you developed and implemented comprehensive multisectoral national tobacco control strategies, plans and programmes in accordance with the Convention?

No

C112. Have you partially developed and implemented tobacco control strategies by including tobacco control in national health, public health or health promotion strategies, plans and programmes?

Yes

C113. Is any aspect of tobacco control that is referred to in the Convention included in any national strategy, plan or programme?

N/A

C114[C114a]. Have you established or reinforced and financed: [a focal point for tobacco control?]

No

C114[C114b]. Have you established or reinforced and financed: [a tobacco control unit?]

No

C114[C114c]. Have you established or reinforced and financed: [a national coordinating mechanism for tobacco control?]

No

C115. Please provide details (e.g. the nature of the national coordinating mechanism, the institution to which the focal point for tobacco control or the tobacco control unit belongs).

C116. Please provide a brief description of the progress made in implementing Article 5.1 and 5.2 (General obligations) in the past two years or since submission of your last report.

Although there is no national tobacco control strategy, tobacco control measures to be implemented are covered by Public Health Strategy for 2014-2020.

C117. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

There is no special department in the country which works on tobacco control issues, however responsibility is divided among the Centre for Disease Prevention and Control (research, health promotion) and The Ministry of Health (policy development and intersectoral cooperation).

C12. Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C121. protecting public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry?

No

C122. ensuring that the public has access, in accordance with Article 12(c), to a wide range of information on tobacco industry activities relevant to the objectives of the Convention, such as in a public repository?

No

C123. Please provide details in the space below.

C124. Please provide a brief description of the progress made in implementing Article 5.3 in the past two years or since submission of your last report.

C125. Have you utilized the "Guidelines for implementation of Article 5.3 of the WHO FCTC" when developing or implementing policies in this area?

No

C126. Please provide details in the space below or refer to section I of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}<=en>

C127. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C128. Please attach the relevant documentation.

C128[filecount]. filecount - Please attach the relevant documentation.

C2. MEASURES RELATING TO THE REDUCTION OF DEMAND FOR TOBACCO

C2. With reference to Articles 6-14

C21. Price and tax measures to reduce the demand for tobacco Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C211. tax policies and, where appropriate, price policies on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption?

Yes

C212. prohibiting or restricting, as appropriate, sales to international travellers of tax- and duty-free tobacco products?

Yes

C213. prohibiting or restricting, as appropriate, imports by international travellers of tax- and duty-free tobacco products?

Yes

C214. Please provide a brief description of the progress made in implementing Article 6 (Price and tax measures to reduce the demand for tobacco) in the past two years or since submission of your last report.

There is definite gradual raising the excise tax on tobacco products: for cigarettes- until 1 July 2018, for other tobacco product types- until 1 January 2018. A special permit (licence) shall be required for the following specific activities with tobacco products: activities of an approved warehouse-keeper, a registered consignee, a registered consignor, wholesale trade and retail trade. Monitoring movements of excise goods under suspension of excise duty via a computerized system is used.

C215. Have you utilized the "Guidelines for implementation of Article 6 of the WHO FCTC" when developing or implementing policies in this area?

No

C216. Please provide details in the space below or refer to section H of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}&=en>

C217. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Starting from the July 1, 2016 liquids used in Electronic smoking devices will be excisable good (0.01 euro per 1 ml liquid) and 0.005 euro per 1 mg nicotine).

C218. Please attach the relevant documentation.

C218[filecount]. filecount - Please attach the relevant documentation.

0

C22. Protection from exposure to tobacco smoke Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C221. banning tobacco smoking in indoor workplaces, public transport, indoor public places and, as appropriate, other public places ?

Yes

C222[1]. What is the type/nature of the measure providing for the ban? [national law]

Yes

C222[2]. What is the type/nature of the measure providing for the ban? [subnational law(s)]

No

C222[3]. What is the type/nature of the measure providing for the ban? [administrative and executive orders]

Yes

C222[4]. What is the type/nature of the measure C providing for the ban? [voluntary agreements]

No

C222[5]. What is the type/nature of the measure providing for the ban? [other measures (please specify in C223 below)]

No

C223. Please provide a brief explanation of the type/nature and content of the measures providing for the ban.

