#### i. Prevalence (ref. Article 19.2(a), Article 20.2 and Article 20.3(a)) [Help](#)

The Prevalence section refers to:

*Article 19.2:* Parties shall cooperate with each other in exchanging information through the Conference of the Parties in accordance with Article 21 including:

(a) information on the health effects of the consumption of tobacco products and exposure to tobacco smoke in accordance with Article 20.3(a)

*Article 20.3:* Parties recognize the importance of financial and technical assistance from international and regional intergovernmental organizations and other bodies. Each Party shall endeavour to:

(a) establish progressively a national system for the epidemiological surveillance of tobacco consumption and related social, economic and health indicators;

*Article 20.2:* The Parties shall establish, as appropriate, programmes for national, regional and global surveillance of the magnitude, patterns, determinants and consequences of tobacco consumption and exposure to tobacco smoke. Towards this end, the Parties should integrate tobacco surveillance programmes into national, regional and global health surveillance programmes so that data are comparable and can be analysed at the regional and international levels, as appropriate.

**Please note: in cases where data has been collected, either by a country or as part of an existing surveillance programme, copies of the data should be attached to the completed questionnaire.**

## 7. Technical and financial assistance [Help](#)

### **7. Technical and financial assistance**

*This section of the questionnaire comprises questions regarding technical and financial assistance provided or received for tobacco control activities under the WHO Framework Convention. Questions regarding collaboration and/or cooperation are included in this section in those cases in which the collaboration and/or cooperation in question involves or could involve the receipt of assistance.*

#### **Question 7 is mandatory**

Please advise if you have either provided or received assistance.

If you answered 'Yes' to either provision or receipt of assistance in relation to articles 21.1(c), 22.1 and 21.3 you will need to provide the following:

For low- and middle-income countries requesting or receiving assistance: the reporting state party; period covered in the report; country or countries from which assistance was received; time request was made; and status of request (i.e., assistance provided (please provide full details of the nature and level of assistance); not provided; or under consideration).

For donor countries providing assistance: the country/organization; period of reporting; country from which request received; nature of assistance requested; and decision on request (i.e., accepted (please provide full details of the nature and level of assistance); not accepted; or under consideration).

If you answered 'No' to either the provision or receipt of assistance you will need to identify any financial or technical assistance that may be under consideration.

The goal of this section is to assist the Secretariat in facilitating the coordination of available skills and resources with identified needs.

Pursuant to **Article 21.1(c)**, have you either provided or received financial or technical assistance (be it through unilateral, bilateral, regional, subregional or other multilateral channels, including relevant regional and international intergovernmental organizations and financial and development institutions) for the development and strengthening of multisectoral comprehensive tobacco control programmes of developing country Parties and Parties with economies in transition in any of the following areas:
