B62. Do you have any information on the percentage of illicit tobacco products on the national tobacco market?
Yes

B63. What percentage of the national tobacco market do illicit tobacco products constitute? (%)

B64. What is the trend over the past two years or since submission of your last report in the percentage of illicit tobacco products in relation to the national tobacco market?

B65. Please provide any further information on illicit tobacco products.
The most significant seizures were made at the Malta Freeport - transit shipments. A reasonable percentage of the cigarettes seized were transit. It has been noted that illicit trafficking of tobacco smuggling is being noticed at mail/courier services. Cigarettes are also being purchased on the internet.