C224. Do any of these measures provide for a mechanism/ infrastructure for enforcement?

No

C225. Please provide details of this system.

C226a[1]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [government buildings]

Partial

C226a[2]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [health-care facilities]

Partial

C226a[3]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [educational facilities6]
Complete

C226a[4]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [universities]
Complete

C226a[5]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [private workplaces]
Partial

C226a[6]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor workplaces: [other (please specify below)]
None

C226aa. Please provide a brief explanation of any "other" policies in the space below

C226b[1]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [airplanes]
Complete

C226b[2]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [trains]
Partial

C226b[3]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [ferries]
Partial

C226b[4]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [ground public transport (buses, trolleybuses, trams)]
Complete

C226b[5]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [motor vehicles used as places of work (taxis, ambulances, delivery vehicles)]
Complete

C226b[6]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [private vehicles]
None

C226b[7]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Public transport: [other (please specify below)]
None

C226bb. Please provide a brief explanation of any "other" policies in the space below

C226c[1]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [cultural facilities]
Complete

C226c[2]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [shopping malls]
Complete

C226c[3]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [pubs and bars]
Complete

C226c[4]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [nightclubs]
Complete

C226c[5]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [restaurants]
Complete

C226c[6]. Please specify the settings and extent/comprehensiveness of measures applied in indoor workplaces, public transport, indoor public places and, as appropriate, other public places. Indoor public places: [other (please specify below)]
Partial

C226cc. Please provide a brief explanation of any "other" policies in the space below

C227. Please provide a brief summary of complete and partial measures, with specific details of the partial measures that have been implemented:

C227a. Banning tobacco smoking in indoor workplaces
Smoking at workplaces (indoor) is prohibited, except specially designated rooms for smoking. Specially designated rooms for smoking are also allowed in prisons (cells) and in health care and social care facilities.

C227b. Banning tobacco smoking in public transport
In long-distance trains and ships separate wagons or cabins for smokers are allowed.

C227c. Banning tobacco smoking in indoor public places
Smoking is prohibited in educational facilities, health-care facilities, apartment houses stairwells, corridors and other common areas, public buildings, structures and premises (cinemas, concerts, sports halls, other sports buildings and structures, postal and other institutions halls, disco and dance halls, etc.), cafes, restaurants and other public catering places is defined. Smoking in any public place, if other persons oppose it, is prohibited.

C228. Please provide a brief description of the progress made in implementing Article 8 (Protection from exposure to tobacco smoke) in the past two years or since submission of your last report.
In order to ensure person's rights to health in terms on being protected from secondhand smoking, in 2014 a new principle in Latvian legislation was introduced that non-smoker's rights to smoke-free area are prior over smoker's rights to smoke. In addition to existing measures, in 2014 it was introduced the tobacco control legislation that smoking is prohibited in the presence of a child, and accordingly to the Protection of the Rights of the Child Law the smoking nearby a child is defined as a physical violence. Since 2014 the law also states that smoking in any public places in the presence of people who oppose smoking, is prohibited. Since 2014 the use of electronic smoking devices are subject to the same smoking restrictions as tobacco products.

C229. Have you utilized the "Guidelines for implementation of Article 8 of the WHO FCTC" when developing or implementing policies in this area?
Yes

C2210. Please provide details in the space below or refer to section B of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}<=en>

C2211. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.
Since the new tobacco control law has been prepared, there is a proposal for complete ban on smoking in health care facilities and social care facilities. The law has not been approved yet.

C2212. Please attach the relevant documentation.

C2212[filecount]. filecount - Please attach the relevant documentation.
0

C23. Regulation of the contents of tobacco products Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C231. testing and measuring the contents of tobacco products?
No

C232. testing and measuring the emissions of tobacco products?
Yes

C233. regulating the contents of tobacco products?
No

C234. regulating the emissions of tobacco products?
Yes

C235. Please provide a brief description of the progress made in implementing Article 9 (Regulation of the contents of tobacco products) in the past two years or since submission of your last report.
The draft law has been prepared to transpose the provisions of the TPD.

C236. Have you utilized the "Guidelines for implementation of Articles 9 and 10 of the WHO FCTC" when developing or implementing policies in this area?
No

C237. Please provide details in the space below or refer to section C of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}<=en>

C25. Packaging and labelling of tobacco products Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C251. requiring that packaging, individual cigarettes or other tobacco products do not carry advertising or promotion?
No

C252. requiring that packaging and labelling do not promote a product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?
Yes

C253. requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products carry health warnings describing the harmful effects of tobacco use?
Yes

C254. ensuring that the health warnings are approved by the competent national authority?
Yes

C255. ensuring that the health warnings are rotated?
Yes

C256. ensuring that the health warnings are clear, visible and legible?
Yes

C257. Does your law mandate, as a minimum, a style, size and colour of font to render the warning clear, visible and legible?
Yes

C258. ensuring that the health warnings occupy no less than 30% of the principal display areas?
Yes

C259. ensuring that the health warnings occupy 50% or more of the principal display areas?
No

C2510. ensuring that health warnings are in the form of, or include, pictures or pictograms?
Yes

C2511. Does the Government own the copyright to these pictures and pictograms?
Yes

C2512. Would you grant a non-exclusive and royalty-free licence for the use of health warnings developed in your jurisdiction with other Parties?
No

C2513[1]. requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant: [constituents of tobacco products?]
No

C2513[2]. requiring that each unit packet and package of tobacco products and any outside packaging and labelling of such products contain information on relevant: [emissions of tobacco products?]
Yes

C2514. requiring that the warnings and other textual information appear on each unit packet and package and on any outside packaging and labelling in the principal language or languages of the country?
Yes

C2515. Please provide a brief description of the progress made in implementing Article 11 (Packaging and labelling of tobacco products) in the past two years or since submission of your last report.
The draft law has been prepared to transpose the provisions of the TPD.

C2516. Have you utilized the "Guidelines for implementation of Article 11 of the WHO FCTC" when developing or implementing policies in this area?
Yes

C2517. Please provide details in the space below or refer to section D of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. https://extranet.who.int/dataform/655321?token={TOKEN}&=en
C2518. If you have any other relevant information pertaining to or not covered in this section, please provide details in the space below. The new tobacco control law has been prepared to transpose EU Tobacco products directive 2014/40/EU, which includes also regulation regarding combined health warnings. The law has not been approved yet.
C2519. Please attach the relevant documentation.

No

C267[other]. Are appropriate and special training or sensitization and awareness programmes on tobacco control addressed to: [Other]

C268. Please provide a brief description of the progress made in implementing Article 12 (Education, communication, training and public awareness) in the past two years or since submission of your last report.

In 2014 the "Public Health Strategy 2014.-2020" was adopted, the policy development document aiming at improving the health of Latvian inhabitants by implementing targeted health policies in multiple fields including addiction prevention. Education Development Guidelines 2014-2020 (adopted on 22 May, 2014) and Action Plan for the implementation of these Guidelines on 2015-2017 (adopted on 20 June, 2015) include the development of competence-based general education content, covering issues like healthy lifestyle, and new learning materials on human safety for general education and vocation education and training, including issues like healthy nutrition, sport and the impact of addictions. According to the regulation No 468 of the Cabinet of Ministers (adopted on 12 August, 2014) on State Basic Education Standard, basic education subject's standards and programmes' examples, health education issues, including the impact of smoking are included in the content of basic education subjects' standards and programmes' examples, for example, Social Sciences, Biology, etc. The main requirements state that 3rd grade's graduates should know that smoking, alcohol and drugs are harmful for human health. They should also detect the environment that might be dangerous for their health, as well as understand that it is important to take care of their own health. 6th grade's graduates should know that smoking (even passive), alcohol and drugs are harmful, as well as understand benefits of healthy- friendly environment and evaluate factors that may affect their health condition. 9th grade's graduates should understand that addiction is a sickness that is harmful for human physical and psychic health, as well as should aware of normative acts in Latvia that regulate distribution of drugs. According to the regulation No 281 of the Cabinet of Ministers (adopted on 21 May, 2013) on State General Secondary Education Standard, general secondary education subjects' standards and programmes' examples, health education issues, including the impact of smoking are included in the content of general secondary education subject's standards and programmes' examples, for example, Health Studies, Natural Sciences, Biology, etc. They are designed to deepen students' knowledge about the impact and consequences of bad habits, including smoking, as well as normative regulation on these issues. Issues on the impact of smoking are also included in teachers' initial training programmes and professional development programmes.

