

The 2015 version of the GATS Atlas released

Date of publication: 10 June 2015

The GATS Atlas presents tobacco statistics from Global Adult Tobacco Surveys implemented in 22 countries. It is structured following the articles of the WHO Framework Convention on Tobacco Control and the MPOWER framework, covering topics ranging from monitoring and policies, help to quit and protection from second hand smoke to marketing bans, taxation and pricing as well as tracking and tracing of tobacco products.

The Atlas could serve as resource for decision makers, public health professionals, advocates, researchers, and media as they work to advance social policies. It is available at:
