i. Prevalence (ref. Article 19.2(a), Article 20.2 and Article 20.3(a)) [Help](#)

The Prevalence section refers to:

Article 19.2: Parties shall cooperate with each other in exchanging information through the Conference of the Parties in accordance with Article 21 including:

(a) information on the health effects of the consumption of tobacco products and exposure to tobacco smoke in accordance with Article 20.3(a)

Article 20.3: Parties recognize the importance of financial and technical assistance from international and regional intergovernmental organizations and other bodies. Each Party shall endeavour to:

(a) establish progressively a national system for the epidemiological surveillance of tobacco consumption and related social, economic and health indicators;

Article 20.2: The Parties shall establish, as appropriate, programmes for national, regional and global surveillance of the magnitude, patterns, determinants and consequences of tobacco consumption and exposure to tobacco smoke. Towards this end, the Parties should integrate tobacco surveillance programmes into national, regional and global health surveillance programmes so that data are comparable and can be analysed at the regional and international levels, as appropriate.

ii. **Supply** [Help](#)

The Supply section refers to:

Article 20.4: The Parties shall, subject to national law, promote and facilitate the exchange of publicly available scientific, technical, socioeconomic, commercial and legal information, as well as information regarding practices of the tobacco industry and the cultivation of tobacco, which is relevant to this Convention, and in so doing shall take into account and address the special needs of developing country Parties and Parties with economies in transition. Each Party shall endeavour to:

(c) cooperate with competent international organizations to progressively establish and maintain a global system to regularly collect and disseminate information on tobacco production, manufacture and the activities of the tobacco industry which have an impact on the Convention or national tobacco control activities.

Article 15.4: With a view to eliminating illicit trade in tobacco products, each Party shall:

(a) monitor and collect data on cross-border trade in tobacco products, including illicit trade, and exchange information among customs, tax and other authorities, as appropriate, and in accordance with national law and relevant applicable bilateral or multilateral agreements.

Article 15.5: Information collected pursuant to subparagraphs 4(a) and 4(d) of this Article shall, as appropriate, be provided in aggregate form by the Parties in their periodic reports to the Conference of the Parties, in accordance with Article 21.

4. Taxation [Help](#)

The Taxation section refers to:

Article 6.3: The Parties shall provide rates of taxation for tobacco products and trends in tobacco consumption in their periodic reports to the Conference of the Parties, in accordance with Article 21.

Article 6.2: Without prejudice to the sovereign right of the Parties to determine and establish their taxation policies, each Party should take account of its national health objectives concerning tobacco control and adopt or maintain, as appropriate, measures which may include:

(a) implementing tax policies and, where appropriate, price policies, on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption.

(a) Please provide your rates of taxation for tobacco products for all levels of government, and be as specific as possible (specify the type of tax: excise, VAT or sales, import duties) (ref. **Article 6.3**). [Help](#)

(a) It is important that you are as specific as possible. Please list each tax separately and for each tax, specify the rate (or amount in the case of certain taxes - e.g., excise tax) and the base (i.e., what is the rate or amount applied to). If the tax is a percentage, please carefully detail to what amount this percentage applies. Nominal values should be given in local currency.

The government introduced a 15 percent annual increase in the excise on cigarettes and other tobacco products.

(b) Please attach the relevant documentation (ref. **Article 6.3**). (Please provide documentation in one of the six official languages, if available.) [Help](#)

(b) Please provide all relevant documentation for the rates of taxation in one of the official Conference of the Parties languages – Arabic, Chinese, English, French, Russian or Spanish, if possible.