C269. Have you utilized the "Guidelines for implementation of Article 12 of the WHO FCTC" when developing and implementing policies in this area?
Yes

C2610. Please provide details in the space below or refer to section E of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}<=en>
See point C268.

C2611. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C2612. Please attach the relevant documentation.

C2612[filecount]. filecount - Please attach the relevant documentation.

C27. Tobacco advertising, promotion and sponsorship Have you adopted and implemented, where appropriate, any legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes:

C271. instituting a comprehensive ban on all tobacco advertising, promotion and sponsorship?

Yes

C272[1]. Does your ban cover: [display and visibility of tobacco products at points of sales?]

No

C272[2]. Does your ban cover: [the domestic Internet?]

Yes

C272[3]. Does your ban cover: [the global Internet?]

No

C272[4]. Does your ban cover: [brand stretching and/or brand sharing?]

No

C272[5]. Does your ban cover: [product placement as a means of advertising or promotion?]

Yes

C272[6]. Does your ban cover: [the depiction of tobacco or tobacco use in entertainment media products?]

Yes

C272[7]. Does your ban cover: [tobacco sponsorship of international events or activities and/or participants therein?]

Yes

C272[8]. Does your ban cover: [contributions from tobacco companies to any other entity for "socially responsible causes" and/or any other activities implemented under the umbrella of "corporate social responsibility" by the tobacco industry?]

No

C272[9]. Does your ban cover: [cross-border advertising, promotion and sponsorship originating from your territory?]

Yes

C272[10]. Does your ban cover: [the same forms of cross-border advertising, promotion and sponsorship entering your territory for which domestic regulation apply?]

Yes

C273. are you precluded by your constitution or constitutional principles from undertaking a comprehensive ban on tobacco advertising, promotion and sponsorship?

N/A

C274. applying restrictions on all tobacco advertising, promotion and sponsorship?

N/A

C275. applying restrictions on cross-border advertising, promotion and sponsorship originating from your territory with cross-border effects?

N/A

C276. prohibiting those forms of tobacco advertising, promotion and sponsorship that promote a tobacco product by any means that are false, misleading, deceptive or likely to create an erroneous impression about its characteristics, health effects, hazards or emissions?

