

REPUBLIC OF SAN MARINO

**We the Captains Regent
Serene Republic of San Marino**

Having regard to Article 4 of the Constitutional Law 185/2005 and Article 6 of Qualified Law n.185/2005;

Sent to publish and promulgate the following law passed by Ordinary Council Great and General at its meeting on March 14th, 2008.

LAW March 20th, 2008 N.52

PUBLIC HEALTH EXPOSURE TO SMOKE TOBACCO

Art 1 *(Sources)*

This Law is formulated in accordance to the framework established by the Convention of the World Health Organisation's Framework for Tobacco Control, Geneva 21st May 2003, ratified by Decree of June 22nd, 2004 n.86, and guidelines contained in the Health Plan and Social Health of the Republic of San Marino for 2006-2008, approved by Great and General Council at its meeting on February 21st, 2006, regarding the fight against smoking and protection from exposure to tobacco smoke.

Art 2 *(Objectives)*

In the spirit of full sharing of concerns and objectives stated in the preamble of the Geneva Convention in which the previous article in order to protect present and future generations from devastating health effects, social, environmental and economic benefits arising from tobacco consumption and exposure to its smoke, and with the intent to prepare an adequate series of measures to gradually reduce the use and exposure to tobacco have adopted the following measures. The law seeks to protect public's health from exposure to tobacco smoke, the smokers are required to delay their desire and smoke outdoors or in designated settings.

Art 3 *(Definitions)*

- a) Premises partially open: Local characterized by a surface area open on the sides and covered by a roof or pergola, or closed at the sides but no roof.
- b) Room reserved for smokers: premises that satisfies the requirements of Article 6 of this Act.