N/A

C277. requiring that health or other appropriate warnings or messages accompany all tobacco advertising, promotion and sponsorship?
N/A
C278. restricting the use of direct or indirect incentives that encourage the purchase of tobacco products by the public?
N/A
C279. requiring the disclosure to relevant Government authorities of expenditures by the tobacco industry on advertising, promotion and sponsorship not yet prohibited?
N/A
C2710[1]. restricting tobacco advertising, promotion and sponsorship on: [radio?]
No
C2710[2]. restricting tobacco advertising, promotion and sponsorship on: [television?]
No
C2710[3]. restricting tobacco advertising, promotion and sponsorship on: [print media?]
No
C2710[4]. restricting tobacco advertising, promotion and sponsorship on: [the domestic Internet?]
No
C2710[5]. restricting tobacco advertising, promotion and sponsorship on: [the global Internet?]
No
C2710[6]. restricting tobacco advertising, promotion and sponsorship on: [other media (please specify below)?]
No
C2710[other]. restricting tobacco advertising, promotion and sponsorship on: [Other]
C2711[1]. restricting tobacco sponsorship of: [international events and activities?]
No
C2711[2]. restricting tobacco sponsorship of: [participants therein?]
No
C2712. cooperating with other Parties in the development of technologies and other means necessary to facilitate the elimination of cross-border advertising?
No
C2713. imposing penalties for cross-border advertising equal to those applicable to domestic advertising, promotion and sponsorship originating from your territory in accordance with national law?
No
C2714. Please provide a brief description of the progress made in implementing Article 13 (Tobacco advertising, promotion and sponsorship) in the past two years or since submission of your last report. The term "tobacco advertising" had been amended in 2014 to include names (slogans), shapes, images, colors, lights and sound effects] used in shops while displaying tobacco products is also regarded as advertising. A draft law has been prepared to transpose the provisions of the TPD regarding advertising and sponsorship related to electronic cigarettes and e-liquids. No new initiatives.
C2715. Have you utilized the "Guidelines for implementation of Article 13 of the WHO FCTC" when developing and implementing policies in this area?
Yes
C2716. Please provide details in the space below or refer to section F of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <a href="https://extranet.who.int/dataform/655321?token={TOKEN}<=en">https://extranet.who.int/dataform/655321?token={TOKEN}<=en Guidelines were used to justify the need to prohibit tobacco displaying in point of sales. The proposal for the draft law has been made and discussions in the Parliament continue.
C2717. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C2718. Please attach the relevant documentation.

C2718[filecount]. filecount - Please attach the relevant documentation.

C28. Demand reduction measures concerning tobacco dependence and cessation Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:

C281. developing and disseminating appropriate, comprehensive and integrated guidelines based on scientific evidence and best practices?
No

C282[1]. programmes to promote cessation of tobacco use, including: [media campaigns emphasizing the importance of quitting?]
Yes

C282[2]. programmes to promote cessation of tobacco use, including: [programmes specially designed for underage girls and young women?]
No

C282[3]. programmes to promote cessation of tobacco use, including: [programmes specially designed for women?]
No

C282[4]. programmes to promote cessation of tobacco use, including: [programmes specially designed for pregnant women?]
No

C282[5]. programmes to promote cessation of tobacco use, including: [telephone quitlines?]
Yes

C282[6]. programmes to promote cessation of tobacco use, including: [local events, such as activities related to World No Tobacco Day or National No Smoking Day, if appropriate?]
Yes

C282[7]. programmes to promote cessation of tobacco use, including: [other (please specify)?]
Yes

C282[other]. programmes to promote cessation of tobacco use, including: [Other]
media campaigns designed for parents to protect children from passive smoking, media campaigns for adolescents

C283[1]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [educational institutions?]
Yes

C283[2]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [health-care facilities?]
No

C283[3]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [workplaces?]
No

C283[4]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [sporting environments?]
No

C283[5]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [other (please specify)?]
No

C283[other]. design and implementation of programmes aimed at promoting the cessation of tobacco use, in such locations as: [Other]

C284[1]. inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for: [tobacco control?]
No

C284[2]. inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for: [health?]
No

C284[3]. inclusion of diagnosis and treatment of tobacco dependence and counselling services for cessation of tobacco use in national programmes, plans and strategies for: [education?]
Yes

C285. inclusion of programmes on the diagnosis and treatment of tobacco dependence in your health-care system?
Yes

C286[1]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [primary health care]
Yes

C286[2]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [secondary and tertiary health care]
Yes

C286[3]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [specialist health-care systems (please specify below)]
Yes

C286[4]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [specialized centres for cessation counselling and treatment of tobacco dependence]
Yes

C286[5]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [rehabilitation centres]
Yes

C286[other]. Which structures in your health-care system provide programmes for the diagnosis and treatment of tobacco dependence? [Other]

C287[1]. Are the services provided in these settings covered by public funding or reimbursement schemes? [primary health care]
Partially

C287[2]. Are the services provided in these settings covered by public funding or reimbursement schemes? [secondary and tertiary health care]
Partially

C287[3]. Are the services provided in these settings covered by public funding or reimbursement schemes? [specialist health-care systems (please specify below)]
Partially

C287[4]. Are the services provided in these settings covered by public funding or reimbursement schemes? [specialized centres for cessation counselling and treatment of tobacco dependence]
None

C287[5]. Are the services provided in these settings covered by public funding or reimbursement schemes? [rehabilitation centres]
Partially

C287[6]. Are the services provided in these settings covered by public funding or reimbursement schemes? [other (please specify below)]

C287b. Please provide other details in the space below.

C288[1]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [physicians]
Yes

C288[2]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [dentists]
Yes
C288[3]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [family doctors]
Yes
C288[4]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [practitioners of traditional medicine]
Yes
C288[5]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [other medical professionals (please specify below)]
Yes

Yes
C288[8]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [pharmacists]
Yes
C288[9]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [Community workers]
Yes
C288[10]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [Social workers]
No
C288[11]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [other (please specify)]
No
C288[other]. Which health and other professionals are involved in programmes offering treatment for tobacco dependence and counselling services? Health professionals including: [Other]
C289[1]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [medical?]
Yes
C289[2]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [dental?]
Yes
C289[3]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [nursing?]
Yes
C289[4]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [pharmacy?]
Yes
C289[other]. training on tobacco dependence treatment incorporated into the curricula of health professional training at pre- and post-qualification levels at the following schools: [Other]
C2810. facilitating accessibility and/or affordability of pharmaceutical products for the treatment of tobacco dependence?
Yes

C2811. Where and how can these products be legally purchased in your country?

C2812[1]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [nicotine replacement therapy]
Yes

C2812[2]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [bupropion]
Yes

C2812[3]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [varenicline]
Yes

C2812[4]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [other (please specify)]
No

C2812[other]. Which pharmaceutical products are legally available for the treatment of tobacco dependence in your jurisdiction? [Other]

C2813[1]. Are the costs of these products covered by public funding or reimbursement? [nicotine replacement therapy]
Partially

C2813[2]. Are the costs of these products covered by public funding or reimbursement? [bupropion]
Partially

C2813[3]. Are the costs of these products covered by public funding or reimbursement? [varenicline]
None

C2813[4]. Are the costs of these products covered by public funding or reimbursement? [other (please specify below)]

C2813b. Please provide other details in the space below.

C2814. Please provide a brief description of the progress made in implementing Article 14 (Demand reduction measures concerning tobacco dependence and cessation) in the past two years or since submission of your last report.
Different anti-smoking campaigns (with different activities for children and parents) were launched in 2014 by the Latvian Center For Disease Prevention and Control (www.spkc.gov.lv). Campaigns were continued in 2015 as well. During campaigns mobile app for those wanting to quit smoking was developed ("80 brīvdienas" <https://play.google.com/store/apps/details?id=lv.spkc.brivs>) ; different contests for children organized, movement "Green bracelet" (self-made green bracelets to show that you are free from tobacco) developed, discussions in schools organized with participation of doctors, psychologists and publicly well know persons (popular in children's` population), website about dangers of tobacco second-hand smoking was developed (<http://pasivasmekesana.lv/>). Starting from 2015, quit line (not toll-free) is under the responsibility of the Latvian Centre for Disease Prevention and Control.

C2815. Have you utilized the "Guidelines for implementation of Article 14 of the WHO FCTC" when developing and implementing policies in this area?
No

C2816. Please provide details in the space below or refer to section G of the additional questionnaire. Response to this question or to the additional questionnaire is voluntary. <https://extranet.who.int/dataform/655321?token={TOKEN}&=en>

C3. MEASURES RELATING TO THE REDUCTION OF THE SUPPLY OF TOBACCO

C3. With reference to Articles 15-17
C31. Illicit trade in tobacco products Have you adopted and implemented, where appropriate, legislative, executive, administrative or other measures or have you implemented, where appropriate, programmes on any of the following:
C311. requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining the origin of the product?
Yes
C312. requiring marking of all unit packets and packages of tobacco products and any outside packaging of such products to assist in determining whether the product is legally sold on the domestic market?
Yes
C313. requiring that unit packets and packages of tobacco products for retail and wholesale use that are sold on the domestic market carry the statement: "Sales only allowed in ..." or carry any other effective marking indicating the final destination of the product?
No
C314. developing a practical tracking and tracing regime that would further secure the distribution system and assist in the investigation of illicit trade?
Yes
C315. requiring that marking is presented in legible form and/or appears in the principal language or languages of the country?
Yes
C316. requiring the monitoring and collection of data on cross-border trade in tobacco products, including illicit trade?
Yes
C317. facilitating the exchange of this information among customs, tax and other authorities, as appropriate, and in accordance with national law and applicable bilateral and multilateral agreements?
Yes
C318. enacting or strengthening legislation, with appropriate penalties and remedies, against illicit trade in tobacco products, including counterfeit and contraband cigarettes?
Yes
C319. requiring that confiscated manufacturing equipment, counterfeit and contraband cigarettes and other tobacco products derived from illicit trade are destroyed, using environment-friendly methods where possible, or disposed of in accordance with national law?
Yes
C3110. adopting and implementing measures to monitor, document and control the storage and distribution of tobacco products held or moving under suspension of taxes or duties?
Yes
C3111. enabling the confiscation of proceeds derived from illicit trade in tobacco products?
Yes
C3112. promoting cooperation between national agencies and relevant regional and international intergovernmental organizations in investigations, prosecutions and proceedings, with a view to eliminating illicit trade in tobacco products, with special emphasis on cooperation at regional and subregional levels?
Yes
C3113. licensing or other actions to control or regulate production and distribution in order to prevent illicit trade?
Yes

C3114. Please provide a brief description of the progress made in implementing Article 15 (Illicit trade in tobacco products) in the past two years or since submission of your last report.

Over the last three years, the number of initiated criminal proceedings on criminal offences in tobacco business has increased by 58%. The number of confiscated cigarettes in the same period of time has increased 1.9 times.

In 2015: "Action Plan for Improving the Situation on the Eastern Border and Borderland of the Republic of Latvia has been approved by the State Revenue (SRS) order.

The SRS continues to work on the "Law Enforcement Action Plan for the Fight Against Illegal Movement of Excise Goods in Latvia".

The SRS is working on an "Interdepartmental Co-operation Agreement in the Matters of State Border Security". SRS employees have participated in CEPOL training course "Cigarette Smuggling" in Hungary.

C3115. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

Additionally the State Revenue Service of Latvia proceeds with tobacco products and tobacco manufacturing equipment under the jurisdiction of the state according to the Cabinet Regulation No.1354 of 26 November 2013 "Order of public accounting, valuation, realization, granting of the property under the jurisdiction of the state and the offsetting of the revenue to the state budget occurred from the realization of the property under the jurisdiction of the state." Article 35 of the mentioned order stipulates the tobacco products manufacturing equipment to be irretrievably destroyed or utilized by recycling its metal parts into scrap metal. Article 38.2 of the mentioned order also obliges tobacco products to be burnt in the fireboxes for the powdered waste or in the furnaces for solid fuel and which are equipped with fuel gas' solid particles perception system.

C3116. Please attach the relevant documentation.

C438. Please provide a brief description of the progress made in implementing Article 20 (Research, surveillance and exchange of information) in the past two years or since submission of your last report.
During the past two years several surveys monitoring tobacco prevalence and tobacco use habits have been conducted, both among the adult population and adolescents. In addition, a report on smoking prevalence and consequences is published annually, containing an overview of relevant data, policies, information on issues concerning tobacco control.

C439. If you have any other relevant information pertaining to but not covered in this section, please provide details in the space below.

C4310. Please attach the relevant documentation.
